Continental Coal Limited (ASX:CCC) is a new Junior South African coal producer. Continental has a portfolio of producing and advanced coal projects located in South Africa's major coal fields. Following the commencement of production at the Vlakvarkfontein coal mine in May 2010, production at the predominantly export thermal coal mines at Vaalbank and Project X are forecast to commence production from 2011. Continental was formed to take advantage of the robust domestic and global demand for coal, with particular focus on South Africa, Botswana, Mozambique and Zimbabwe.
