Company Secretary

ASX RELEASE

14 October 2010

APA Group notes Eastern Star Gas announcement

APA Group (ASX:APA), Australia's largest natural gas infrastructure business, notes today's announcement from gas producer Eastern Star Gas on the progress of its arrangements for the export of LNG.

APA Managing Director, Mick McCormack said "We are pleased to be building on our relationship with Eastern Star Gas for the future transportation of their coal seam gas to markets. In addition, we look forward to expanding our relationship with Marubeni Corporation in relation to ESG's proposed LNG Newcastle Project."

The use of APA's existing New South Wales pipeline infrastructure combined with new infrastructure will provide timely and cost-effective delivery of indigenous New South Wales gas for this new market.

About APA Group (APA)

APA is Australia's largest natural gas infrastructure business, owning and/or operating more than \$8 billion of gas transmission and distribution assets. Its pipelines and assets span every state and territory on mainland Australia, delivering more than 50% of the nation's gas usage. Unique amongst its peers, APA has direct management and operational control over its assets and the majority of its investments. APA also holds minority interests in energy infrastructure enterprises including Envestra, SEA Gas Pipeline, Hastings Diversified Utilities Fund and Energy Infrastructure Investments.
