Record breaking attendance at Mines and Money Hong Kong

The fourth annual Mines and Money conference and exhibition held at Hong Kong Convention & Exhibition Centre last week was the most successful in the event's history.

The conference registered over 2000 delegates from 38 countries, making it the premier mining finance networking opportunity in Asia. The exhibition also trebled in size from the previous year, with more than 160 companies showcasing mining projects and investment opportunities.

Other highlights of the event included:

- Keynote presentations from the key players in the mining and mining finance market
- Focused conference program featuring a wide range of mining and mining finance experts
- New larger venue, the Hong Kong Conference and Exhibition Centre (HKCEC) in the heart of Hong Kong, the gateway to China and Chinese investment
- Over 300 financial institutions present
- Representatives from over 900 companies in attendance
- 18 Gold sponsors

Aspermont UK CEO David Nizol said, "There are four annual, international Mines and Money Events ... London, Hong Kong, Beijing and Australia. These are a not-to-be-missed quartet of super shows. They bring together some of the most influential decision makers within international mining companies, the investment community, government and professional services.

Mines and Money Events are the leading brands of Aspermont's conference and exhibition business.
