2 June 2011

Intention to suspend trading following General Meeting

The Company recently issued a Notice of Meeting and Explanatory Memorandum concerning its proposal to delist from the Australian Securities Exchange on Friday 17th June 2011.

For the information of all shareholders, the Company intends to apply to the Australian Securities Exchange for a trading halt on the morning of Thursday 9th June 2011. The application for the trading halt will be conditional on the outcome of the shareholder resolution to be passed at the General Meeting on that date. If the shareholder resolution is passed, trading will be suspended immediately after the General Meeting.

About Hexima

Hexima Limited (ASX Code: HXL) is an agribusiness company developing innovative gene technologies to help farmers enhance the productivity of arable land by improving yields and reducing the use of chemicals. Hexima's core technologies aim to strengthen commercial crops by enhancing their resistance to insect pests and fungal disease. Hexima partners with multinational seed companies to establish commercial markets for its technologies.
