Directors' Report

Review of Operations and Subsequent Events

Narhex Life Sciences Limited ("Narhex") was admitted to the Official List of the ASX on January 2005. The principal activity of the Company was the research and commercial development of drugs for the treatment and management of HIV/AIDS.

During the half year the company continued to struggle to administer its operations both in Australia and China. Consequently the compliance burden of the company increased significantly compared to the prior year, despite a significant reduction in its research and development activity in China. The process of obtaining the necessary applications and approvals in relation to its Chinese operators for the manufacture of its DG 17 anti-HIV protease inhibitor were postponed indefinitely. Operations in the Company's subsidiaries in Hong Kong and Sweden have also stalled and no results from either subsidiary are reflected in the current year's financial performance.

The Chairman of the Company, Dr Cohen, sadly passed away in November 2009, such that the company lost both its driving force and a source of funding.

On 9 February 2010, the Directors of the Company appointed Mr Richard Albarran and Mr David Ross of Hall Chadwick Chartered Accountants, Level 14, 45 William Street, Melbourne as joint and several Administrators of the Company pursuant to Part 5.3A of the Corporations Act.

On 16 April 2010 an adjourned meeting of the Company's Creditors was convened pursuant to Section 439A of the Corporations Act to consider, amongst other matters, the execution of a Deed of Company Arrangement ("DOCA").

By resolution of the adjourned meeting of Creditors, the Creditors resolved that the Company execute the DOCA between the Administrators, the Company and Tittel Pty Ltd ("Tittel"); the DOCA was executed on 7 May 2010. Tittel Pty Ltd is controlled by a former Director of the Company, being Mr Ian Reynolds. The Administrator's on behalf of the Company entered into the DOCA with Tittel at a time when Mr. Reynolds was not a Director of the Company. Mr Reynolds became a Director of the Company as a condition of the DOCA. Mr. Reynolds is no longer a Director of the Company.

In accordance with the terms of the DOCA, the following have been undertaken (in the order set out below):

- The Company established Narhex Life Sciences International Pty Ltd ("NLSI") as a wholly owned subsidiary of the Company;
- The Company transferred all its shares in the following companies to NLSI:
 - Narhex Limited, a Hong Kong corporation;
 - · Xian Hex Life Sciences Company Limited, a Chinese corporation; and
 - · Cavidi AB, a Swedish corporation.
- Tittel paid the sum of \$125,000 to the Administrators and advanced the sum of \$125,000 to the Company through the Administrator;
- The Company transferred on half of its shares in NLSI to Tittel's nominee, Narhjex Life Sciences Development Limited;
- The Administrators appointed Mr Ian Reynolds and Mr Tony Say as directors of the Company, and reappointed David Mandel in addition to Peter Nash;
- The Company entered into a Shareholders' Agreement substantially in the form annexed to the DOCA, which sets
 out the governance and management of NLSI;
- At a meeting on 5 November 2010 the following resolutions were carried by the members of the company:
 - A consolidation of the ordinary share capital of the company on a 1 for 10 basis, effective on 15 November 2010;
 - An issue of 133,333,000 Proponent Shares at an issue price of \$0.003(0.3 cents) per share to raise \$400,000 for payment of the Deed Administrators' costs and Creditors Claims. The shares were issued to Tittel and its nominees, with Trident Capital to be a nominee of Tittel for such proportion of the Proponent shares as separately agreed with Tittel. All Proponent Shares are to be ranked equally with all other existing shares;
 - O An issue of 250,000,000 new shares for an issue price of not less than \$2,500,000 through a Prospectus. The funds raised will be used to satisfy all costs associated with the implementation of the Recapitalisation Proposal and also applied towards the Company's ongoing business and to identify the acquisition and development of opportunities and other investments and to implement the Company's operational and expenditure plans (as set out in the prospectus;

Review of Operations and Subsequent Events (continued)

- The Shareholder's Agreement dated 7 May 2010 determining the ownership, governance and management of NLSI was ratified;;;
- The transfer of 50% of shares in relation to the ownership of NLSI to Tittel's nominee Narhex Life Sciences Development Limited ("NLSD") was also ratified;
- Approval was given that in the event that the loan funds from Tittel are not repaid within 6 months
 following the date of the General Meeting, Tittel agrees to forgive the loan (including any interest) in
 consideration for the Company transferring its remaining interest in NLSI to Tittel or its nominee; and
- An issue of 26,666,666 new shares at an issue price of \$0.003(0.3 cents) per share to Tittel or its nominees for no less than \$80,000 in relation to third party costs for the Recapitalisation Proposal. The funds from the issue of these new shares will be held in trust for the Company by Trident to be utilised in the costs of the reconstruction work.
- A resolution was also to be put to the members to change the company name to Narhex Limited. This
 resolution was not going to be supported and hence was withdrawn.
- The Company raised \$480,000 through the issue of 160 million shares at \$0.003 and paid \$400,000 to the Administrator in accordance with the DOCA;
- On 14 January 2011 the Company successfully effectuated its Deed of Company Arrangement ("DOCA"), which
 resulted in the forgiveness of Creditors Claims subject to the DOCA;
- The Company has successfully raised \$2,500,000 through the issue of 250 million shares at a price of one cent per share.

Future developments

The Company is now seeking reinstatement on the ASX.

On reinstatement to the ASX it is proposed to utilise the funds raised under the capital raising (after all costs associated with the capital raising) towards the following:

- Review, evaluation and development of the Company's existing businesses;
- Continue its investment interest in NLSI which will result in the ongoing development of DG17 including clinical trials and reporting; and
- · Identification and consideration of other business opportunities.

Notes to the financial statements

NOTE 1 STATEMENT OF COMPLIANCE AND BASIS OF PREPARATION

Statement of Compliance

These half-year consolidated financial statements are a general purpose financial report prepared in accordance with the requirements of the Corporations Act 2001, Australian Accounting Standard AASB 134: Interim Financial Reporting, Australian Accounting Interpretations and other authoritative pronouncements of the Australian Accounting Standards Board.

It is recommended that this financial report be read in conjunction with the annual financial report for the year ended 30 June 2009 and any public announcements made by Narhex Life Sciences Limited and its controlled entities during the half-year in accordance with continuous disclosure requirements arising under the Corporations Act 2001.

The accounting policies have been consistently applied by the entities in the consolidated group and are consistent with those in the June 2009 financial report. The half-year report does not include full disclosures of the type normally included in an annual financial report.

Limitations on preparation

On 9 February 2010, Mr Richard Albarran and Mr David Ross (the "administrators") were appointed as joint and several administrators of the Company pursuant to Part 5.3A of the Corporations Act. The administrator's appointment was to Narhex Life Sciences Limited only and did not extend to subsidiary companies. In addition, the operating subsidiary companies are incorporated in China, Hong Kong and Sweden and not subject to Australian Corporations Law, including the administrator's appointment. In preparing these accounts, the Company has not had access to the financial records of the subsidiaries for the period since the end of the month prior to entering administration.

NOTE 2 SIGNIFICANT ACCOUNTING POLICIES

The half year consolidated financial statements have been prepared using the same accounting policies as used in the annual financial statements for the year ended 30 June 2009.

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current half year.

NOTE 3 ADOPTION OF NEW AND REVISED AUSTRALIAN ACCOUNTING STANDARDS

The Group adopted all of the new and revised Australian Accounting Standards and Interpretations applicable to its operations which became mandatory or became available for early adoption in the current period. None of the Standards adopted had a material impact upon these financial statements.

Notes to the Financial Statements

Accordingly no results from the transactions and trading activities (including its cashflows) of the deconsolidated entity are reflected in these financial statements.

The major classes of assets and liabilities of Xi'an Hex measured at the lower of carrying amount and fair value as at 1 July 2009 were as follows:

INDEPENDENT AUDITOR'S REVIEW REPORT TO THE MEMBERS OF NARHEX LIFE SCIENCES LTD

Report on the Half-year Financial Report

We have reviewed the accompanying half-year financial report of Narhex Life Sciences Limited and controlled entities (the consolidated entity) which comprises the condensed statement of financial position as at 31 December 2009, the condensed statement of comprehensive income, the condensed statement of changes in equity, the condensed statement of cash flows for the half-year ended on that date, the accounting policies and other selected explanatory notes and the directors' declaration.

Directors' Responsibility for the Half-Year Financial Report

The directors of Narhex Life Sciences Limited (the company) are responsible for the preparation and fair presentation of the half-year financial report in accordance with Australian Accounting Standards (including Australian Accounting Interpretations) and the *Corporations Act 2001*. This responsibility includes establishing and maintaining internal control relevant to the preparation and fair presentation of the half-year financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies and making accounting estimates that are reasonable in the circumstances.

Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410: Review of an Interim Financial Report Performed by the Independent Auditor of the Entity in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the financial report is not in accordance with the Corporations Act 2001 including giving a true and fair view of the consolidated entity's financial position as at 31 December 2009 and its performance for the half-year ended on that date and complying with Accounting Standard AASB 134: Interim Financial Reporting and the Corporations Regulations 2001. As the auditor of Narhex Life Sciences Limited and controlled entities, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and, consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Independence

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*. We confirm that the independence declaration required by the Corporations Act, provided to the directors of Narhex Life Sciences Limited and controlled entities on 9 March 2011, would be in the same terms if provided to the directors as at the date of this auditor's review report.

Basis for Disclaimer of Auditor's Conclusion

The following scope limitations occurred during the course of our review:

- The comparative figures in the financial report (as presented in both the 30 June 2009 financial report and 31 December 2008 half-year financial report) were accompanied by a disclaimer of auditor's opinion. We were unable to satisfy ourselves in relation to these comparatives by any other means, and as a result we do not express an opinion on comparative information;
- The company was placed into voluntary administration on 9th February 2010. The administrator was appointed only in relation to Narhex Life Sciences Limited, and not in relation to subsidiary entities, and as a result we do not express an opinion on the financial report to the extent it is impacted by the operations of the subsidiaries; and
- The company had a subsidiary entity in China (Xi'an Hex Life Sciences Co Ltd) which became an associate entity on 1 July 2009. We were unable to obtain sufficient appropriate audit evidence in relation to this entity. As a result, we do not express an opinion on the financial report to the extent that it is impacted by the consolidation of this entity for the period in which it was a subsidiary, and equity accounting adjustments for the period in which it was an associate.

Disclaimer of Auditor's Conclusion

Based on our review, and because of the existence of a limitation on the scope of our work, as described in the preceding paragraph, and the effect of such adjustments, if any, as might have be determined to be necessary had we been able to satisfy ourselves in relation to the matters described in the preceding paragraph, we are unable to and do not express an opinion as to whether the half-year financial report of Narhex Life Sciences Ltd is not in accordance with the *Corporations Act 2001* including:

(i) giving a true and fair view of the consolidated entity's financial position as at 31 December 2009 and of its performance for the half-year ended on that date; and

Incorporating the firms of Alexander & Spencer and Rosenbergs

(ii) complying with AASB 134: Interim Financial Reporting and the Corporations Regulations 2001.
