Mr Baggott / Ms Hewitt,

SENEX ENERGY LIMITED – REQUEST FOR TRADING HALT

Senex Energy Limited (ASX code: SXY) advises that it is considering a potential upgrade of its oil reserves, and is in discussions with another party about a material transaction.

Senex requests that ASX grant an immediate trading halt in relation to its shares pending an announcement about the potential upgrade and an announcement about those discussions.

In accordance with Listing Rule 17.1, I advise that:

- Senex Energy requests that the trading halt continue until the earlier of the commencement of normal trading on ASX on the second trading day after the trading halt commences, the release of an announcement about the potential upgrade, or the release of an announcement about the discussions referred to above.
- Senex Energy is not aware of any reason why a trading halt should not be granted or of any other information necessary to inform the market about the trading halt.

Yours faithfully,
Senex Energy Limited
