ASX Release

Energy One Limited nominated as preferred supplier for the provision of Energy Trading Solution.

Energy One today announced it has been nominated as preferred supplier for the provision of its Energy Trading Solution to a large Australian power generator. Energy One is currently negotiating contractual terms and expects those negotiations to be completed before the end of December 2010.

The company has been actively marketing its market leading solutions and is pleased with this development. This announcement continues to demonstrate Energy One's commitment to developing and delivering quality enterprise business tools to major energy sector clients.
