PERFORMANCE UPDATE

Dicker Data Limited (ASX: DDR) is very pleased to advise stakeholders of the Company's results for the month of March 2011.

In terms of sales, this was a record month for the Company. Sales were \$48,961,130 for the month, resulting in a profit before tax of \$1,899,051.

This result represents Dicker Data's net operational performance and may be subject to impacts from year end audit adjustments.

Whilst the Company doesn't expect the conditions which contributed to the achievement of this result to be replicated every month, we do expect a strong performance this financial year.
