- 3 Principal terms of the +securities (eg, if options, exercise price and expiry date; if partly paid +securities, the amount outstanding and due dates for payment; if +convertible securities, the conversion price and dates for conversion)

The performance rights, upon exercise, entitle a holder to receive one fully paid ordinary share in the Company.

No payment was made for the grant of the performance rights and no payment is required for the exercise of the performance rights.

The performance rights may only be exercised during a four year period commencing three years after the date they were issued and subject to the satisfaction of performance hurdles by the holders (as set out below).

For the period 1 July 2010 to 30 June 2013, an average 2% per annum increase in the Company's (consolidated) return on invested capital ("ROIC") must be achieved in order for 100% of the performance rights to vest. The minimum percentage of the target that must be achieved before any performance rights vest is 70% (i.e. an average of 1.4% per annum increase in the Company's ROIC).

In order for the performance rights to vest, holders of performance rights must continue to be in employment with the MaxiTRANS Industries Limited Group on the vesting date (no later than one month after the announcement of the result for the year ended 30 June 2013).

+ See chapter 19 for defined terms.
