10.2 Custodial Assets

UBS may request the Custodian at any time to pay or deliver to UBS any of the Custodial Assets, provided that UBS may only request the Custodian to deliver to UBS Custodial Assets which are ASX listed securities if such delivery would not cause UBS to have a 'relevant interest' for the purposes of the Corporations Act 2001 (C'th) of greater than 18% in any ASX listed entity. Subject to clauses 10.3, 10.4, 10.5 and 10.6 the Customer agrees that any Custodial Assets which UBS requests the Custodian to pay or deliver to UBS, or any Collateral, may be used by UBS for UBS's own account (including to borrow, lend, charge, re-hypothecate, dispose of or otherwise use for its own purposes) and in respect of UBS's obligations (or those of other customers of UBS) and, as a consequence, those Assets are not held by UBS for the Customer or the Custodian. UBS will have a contractual obligation to return equivalent Custodial Assets to the Custodian in accordance with clause 10.6. The Customer and the Custodian will in relation to the obligation to return equivalent Custodial Assets rank as one of UBS's general creditors in the event of UBS becoming Insolvent. Subject to clause 4.2 of the ASLA, UBS may retain all fees, profits and other benefits received in connection with such activities.

10.3 Express Authorisation for Collateral

Without limiting UBS's right to request transfer of any of the Custodial Assets under clause 10.2, the Customer expressly authorises UBS in its discretion to:

- (a) identify any Collateral as being held as margin or security against a particular obligation of the Customer under this agreement or against an UBS Transaction;
- (b) subject to clauses 10.2 and 10.5, transfer any Custodial Assets to UBS expressly as Collateral for any obligations of the Customer under this agreement or an UBS Transaction; and
- (c) transfer the proceeds of a cash advance made to the Customer to any Related Entity to satisfy any margin or security requirement of a Related Entity in relation to a Transaction (provided that the Customer and UBS have previously agreed in writing that the Transaction is a Transaction to which this clause 10.3 applies).

10.4 No Derogation from Liability to provide Collateral

The authorisation of UBS set out in clause 10.3 does not derogate from the Customer's obligation to meet a demand for Outstanding Margin Requirement under clause 5.3 or any margin or security requirement owed to a Related Entity. Unless UBS agrees otherwise in a particular case, UBS is only deemed to have agreed to transfer Custodial Assets to meet an Outstanding Margin Requirement or transferring the proceeds of a cash advance to the Customer to meet a margin or security requirement of a Related Entity upon it actually transferring those Custodial Assets or proceeds (as applicable) and is not liable for failure to do so.

10.5 Provision of Collateral

Subject to UBS's rights under clause 10.2, Collateral which is required by UBS pursuant to clause 5, if provided to the Custodian, will be held by the Custodian as bare trustee for the Customer subject to the Security. Any other Collateral provided to UBS in accordance with clause 5 will be provided to UBS in accordance with the terms and conditions of the ASLA and with the Rules. Securities delivered by the Custodian to UBS under clause 10.2 will be deemed to be provided by the Customer to UBS in accordance with the terms and conditions of the ASLA and with the Rules. UBS will become the legal and beneficial owner of those securities upon taking delivery of them from the Custodian.

10.6 Custodial Assets to be borrowed by UBS

Any Custodial Assets which UBS has the Custodian pay or deliver to it, will be borrowed by UBS from the Customer in accordance with the terms and conditions of the ASLA and with the Rules. If any of the terms of the ASLA are inconsistent with any of the terms of this agreement, this agreement prevails to the extent of the inconsistency.

10.7 Withholding Taxes on Income

If a law requires UBS to deduct an amount in respect of Taxes in relation to any income or other payments to the Customer under this agreement, the Customer authorises UBS to make such deductions without any further express instructions. UBS will pay to the Customer the amount of income or other payments net of Taxes.

11 Representations, Warranties and Acknowledgment

11.1 Customer's representations and warranties

The Customer represents and warrants to UBS that:

- (a) it has the power to enter into and perform its obligations under this agreement, and has duly executed this agreement so as to constitute valid and binding obligations of the Customer;
- (b) it has duly executed this agreement in its capacity as trustee and manager of the Scheme and for the benefit of the beneficiaries of the Scheme;
- (c) it holds such licences and authorities as are necessary to lawfully perform its obligations under this agreement;
- (d) in giving any instructions under this agreement, the Customer will act as principal;
- (e) in giving any instructions under this agreement, the Customer will act in accordance with the provisions of its constitution, the constitution of the Scheme or other constituent documents, any applicable laws and regulations and comply with any investment restrictions in any prospectus, information memorandum, investment management

**MASTER PRIME BROKERAGE
AGREEMENT**

- (b) if UBS considers it desirable (i) in order to facilitate Transactions or (ii) that UBS has collateral (or additional collateral) in relation to your obligations to UBS under this Agreement and the Customer Agreements, credit the Assets to the Transferred Assets Account.

6.3 UBS will credit all Cash to the Banking Account, and hold the Cash as banker and not as trustee, and so will not hold the Cash in accordance with the FSA's client money rules.

6.4 Assets are delivered to UBS at your risk. In the case of registrable Assets, you must deliver, together with the Assets, transfers duly executed in blank in the manner and form UBS requires.

6.5 UBS may in its absolute discretion decline to accept (in whole or in part) any securities, cash or other property tendered to it for credit to the Custody Account, Transferred Assets Account or Banking Account. UBS is not obliged to give any reason for its refusal.

6.6 If, on the relevant settlement or income payment date, UBS credits the Custody Account, Transferred Assets Account or Banking Account with Assets, Income or the proceeds of a sale, purchase or exchange of any Assets, or debits the Custody Account, Transferred Assets Account or Banking Account with the Assets or cost of any Assets, UBS may reverse any credit or debit if the relevant transaction fails to settle, or the Income is not received, on a timely basis.

6.7 Subject to the terms of this Agreement, UBS is authorised and agrees to act on all Instructions. UBS acts upon Instructions at your sole risk. UBS may for any reason refuse to act on any Instructions, including to deliver any Assets from the Custody Account or Transferred Assets Account or make any payments of Cash from the Banking Account.

7. TRANSFERRED ASSETS ACCOUNT

7.1 If UBS credits Assets to the Transferred Assets Account, all right, title and interest in those Assets passes to UBS free of all liens, charges, encumbrances and all third-party interests and rights, and UBS is obliged to deliver to you Equivalent Assets in accordance with, and subject to, the terms of this Agreement. UBS may retain for its own account all fees, profits and other benefits received in connection with any Assets credited to the Transferred Assets Account. Equivalent Assets will be delivered to you, pursuant to clause 10.1 or, at UBS's discretion, earlier, by crediting them to the Custody Account, and this Agreement applies to those assets as if they were

Assets credited to the Custody Account pursuant to clause 6.2, and UBS will debit the Transferred Assets Account accordingly.

7.2 Following any record date for payment or distribution of Income on any Assets credited to the Transferred Assets Account, UBS will credit an amount equal to or securities equivalent to the Income, after deduction of any taxes and duties payable, to either the Banking Account or Custody Account, as appropriate, as soon as reasonably practical after UBS receives the Income.

8. CUSTODY ACCOUNT

8.1 Subject to the terms of this Agreement, in relation to Assets credited by UBS to the Custody Account, UBS will:

- (a) on your behalf, hold or procure to be held to UBS's order those Assets; and
- (b) as soon as practicable after receipt of any necessary documents, procure registration of any registrable Assets in a manner permitted by the FSA Rules, which may include registration in the name of (i) due to the law or market practice of particular jurisdictions, UBS or a sub-custodian, (ii) UBS's or a sub-custodian's nominee, or (iii) any other person as you notify to UBS in writing.

At your request, UBS will notify you of those jurisdictions where registrable Assets credited to the Custody Account are currently registered in the name of UBS or a sub-custodian, and, in relation to the latter, of the name of the sub-custodian.

8.2 Subject to this Agreement, Assets credited to the Custody Account are held by UBS at your risk. Where Assets credited to the Custody Account are registered in the name of UBS, those Assets might not be segregated from UBS's own assets and, if UBS defaults, may not be as well protected from claims made on behalf of the general creditors of UBS. The consequences of you instructing UBS regarding the registration of Assets credited to the Custody Account are at your risk. You may instruct UBS in writing to hold documents of title for Assets credited to the Custody Account other than in UBS's physical possession or with an eligible custodian and you acknowledge that the consequences of doing so or of instructing UBS pursuant to clause 8.1(b)(iii) are at your risk.

8.3 In respect of Assets credited to the Custody Account which are held by a sub-custodian, UBS will, wherever possible, require that sub-custodian to record

them in its books to an account the title of which makes it clear that those Assets belong to a client of UBS.

8.4 Unless UBS has received contrary Instructions in sufficient time for UBS to act on them, UBS will, subject to this Agreement, in relation to Assets credited to the Custody Account and on your behalf:

- (a) collect, as they become payable, all interest, cash dividends and securities dividends and all other cash and securities income and cash and securities payments, with respect to such Assets, and credit the Banking Account or Custody Account on receipt, as appropriate, and, for this purpose, execute in your name any declarations of ownership or other documentation as may be required;
- (b) present for payment all such Assets which are called, redeemed or otherwise become payable and all coupons and other income items which call for payment upon presentation, in any case provided that UBS is actually aware of the opportunities, and credit the Cash, when received, to the Banking Account;
- (c) credit, on receipt, to the Custody Account all Assets received by UBS as a result of a share sub-division or re-organisation, capitalisation of reserves or otherwise with respect to Assets credited to the Custody Account; and
- (d) to the extent the issuer of the relevant assets permits, exchange interim or temporary receipts or certificates for definitive certificates, and old or overstamped certificates for new certificates.

8.5 In accordance with Instructions, UBS will, subject to this Agreement, execute and deliver, or procure to be executed and delivered, to you or as you may direct, any powers of attorney or proxies as may reasonably be required, authorising those attorneys or proxies to exercise any rights conferred by, or otherwise act in respect of, any Assets credited to the Custody Account.

8.6 UBS will use its reasonable efforts to notify you, as soon as reasonably practicable after receipt, of any notice relating to any of the Assets credited to the Custody Account, including, without limitation, notice of a tender or exchange offer or of a rights entitlement or a fractional interest resulting from a rights issue, stock dividend or stock split, but excluding notice of any general meeting of holders of securities. Unless

agreed otherwise with you, UBS is not responsible for taking any action with respect to any such notice, or for the exchange of any Asset credited to the Custody Account even if purely administrative, or for the exercise of any rights to subscribe for securities, conversion rights, voting rights or any other rights relating to those Assets or for dealing with any takeover, other offer or capital re-organisation affecting those Assets. However, for the avoidance of doubt, you have no right to vote in respect of Assets credited to the Custody Account to the extent that they are Settlement Securities that have not yet been delivered to third parties.

8.7 You authorise UBS to transfer Assets credited to the Custody Account from such account to the Transferred Assets Account (so that UBS may borrow, lend, charge, sell, transfer or otherwise use those Assets for its own purposes or the purposes of its other clients) without giving notice of this to you, and clause 7.1 applies accordingly.

8.8 You authorise UBS and UBS's sub-custodians, agents and other delegates to hold Assets credited to the Custody Account in accounts in which those Assets are commingled with assets of the same class held by the relevant person for its other clients. Where Assets are held in such an account, your rights to those Assets is not in relation to any separately identifiable securities, but rather is in relation to the same number, class, denomination and issue as those delivered to UBS, and you confirm you accept this. Where Assets credited to the Custody Account are pooled on this basis, UBS:

- (a) acknowledges that you have an equitable interest in that pool of assets (or in UBS' interest in respect of that pool) equal to the proportion which from time to time the number of Assets credited to the Custody Account (or which should have been credited) which have been pooled bears to the total number of assets in the pool (or in that part of the pool in respect of which UBS has an interest); and
- (b) may, if those Assets are called for partial redemption by their issuer, and subject to the rules or regulations pertaining to allocation of any Securities System in which those Assets have been deposited, allot or procure to be allotted the called portion to the respective beneficial holders of that class of investment in any manner UBS considers fair and equitable.

For the purposes of this clause 8.8, assets are of the same class as other assets if they are (i) of the same

light or which UBS may suffer or incur in respect of past Transactions.

PART D: SECURITY

11. CHARGE

11.1 The charge created by this clause 11 is given by you to UBS as continuing security for the payment and discharge of all your Liabilities. As security for your Liabilities, you charge to UBS by way of first fixed charge, with full title guarantee and free from any adverse interest:

- (a) all your right, title and interest in respect of the Assets (other than assets falling within paragraph (c) below) for the time being credited to the Custody Account, including without limitation any rights against any custodian, banker or other person;
- (b) all your right, title and interest in respect of assets which, or the certificates or documents of title to which, are from time to time deposited with or held by a member of UBS Group, including without limitation any rights against any custodian, banker or other person;
- (c) all your rights under this Agreement and the Customer Agreements including without limitation all rights that you have to the delivery of Equivalent Assets; and
- (d) all of your rights and interest in any amount payable to you by UBS under a Customer Agreement following termination of that Customer Agreement.

11.2 The Charge is a continuing security and is not affected in any way by any settlement of account (whether or not any Liabilities remain outstanding thereafter) or other matter and is in addition to any other current or future security, guarantee or indemnity held by UBS or any other person in respect of any or all of the Liabilities.

11.3 You acknowledge that UBS may file or register details of the Charge in appropriate jurisdictions. You must do everything commercially reasonable requested by UBS to perfect the Charge, including without limitation executing and signing promptly all documents required to vest the Charged Property in UBS or a nominee of UBS.

11.4 You undertake not to allow to continue or to create any encumbrance or security interest over the Charged Property, other than any security interests arising by operation of law, the Charge and any

interests created in favour of parties appointed under clause 23.

11.5 You by way of security irrevocably appoint UBS as your attorney on your behalf and in your name or otherwise to execute all transfers, assignments, further assurances or other documents as may reasonably be required to vest any of the Charged Property in UBS or in a person acting as nominee or otherwise on behalf of UBS or to perfect or preserve the rights and interests in respect of the Charge (including, without limitation, the institution and conduct of legal proceedings) or for the exercise by UBS of all or any of the powers, authorities and discretions conferred on UBS by this Agreement.

11.6 For all purposes, including any legal proceedings, a certificate by any officer of UBS as to the sums or Liabilities for the time being due to or incurred by UBS is conclusive in the absence of fraud or manifest error.

11.7 Sections 93 (restriction on consolidation of mortgages) and 103 (regulation of exercise of power of sale) of the Law Property Act 1925 shall not apply to this Agreement. The Liabilities shall become due for the purposes of section 101 (mortgagee powers) of the Law of Property Act 1925, and the statutory power of sale and of appointing a receiver conferred under that Act (as varied or extended under this Agreement) and all other powers shall be deemed to arise immediately after execution of this Agreement.

11.8 All rights charged by you to UBS shall secure your obligations to UBS under this Agreement and your obligations to UBS under the relevant Customer Agreements between you and UBS and under any other agreement or transaction between you and UBS. In the event of an enforcement of the Charge, UBS shall have absolute discretion to determine the order and manner in which the proceeds of sale are applied to discharge Liabilities under Customer Agreements and any other agreement or transaction between you and UBS

PART E: MARGIN

12. MARGIN REQUIREMENT

12.1 You must at all times maintain with UBS Margin equal to or greater than the aggregate of the Liabilities and any applicable Initial Margin.

12.2 Where the Margin Requirement exists and is greater than the Minimum Call amount specified in the Schedule, UBS may require you to deliver to it Acceptable Collateral of a Value (in aggregate) at least equal to or greater than the Margin Requirement by giving notice in writing to you at the address specified

("title") shall pass from one Party to the other free and clear of any liens, claims, charges or encumbrances or any other interest of the Transferring Party or of any third party (other than a lien routinely imposed on all securities in a relevant clearance system), the Party obtaining such title being obliged to redeliver Equivalent Securities or Equivalent Collateral, as the case may be. Each Transfer under this Agreement will be made so as to constitute or result in a valid and legally effective transfer of the Transferring Party's legal and beneficial title to the recipient.

- (c) Where, in respect of any transaction, any distribution is made, or Income or fee is paid, other than in cash, the provisions of this agreement (other than clause 4.2(b)) shall apply, with necessary modifications, to the same extent as if the distribution, Income or fee had been made or paid in cash, and terms such as "pay" and "amount" shall be construed accordingly.

- 1.5 **[Headings]** All headings appear for convenience only and shall not affect the interpretation of this Agreement.
- 1.6 **[Currency conversion]** For the purposes of clauses 6, 8.3 and 8.4, when a conversion into the Base Currency is required, all prices, sums or values (including any Value, Offer Value and Bid Value) of Securities, Equivalent Securities, Collateral or Equivalent Collateral (including Cash Collateral) stated in currencies other than the Base Currency shall be converted into the Base Currency at the rate quoted by an Australian bank selected by the Lender (or, if an Event of Default has occurred in relation to the Lender, by the Borrower) at or about 11.00am (Sydney time) on the day of conversion as its spot rate for the sale by the bank of the Base Currency in exchange for the relevant other currency.
- 1.7 **[Other agreements]** Where at any time there is in existence any other agreement between the Parties the terms of which make provision for the lending of Securities (as defined in this Agreement) as well as other securities, the terms of this Agreement shall apply to the lending of such Securities to the exclusion of any other such agreement.
- 1.8 **[Nominees]** If payment is made or Securities, Equivalent Securities, Collateral or Equivalent Collateral is Transferred to a Party's nominee or otherwise in accordance with the directions of a Party (whether by the other Party or by a third party), it shall be deemed, for the purposes of this agreement, to have been paid or made or Transferred to the first mentioned Party.

2 Loans of Securities

- 2.1 **[Borrowing Request and acceptance thereof]** The Lender will lend Securities to the Borrower, and the Borrower will borrow Securities from the Lender, in accordance with the terms and conditions of this Agreement and with the Rules. The terms of each Loan should be agreed prior to the commencement of the relevant Loan, either orally or in writing (including any agreed form of electronic communication) and confirmed in such form and on such basis as is agreed between the Parties. Any confirmation produced by a Party shall not supersede or prevail over the prior oral, written or electronic communication (as the case may be).
- 2.2 **[Changes to a Borrowing Request]** The Borrower has the right to reduce the amount of Securities referred to in, or otherwise vary, a Borrowing Request **provided that:**
 - (a) the Borrower has notified the Lender of such reduction or variation no later than midday Australian Eastern standard or summer (as appropriate) time on

the day which is two Business Days prior to the Settlement Date, unless otherwise agreed between the Parties, and

- (b) the Lender shall have accepted such reduction or variation (by whatever means).

3 Delivery of Securities

[Delivery of Securities] The Lender shall procure the delivery of Securities to the Borrower or deliver such Securities in accordance with the relevant agreement **together with** appropriate instruments of transfer (where necessary) duly stamped (where necessary) and such other instruments (if any) as may be requisite to vest title thereto in the Borrower. Such Securities shall be deemed to have been delivered by the Lender to the Borrower on delivery to the Borrower or as it shall direct of the relevant instruments of transfer and certificates or other documents of title (if any), or in the case of Securities title to which is registered in a computer based system which provides for the recording and transfer of title to the same by way of electronic entries (such as CHESS), on the transfer of title in accordance with the rules and procedures of such system as in force from time to time, or by such other means as may be agreed.

4 Title, Distributions and Voting

4.1 **[Passing of title]** The Parties shall execute and deliver all necessary documents and give all necessary instructions to procure that all right, title and interest in:

- (a) any Securities borrowed pursuant to clause 2;
- (b) any Equivalent Securities redelivered pursuant to clause 7;
- (c) any Collateral delivered pursuant to clause 6;
- (d) any Equivalent Collateral redelivered pursuant to clauses 6 or 7,

shall pass from one Party to the other, free from all liens, charges, equities and encumbrances, on delivery or redelivery of the same in accordance with this Agreement. In the case of Securities, Collateral, Equivalent Securities or Equivalent Collateral title to which is registered in a computer based system which provides for the recording and transfer of title to the same by way of electronic entries, delivery and transfer of title shall take place in accordance with the rules and procedures of such system as in force from time to time.

4.2 **[Distributions]**

- (a) **[Cash distributions]** Unless otherwise agreed, where Income is paid by the issuer in relation to any Securities on or by reference to an Income Payment Date on which such Securities are the subject of a loan under this Agreement, the Borrower shall, on the date of the payment of such Income, or on such other date as the Parties may from time to time agree, (the “**Relevant Payment Date**”) pay to the Lender a sum of money (a “**Substitute payment**”) equivalent to the amount that the Lender would have been entitled to receive (after any deduction, withholding or payment for or on account of any tax made by the relevant issuer (or on its behalf) in respect of such Income) had such Securities not been loaned to the Borrower and been held by the Lender on the Income Payment Date, irrespective of whether the Borrower received the same.

- (b) **[Corporate actions]** Subject to paragraph (c) (unless otherwise agreed), where, in respect of any borrowed Securities or any Collateral, any rights relating to conversion, sub-division, consolidation, pre-emption, rights arising under a takeover offer or other rights, including those requiring election by the holder for the time being of such Securities or Collateral, become exercisable prior to the redelivery of Equivalent Securities or Equivalent Collateral, then the Lender or Borrower, as the case may be, may, within a reasonable time before the latest time for the exercise of the right or option, give written notice to the other Party that, on redelivery of Equivalent Securities or Equivalent Collateral, as the case may be, it wishes to receive Equivalent Securities or Equivalent Collateral in such form as will arise if the right is exercised or, in the case of a right which may be exercised in more than one manner, is exercised as is specified in such written notice.
- (c) **[1936 Tax Act ss 26BC(3)(c)(ii) and (v) requirements]** Notwithstanding paragraph (b), where, in respect of any borrowed Securities or any Collateral, the relevant issuer company, trustee, government or government authority issues any right or option in respect of the borrowed Securities or Collateral, as the case may be, the Borrower or the Lender, respectively, must deliver or make available, as the case may be, to the other Party on the date of such issue or on such other date as the Parties may from time to time agree:
- (i) the right, or option; or
 - (ii) an identical right or option; or
 - (iii) a payment equal to the value to the Lender or the Borrower, respectively, of the right or option;
- together with any such endorsements or assignments as shall be customary and appropriate.
- (d) **[Manner of payment]** Any payment to be made by the Borrower under this clause shall be made in a manner to be agreed between the Parties.

- 4.3 **[Voting]** Unless paragraph 4 in Schedule 1 specifies that this clause 4.3 does not apply, each Party undertakes that, where it holds Securities of the same description as any Securities borrowed by it or transferred to it by way of Collateral at a time when a right to vote arises in respect of such Securities, it will use its best endeavours to arrange for the voting rights attached to such Securities to be exercised in accordance with the instructions of the other Party **provided always that** each Party shall use its best endeavours to notify the other of its instructions in writing no later than seven Business Days prior to the date upon which such votes are exercisable, or as otherwise agreed between the Parties, and that the Party concerned shall not be obliged so to exercise the votes in respect of the number of Securities greater than the number so lent or transferred to it. For the avoidance of doubt, the Parties agree that, subject as hereinbefore provided, any voting rights attaching to the relevant Securities, Equivalent Securities, Collateral and/or Equivalent Collateral shall be exercisable by the persons in whose name they are registered, or in the case of Securities, Equivalent Securities, Collateral and/or Equivalent Collateral in bearer form by the persons by or on behalf of whom they are held, and not necessarily by the Borrower or the Lender (as the case may be).

5 Fees

- 5.1 **[Fees]** In respect of each loan of Securities:

-
- (a) for which the Collateral is cash:
 - (i) the Lender must pay a fee to the Borrower in respect of the amount of that Collateral, calculated at the rate agreed between them; and
 - (ii) unless the Parties otherwise agree, the Borrower is not obliged to pay a fee to the Lender;
 - (b) for which there is no Cash Collateral, the Borrower must pay a fee to the Lender, calculated at the rate agreed between them.
- 5.2 **[Where there are different types of Collateral]** Where the Collateral comprises only partly cash, clause 5.1 is to be construed as if there were separate loans of Securities, one secured solely by Cash Collateral and the other secured solely by non-cash Collateral.
- 5.3 **[Calculation of fees]** In respect of each loan of Securities, the payments referred to in clause 5.1 of this clause shall accrue daily in respect of the period commencing on and inclusive of the Settlement Day and terminating on and exclusive of the Business Day upon which Equivalent Securities are redelivered or Cash Collateral is repaid. Unless otherwise agreed, the sums so accruing in respect of each calendar month shall be paid in arrears by the Borrower to the Lender or to the Borrower by the Lender (as the case may be) not later than the Business Day which is one week after the last Business Day of the calendar month to which such payment relates or such other date as the Parties from time to time agree. Any payment made pursuant to clause 5.1 shall be in Australian currency, unless otherwise agreed, and shall be paid in such manner and at such place as shall be agreed between the Parties.

6 Collateral

- 6.1 **[Borrower's obligation to provide Collateral]** Unless otherwise agreed, subject to the other provisions of this clause 6, the Borrower undertakes to deliver to or deposit with the Lender (or in accordance with the Lender's instructions) Collateral of the kind specified in the relevant Borrowing Request or as otherwise agreed between the Parties (together with appropriate instruments of transfer duly stamped (where necessary) and such other instruments as may be requisite to vest title thereto in the Lender) simultaneously with delivery of the Borrowed Securities by the Lender.
- 6.2 **[Global margining]**
- (a) **[Adjustments to Collateral]** Unless otherwise agreed between the Parties, subject to paragraph (b), clause 6.4 and paragraph 1.5 in Schedule 1:
 - (i) The aggregate Value of the Collateral delivered to or deposited with the Lender or its nominated bank or depository (excluding any Collateral repaid or redelivered under paragraph (ii) below (as the case may be)) in respect of **all** loans of Securities outstanding under this Agreement ("**Posted Collateral**") shall from day to day and at any time be at least the aggregate of the Required Collateral Values in respect of such loans.
 - (ii) If at any time the aggregate Value of the Posted Collateral in respect of all loans of Securities outstanding under this Agreement exceeds the aggregate of the Required Collateral Values in respect of such loans, the Lender shall (on demand) repay such Cash Collateral and/or redeliver to the Borrower such Equivalent Collateral as will eliminate the excess.

- (iii) If at any time the aggregate Value of the Posted Collateral in respect of all loans of Securities outstanding under this Agreement falls below the aggregate of Required Collateral Values in respect of all such loans, the Borrower shall (on demand) provide such further Collateral to the Lender as will eliminate the deficiency.
- (b) **[Netting of Collateral obligations where a Party is both Lender and Borrower]** Unless otherwise agreed between the Parties, subject to clause 6.4 and paragraph 1.5 in Schedule 1, where paragraph (a) applies, if a Party (the “**first Party**”) would, but for this paragraph, be required under paragraph (a) to repay Cash Collateral, redeliver Equivalent Collateral or provide further Collateral in circumstances where the other Party (the “**second Party**”) would, but for this paragraph, also be required to repay Cash Collateral, redeliver Equivalent Collateral or provide further Collateral under paragraph (a), then the Value of the Cash Collateral, Equivalent Collateral or further Collateral deliverable by the first Party (“**X**”) shall be set-off against the Value of the Cash Collateral, Equivalent Collateral or further Collateral deliverable by the second Party (“**Y**”) and the only obligation of the Parties under paragraph (a) shall be, where X exceeds Y, an obligation of the first Party, or where Y exceed X, an obligation of the second Party, (on demand) to repay Cash Collateral, redeliver Equivalent Collateral or deliver further Collateral having a Value equal to the difference between X and Y.
- 6.3 **[Required Collateral Value]** For the purposes of clause 6.2(a), the Value of the Posted Collateral to be delivered or deposited in respect of any loan of Securities, while the loan of Securities continues, shall be equal to the aggregate of the Value of the borrowed Securities and the Margin applicable thereto (the “**Required Collateral Value**”).
- 6.4 **[Time for payment/repayment of Collateral]** Except as provided in clause 6.1 or clause 6.6 or as otherwise agreed, where any Cash Collateral is to be repaid, Equivalent Collateral is to be redelivered or further Collateral is to be provided under this clause 6, it shall be paid or delivered as stated in paragraph 1.4 in Schedule 1.
- 6.5 **[Substitution of Alternative Collateral]** The Borrower may from time to time call for the repayment of Cash Collateral or the redelivery of Equivalent Collateral prior to the date on which the same would otherwise have been repayable or redeliverable, provided that, at the time of such repayment or redelivery, the Borrower shall have delivered or delivers Alternative Collateral acceptable to the Lender.
- 6.6 **[Return of Collateral/Equivalent Collateral on redelivery of Equivalent Securities]**
- (a) Cash Collateral shall be repaid and Equivalent Collateral shall be redelivered at the same time as Equivalent Securities in respect of the Securities borrowed are redelivered.
- (b) Where Collateral is provided through a book entry transfer system (such as Austraclear or RITS), the obligation of the Lender shall be to redeliver Equivalent Collateral through such book entry transfer system in accordance with this Agreement. If the loan of Securities in respect of which Collateral was provided has not been discharged when the Equivalent Collateral is redelivered, any payment obligation generated within the book entry transfer system on such redelivery shall, until the loan of Securities is discharged or further Collateral is provided, be deemed to constitute an obligation to pay Cash Collateral.

-
- 6.7 **[Receipt by Lender of Income on Collateral]** Where Collateral (other than Cash Collateral) is delivered in respect of which any Income may become payable and an Income Payment Date in respect of that Collateral occurs prior to the redelivery of Equivalent Collateral, then, unless such Income is paid directly to the Borrower, the Lender shall, on the date on which such Income is paid or on such other date as the Parties may from time to time agree, pay to the Borrower a sum of money (a “**Substitute payment**”) equivalent to the amount of such Income that (after any deduction, withholding or payment for or on account of any tax made by the relevant issuer (or on its behalf) in respect of such Income) the Lender either actually received, or would have been entitled to receive had such Collateral been held by the Lender on the Income Payment Date, irrespective of whether the Lender received the same. If the Lender is required by law, as modified by the practice of any relevant taxing authority, to make any deduction or withholding from any Substitute payment to be made under the preceding sentence, then the Lender must:
- (a) promptly pay to the relevant taxing authority the full amount of the deduction or withholding; and
 - (b) forward to the Borrower on request a copy of any official receipt or other evidence showing that the full amount of any such deduction or withholding has been paid over to the relevant taxing authority.
- 6.8 **[Borrower’s rights re Collateral are not assignable]** The Borrower may not assign, transfer or otherwise dispose of, or mortgage, charge or otherwise encumber, or otherwise deal with its rights in respect of any Collateral without the prior written consent of the Lender.
- 6.9 **[Lender may set off obligation to repay or return Equivalent Collateral]** If the Borrower fails to comply with its obligation to redeliver Equivalent Securities, the obligation of the Lender in respect of any Collateral may be the subject of a set-off in accordance with clause 8.
- 6.10 **[Collateral provided to Lender’s Nominee]** Without limiting clause 1.8, where Collateral is provided to the Lender’s nominee, any obligation under this Agreement to repay or redeliver or otherwise account for Equivalent Collateral shall be an obligation of the Lender, notwithstanding that any such repayment or redelivery may be effected in any particular case by the nominee.
- 6.11 **[Letters of Credit]** If the Collateral in respect of one or more loans of Securities is or includes a letter of credit, the Lender may only draw down under that letter of credit when an Event of Default occurs in relation to the Borrower and, upon the Lender drawing down, whether or not permitted under this clause 6.11, the Collateral (or that part of it represented by the letter of credit) becomes cash Collateral.
- 6.12 **[Non-Cash Collateral]** If the Collateral in respect of one or more loans of Securities is or includes other Securities and either the Borrower is a taxpayer to whom the Tax Act applies in respect of the disposal of those other Securities or in any other case the Parties so agree:
- (a) The Parties acknowledge that the provision of those other Securities is by way of a loan of Securities under this Agreement, to which section 26BC(3)(a) of the 1936 Tax Act may apply (subject to the re-acquisition time being less than 12 months after the original disposal time).
 - (b) For the purposes of section 26BC(3)(d) of the 1936 Tax Act, the notifiable consideration in respect of the provision of those Securities by way of loan is specified as follows:

- (i) There is no fee.
 - (ii) There is no adjustment for variations in the market value of the Collateral or Equivalent Collateral.
 - (iii) There is other consideration: see the obligations of the recipient of the Collateral under clauses 4.2(b), 4.2(c), 4.3 and 6.7.
- (c) For the avoidance of doubt, this clause 6.12 is directed solely at clarifying either or both of the following issues: that the provision of the other Securities as Collateral is eligible for the application of first section 26BC and secondly, where applicable, the successor to sections 160AQUA and 160AQUA of the 1936 Tax Act. Accordingly, clauses 2, 4.2(a), 5, 6.1 to 6.11, 7, 8, 9.1, 9.2 (unless otherwise agreed), 9.4 and 12 do not apply to any loan of Securities under paragraph (a). Instead, those Securities are simply to be regarded as Collateral for the purposes of those clauses.

7 Redelivery of Equivalent Securities

- 7.1 **[Borrower's obligation to redeliver Equivalent Securities]** The Borrower undertakes to redeliver Equivalent Securities in accordance with this Agreement and the terms of the relevant Borrowing Request.
- 7.2 **[Lender may call for redelivery of Equivalent Securities]** Subject to clause 8 and the terms of the relevant Borrowing Request, the Lender may call for the redelivery of all or any Equivalent Securities at any time by giving notice on any Business Day of not less than the Standard Settlement Time for such Equivalent Securities or the equivalent time on the exchange or in the clearing organisation through which the relevant borrowed Securities were originally delivered. The Borrower shall as hereinafter provided redeliver such Equivalent Securities not later than the expiry of such notice in accordance with the Lender's instructions.
- 7.3 **[Lender may terminate loan if Borrower defaults]** If the Borrower does not redeliver Equivalent Securities in accordance with such call, the Lender may elect to continue the loan of Securities ; **provided that**, if the Lender does not elect to continue the loan, the Lender may by written notice to the Borrower elect to terminate the relevant loan. Upon the expiry of such notice the provisions of clauses 8.2 to 8.5 shall apply as if upon the expiry of such notice an Event of Default had occurred in relation to the Borrower (who shall thus be the Defaulting Party for the purposes of this Agreement) and as if the relevant loan were the only loan outstanding.
- 7.4 **[Consequence of exercise of "buy-in" against Lender, as a result of Borrower default]** In the event that, as a result of the failure of the Borrower to redeliver Equivalent Securities to the Lender in accordance with this Agreement, a "buy-in" is exercised against the Lender, then, provided that reasonable notice has been given to the Borrower of the likelihood of such a "buy-in", the Borrower shall account to the Lender for the total costs and expenses reasonably incurred by the Lender as a result of such "buy-in".
- 7.5 **[Right of Borrower to terminate loan early]** Subject to the terms of the relevant Borrowing Request, the Borrower shall be entitled at any time to terminate a particular loan of Securities and to redeliver all and any Equivalent Securities due and outstanding to the Lender in accordance with the Lender's instructions.

Master Securities Loan Agreement

2000 Version

and _____

1. Applicability.

From time to time the parties hereto may enter into transactions in which one party ("Lender") will lend to the other party ("Borrower") certain Securities (as defined herein) against a transfer of Collateral (as defined herein). Each such transaction shall be referred to herein as a "Loan" and, unless otherwise agreed in writing, shall be governed by this Agreement, including any supplemental terms or conditions contained in an Annex or Schedule hereto and in any other annexes identified herein or therein as applicable hereunder. Capitalized terms not otherwise defined herein shall have the meanings provided in Section 25.

2. Loans of Securities.

2.1 Subject to the terms and conditions of this Agreement, Borrower or Lender may, from time to time, seek to initiate a transaction in which Lender will lend Securities to Borrower. Borrower and Lender shall agree on the terms of each Loan (which terms may be amended during the Loan), including the issuer of the Securities, the amount of Securities to be lent, the basis of compensation, the amount of Collateral to be transferred by Borrower, and any additional terms. Such agreement shall be confirmed (a) by a schedule and receipt listing the Loaned Securities provided by Borrower to Lender in accordance with Section 3.2, (b) through any system that compares Loans and in which Borrower and Lender are participants, or (c) in such other manner as may be agreed by Borrower and Lender in writing. Such confirmation (the "Confirmation"), together with the Agreement, shall constitute conclusive evidence of the terms agreed between Borrower and Lender with respect to the Loan to which the Confirmation relates, unless with respect to the Confirmation specific objection is made promptly after receipt thereof. In the event of any inconsistency between the terms of such Confirmation and this Agreement, this Agreement shall prevail unless each party has executed such Confirmation.

2.2 Notwithstanding any other provision in this Agreement regarding when a Loan commences, unless otherwise agreed, a Loan hereunder shall not occur until the Loaned Securities and the Collateral therefor have been transferred in accordance with Section 15.

3. Transfer of Loaned Securities.

- 3.1 Unless otherwise agreed, Lender shall transfer Loaned Securities to Borrower hereunder on or before the Cutoff Time on the date agreed to by Borrower and Lender for the commencement of the Loan.
- 3.2 Unless otherwise agreed, Borrower shall provide Lender, for each Loan in which Lender is a Customer, with a schedule and receipt listing the Loaned Securities. Such schedule and receipt may consist of (a) a schedule provided to Borrower by Lender and executed and returned by Borrower when the Loaned Securities are received, (b) in the case of Securities transferred through a Clearing Organization which provides transferors with a notice evidencing such transfer, such notice, or (c) a confirmation or other document provided to Lender by Borrower.
- 3.3 Notwithstanding any other provision in this Agreement, the parties hereto agree that they intend the Loans hereunder to be loans of Securities. If, however, any Loan is deemed to be a loan of money by Borrower to Lender, then Borrower shall have, and Lender shall be deemed to have granted, a security interest in the Loaned Securities and the proceeds thereof.

4. Collateral.

- 4.1 Unless otherwise agreed, Borrower shall, prior to or concurrently with the transfer of the Loaned Securities to Borrower, but in no case later than the Close of Business on the day of such transfer, transfer to Lender Collateral with a Market Value at least equal to the Margin Percentage of the Market Value of the Loaned Securities.
- 4.2 The Collateral transferred by Borrower to Lender, as adjusted pursuant to Section 9, shall be security for Borrower's obligations in respect of such Loan and for any other obligations of Borrower to Lender hereunder. Borrower hereby pledges with, assigns to, and grants Lender a continuing first priority security interest in, and a lien upon, the Collateral, which shall attach upon the transfer of the Loaned Securities by Lender to Borrower and which shall cease upon the transfer of the Loaned Securities by Borrower to Lender. In addition to the rights and remedies given to Lender hereunder, Lender shall have all the rights and remedies of a secured party under the UCC. It is understood that Lender may use or invest the Collateral, if such consists of cash, at its own risk, but that (unless Lender is a Broker-Dealer) Lender shall, during the term of any Loan hereunder, segregate Collateral from all securities or other assets in its possession. Lender may Retransfer Collateral only (a) if Lender is a Broker-Dealer or (b) in the event of a Default by Borrower. Segregation of Collateral may be accomplished by appropriate identification on the books and records of Lender if it is a "securities intermediary" within the meaning of the UCC.
- 4.3 Except as otherwise provided herein, upon transfer to Lender of the Loaned Securities on the day a Loan is terminated pursuant to Section 6, Lender shall be obligated to transfer the Collateral (as adjusted pursuant to Section 9) to Borrower no later than the Cutoff Time on such day or, if such day is not a day on which a transfer of such Collateral may be effected under Section 15, the next day on which such a transfer may be effected.
- 4.4 If Borrower transfers Collateral to Lender, as provided in Section 4.1, and Lender does not transfer the Loaned Securities to Borrower, Borrower shall have the absolute right to the return of the Collateral; and if Lender transfers Loaned Securities to Borrower and

Borrower does not transfer Collateral to Lender as provided in Section 4.1, Lender shall have the absolute right to the return of the Loaned Securities.

- 4.5 Borrower may, upon reasonable notice to Lender (taking into account all relevant factors, including industry practice, the type of Collateral to be substituted, and the applicable method of transfer), substitute Collateral for Collateral securing any Loan or Loans; provided, however, that such substituted Collateral shall (a) consist only of cash, securities or other property that Borrower and Lender agreed would be acceptable Collateral prior to the Loan or Loans and (b) have a Market Value such that the aggregate Market Value of such substituted Collateral, together with all other Collateral for Loans in which the party substituting such Collateral is acting as Borrower, shall equal or exceed the agreed upon Margin Percentage of the Market Value of the Loaned Securities.
- 4.6 Prior to the expiration of any letter of credit supporting Borrower's obligations hereunder, Borrower shall, no later than the Extension Deadline, (a) obtain an extension of the expiration of such letter of credit, (b) replace such letter of credit by providing Lender with a substitute letter of credit in an amount at least equal to the amount of the letter of credit for which it is substituted, or (c) transfer such other Collateral to Lender as may be acceptable to Lender.

5. Fees for Loan.

- 5.1 Unless otherwise agreed, (a) Borrower agrees to pay Lender a loan fee (a "Loan Fee"), computed daily on each Loan to the extent such Loan is secured by Collateral other than cash, based on the aggregate Market Value of the Loaned Securities on the day for which such Loan Fee is being computed, and (b) Lender agrees to pay Borrower a fee or rebate (a "Cash Collateral Fee") on Collateral consisting of cash, computed daily based on the amount of cash held by Lender as Collateral, in the case of each of the Loan Fee and the Cash Collateral Fee at such rates as Borrower and Lender may agree. Except as Borrower and Lender may otherwise agree (in the event that cash Collateral is transferred by clearing house funds or otherwise), Loan Fees shall accrue from and including the date on which the Loaned Securities are transferred to Borrower to, but excluding, the date on which such Loaned Securities are returned to Lender, and Cash Collateral Fees shall accrue from and including the date on which the cash Collateral is transferred to Lender to, but excluding, the date on which such cash Collateral is returned to Borrower.
- 5.2 Unless otherwise agreed, any Loan Fee or Cash Collateral Fee payable hereunder shall be payable:
- (a) in the case of any Loan of Securities other than Government Securities, upon the earlier of (i) the fifteenth day of the month following the calendar month in which such fee was incurred and (ii) the termination of all Loans hereunder (or, if a transfer of cash in accordance with Section 15 may not be effected on such fifteenth day or the day of such termination, as the case may be, the next day on which such a transfer may be effected); and
 - (b) in the case of any Loan of Government Securities, upon the termination of such Loan and at such other times, if any, as may be customary in accordance with market practice.

Notwithstanding the foregoing, all Loan Fees shall be payable by Borrower immediately in the event of a Default hereunder by Borrower and all Cash Collateral Fees shall be payable immediately by Lender in the event of a Default by Lender.

6. Termination of the Loan.

- 6.1 (a) Unless otherwise agreed, either party may terminate a Loan on a termination date established by notice given to the other party prior to the Close of Business on a Business Day. The termination date established by a termination notice shall be a date no earlier than the standard settlement date that would apply to a purchase or sale of the Loaned Securities (in the case of a notice given by Lender) or the non-cash Collateral securing the Loan (in the case of a notice given by Borrower) entered into at the time of such notice, which date shall, unless Borrower and Lender agree to the contrary, be (i) in the case of Government Securities, the next Business Day following such notice and (ii) in the case of all other Securities, the third Business Day following such notice.
- (b) Notwithstanding paragraph (a) and unless otherwise agreed, Borrower may terminate a Loan on any Business Day by giving notice to Lender and transferring the Loaned Securities to Lender before the Cutoff Time on such Business Day if (i) the Collateral for such Loan consists of cash or Government Securities or (ii) Lender is not permitted, pursuant to Section 4.2, to Retransfer Collateral.
- 6.2 Unless otherwise agreed, Borrower shall, on or before the Cutoff Time on the termination date of a Loan, transfer the Loaned Securities to Lender; provided, however, that upon such transfer by Borrower, Lender shall transfer the Collateral (as adjusted pursuant to Section 9) to Borrower in accordance with Section 4.3.

7. Rights in Respect of Loaned Securities and Collateral.

- 7.1 Except as set forth in Sections 8.1 and 8.2 and as otherwise agreed by Borrower and Lender, until Loaned Securities are required to be redelivered to Lender upon termination of a Loan hereunder, Borrower shall have all of the incidents of ownership of the Loaned Securities, including the right to transfer the Loaned Securities to others. Lender hereby waives the right to vote, or to provide any consent or to take any similar action with respect to, the Loaned Securities in the event that the record date or deadline for such vote, consent or other action falls during the term of the Loan.
- 7.2 Except as set forth in Sections 8.3 and 8.4 and as otherwise agreed by Borrower and Lender, if Lender may, pursuant to Section 4.2, Retransfer Collateral, Borrower hereby waives the right to vote, or to provide any consent or take any similar action with respect to, any such Collateral in the event that the record date or deadline for such vote, consent or other action falls during the term of a Loan and such Collateral is not required to be returned to Borrower pursuant to Section 4.5 or Section 9.

8. Distributions.

- 8.1 Lender shall be entitled to receive all Distributions made on or in respect of the Loaned Securities which are not otherwise received by Lender, to the full extent it would be so entitled if the Loaned Securities had not been lent to Borrower.

amount of the Trust's discount capital gain. Where you are an individual, trust or complying superannuation fund, the grossed-up amount may, after you apply any carried forward and current year capital losses, be reduced by the applicable discount percentage (discussed under the heading "Discount CGT treatment" above).

Stock Borrow Agreement

Any Stock Borrow Fee derived under the Stock Borrow Agreement should be included in your assessable income at the time of derivation.

Disposal of Borrowed Securities under the Stock Borrow Agreement

Where the Stock Borrow Agreement is a section 26BC-complying securities lending arrangement, you will be taxed as if the stock had not been lent to UBS. For example, any capital gain or loss on the disposal of the Borrowed Securities to UBS under the Stock Borrow Agreement will be disregarded for tax purposes, re-delivery of the Equivalent Securities within the required 12 month period will not give rise to any tax consequences, and the cost base and reduced cost base and acquisition date of the Equivalent Securities will be taken to be the same as the Borrowed Securities.

Similarly, you will be taxed on distributions in respect of the Borrowed Securities as if you had continued to hold the Borrowed Securities. If UBS pays the distribution to you, you will not by reason of the Stock Borrow Agreement be prevented from being entitled to franking credits in respect of ordinary distributions on the Borrowed Securities. In these circumstances UBS may provide you with a transfer of distribution statement. Alternatively, if UBS makes a payment to you of an amount equivalent to the distribution, UBS may pay an additional amount to compensate you for any forgone franking credits.

Bonus shares, rights and options

Where a corporate action occurs in relation to the Borrowed Securities that results in a distribution being made (eg an issue of rights or options or issue of bonus shares) that UBS transfers to you, the taxation consequences will be the same as if you held the Borrowed Securities at all relevant times. Where UBS instead pays the value of any bonus share, right or option, you will be treated as if it had received the bonus share, right or option in respect of the Borrowed Securities and had disposed of that asset for an amount equal to the payment.

Takeovers or repurchases

Where UBS redelivers Borrowed Securities prior to a corporate action that results in the Borrowed Securities changing in some way or ending (eg a takeover or merger), you will hold any such Borrowed Securities at the time the corporate action occurs and will be subject to the ordinary tax consequences arising from the relevant corporate action. In the event that the Borrowed Securities are not redelivered to you prior to such a corporate action occurring, the tax consequences outlined in under the heading "Failure to re-deliver Borrowed Securities" would arise.

Failure to redeliver Borrowed Securities

In the event that UBS fails to redeliver the Borrowed Securities within 12 months of the date of the borrowing (or fails to redeliver the Borrowed Securities prior to a corporate action that results in the Borrowed Securities changing in some way or ending), the Stock Borrow Agreement will not comply with section 26BC of the Tax Act and the concessional taxation treatment outlined above will not be available. In these circumstances:

- you will be treated as having disposed of the Borrowed Securities on the date of the Stock Borrow Agreement and will realise a capital gain or loss at that time equal to the difference between the market value of the Borrowed Securities at the time of disposal and your cost base or reduced cost base in the Borrowed Securities;
- you will not be entitled to any franking credits in respect of distributions made in respect of the Borrowed Securities, however under the terms of the Stock Borrow Agreement, UBS may still be required to compensate you for any franking credits forgone;

- re-delivery of the Borrowed Securities will constitute an acquisition of a new CGT asset on the date of entry into the Stock Borrow Agreement and discount CGT treatment will be available only if the redelivered securities are held for at least 12 months; and
- none of the days you held the Borrowed Securities at risk prior to entry into the Stock Borrow Agreement will be taken into account when determining whether you are a qualified person in respect of distributions paid in respect of the redelivered securities.

Fees

The Loan Establishment Fee may be deductible to you under section 25-25 of the Tax Act over the lesser of five years and the period from the date on which the Loan is drawn down to when it is repaid, to the extent that you use the Loan for the purpose of producing assessable income in the income year in which a deduction is sought.

Where you are required to pay a Facility Adjustment Fee as consideration for UBS accepting a request to adjust the Facility Amount, the Facility Adjustment Fee should be characterised as a borrowing cost, except to the extent that it is determined to be reasonably attributable to capital protection. In the latter case, the Facility Adjustment Fee should be aggregated with the Interest on the Loan in order to determine the amount reasonably attributable to capital protection in the manner described under the heading "Deductibility of Interest on the Loan" above. To the extent the Facility Adjustment Fee is reasonably attributable to capital protection, it may be regarded as a cost of acquiring the notional put option described under the heading "Notional put option" above.

To the extent the Facility Adjustment Fee is not reasonably attributable to capital protection, the Facility Adjustment Fee may be deductible to you under section 25-25 of the Tax Act over the lesser of five years and the period from the date on which the Loan is drawn down to when it is repaid, where you use the Loan for the purpose of producing assessable income in the income year in which a deduction is sought.

Where you only draw down part of the Facility Amount during the Term, you may not be immediately entitled to a deduction for the whole of the Loan Establishment Fee or Facility Adjustment Fee (as apportioned in accordance with section 25-25). Rather, you may only be entitled to deductions for that part of the Establishment Fee or Facility Adjustment Fee that is referable to the part of the Facility Amount that is drawn down and used for income-producing purposes at that time. You may be entitled to deduct the remainder of the Establishment Fee or Facility Adjustment Fee in the income year in which the remainder of the Available Amount is drawn down and used for income-producing purposes.

Any break costs payable by you on early termination or repayment of a Loan prior to the final Interest Payment Date should be allowable as a deduction to the extent that those amounts are incurred to reduce or eliminate your deductible Interest expense. Conversely, any amount payable by UBS to you as a refund of prepaid Interest on an early termination or repayment may be assessable to you to the same extent that Interest on the Loan is deductible to you. The remainder of the payment may be considered a recoupment of part of the cost of the notional put option, with the cost base of the notional put option reduced accordingly.

Brokerage fees payable upon sale of any Underlying Securities should be included in the cost base of the Underlying Securities disposed of as an incidental cost of ownership or disposal.

Any Arrangement Fee payable on using the Exercise and Sale Facility should be included in the cost base of the shares acquired from UBS.

Transfer of existing Underlying Securities as security for Loan

Where you transfer Underlying Securities already held by you as security for the Loan, this may affect the tax treatment of the Loan in relation to the following:

- the deductibility of Interest on the Loan will depend on the use to which the Loan funds are put – discussed under the heading "Deductibility of Interest on the Loan" above;
- the timing of deductions for Interest on the Loan may also depend on the use to which the Loan funds are put – discussed under the heading "Deductibility of Interest on the Loan" above;

- (c) Subject to paragraph (d), where in respect of any Borrowed Securities any rights relating to the conversion, subdivision, consolidation, pre-emption, rights arising under a takeover offer or other rights, including those requiring election by the holder for the time being of such Borrowed Securities, become exercisable prior to the redelivery of the Equivalent Securities then, on redelivery of Equivalent Securities UBS will deliver Equivalent Securities in such form as will arise if the right is exercised or, in the case of a right which may be exercised in more than one manner, is exercised as specified by UBS.
- (d) Notwithstanding paragraph (c), where in respect of any Borrowed Securities the relevant Issuer issues any right or option in respect of the Borrowed Securities, UBS must deliver or make available to you on the date determined by UBS:
 - (i) the right, or option; or
 - (ii) an identical right or option; or
 - (iii) a payment equal to the value to you of the right or option (as determined by UBS in its discretion);

together with any such endorsements or assignments as shall be customary and appropriate.

- (e) If UBS is required to make any payment to acquire or exercise any right or option which it is obliged to acquire or exercise under the provisions of this clause 38 you must indemnify UBS for the amount of any such payment.
- (f) If a call in respect of Borrowed Securities that are not fully paid is announced to the ASX by the relevant Issuer, then UBS will notify you of the call. On receipt of such notification, you must pay to UBS the amount referred to in such call in respect of the Borrowed Securities no later than 5 Business Days before the date that is the last day that payment for the call can be made, in which case the Borrowed Securities, as adjusted for the call amount having been paid, will be taken to be Equivalent Securities with respect to the relevant Stock Loan, without prejudice to any other right a party may have under this Agreement.
- (g) In the case of a conversion, subdivision or consolidation of the Borrowed Securities, the securities into which the Borrowed Securities have been converted, subdivided or consolidated will be taken to be Equivalent Securities with respect to the relevant Stock Loan, without prejudice to any other right a party may have under this Agreement.
- (h) If:
 - (i) an event of a kind specified in this clause 38 occurs, and UBS considers that any of the provisions of this clause 38 are not appropriate in any particular situation; or
 - (ii) an event occurs which is not dealt with in this clause 38 which UBS considers should have been dealt with,

UBS may:

- (iii) make, or refrain from making, any adjustment to the Borrowed Securities as UBS considers appropriate, and determine the effective date of such adjustment; or
 - (iv) re-deliver the Equivalent Securities.
- (i) If, pursuant to this Agreement, UBS may require you to take any action in respect of any Securities (including pay any call, instalments or other monies, acquire or dispose of rights, sell, dispose, redeem, make any adjustment to or otherwise deal with Securities) those rights will apply equally to the manner in which you exercise your rights pursuant to any Stock Loan, with the intent that the Equivalent Securities will be adjusted in an equivalent manner to the way in which the corresponding Securities would have been adjusted in the event that they were not Borrowed Securities.

39. Redelivery of Equivalent Securities

- (a) UBS undertakes to redeliver Equivalent Securities to you at the earlier of the time agreed under clause 36(a) and 360 days after the date of delivery by you of the Borrowed Securities to UBS.
- (b) UBS also undertakes to redeliver Equivalent Securities at such times, in such number and in such manner as to enable you to comply with your obligations and to exercise your rights pursuant to the terms of any other Transaction between you and UBS under the Agreement. For the avoidance of doubt, and without limitation, UBS undertakes to redeliver Equivalent Securities to you:
 - (i) where the Borrowed Securities secured your obligations under a Loan – immediately before the Maturity Date for the Loan;
 - (ii) where the Borrowed Securities secured your obligations under an Option – immediately before the Maturity Date for the Option;
 - (iii) where an Early Termination Date (including as a result of an Event of Default occurring) occurs in relation to a Transaction secured by the Borrowed Securities – immediately before the Early Termination Date.
- (c) You may provide notice to UBS on any Business Day that you require any or all of the Equivalent Securities to be redelivered, in which case UBS must redeliver the Equivalent Securities specified in the notice to you in not less than the time in which transactions in the Equivalent Securities are customarily settled in accordance with the ASX Market Rules.
- (d) UBS may at any time terminate a particular Stock Loan and redeliver the Equivalent Securities due and outstanding to you under the Stock Borrow Agreement.

40. Stock Borrow Fee and Notifiable consideration

- (a) On the drawdown date of each Stock Loan, UBS may pay you a Stock Borrow Fee. Unless otherwise specified, no Stock Borrow Fee is payable.
- (b) UBS may reduce the premium payable by you in respect of an Option or the Interest Amount payable by you under a Loan by an amount equal to any Stock Borrow Fee.
- (c) For the purposes of section 26BC(3)(d) of the Income Tax Assessment Act (Cth) 1936 the “notifiable consideration” in respect of the Stock Borrow Agreement under this Part F is:
 - (i) a fee – where applicable, the Stock Borrow Fee
 - (ii) other consideration – where applicable, a reduction in the premium payable by you in respect of an Option or the Interest Amount payable by you in respect of the Loan.
 - (iii) other consideration – UBS's obligations to pay the amounts and/or to deliver the property set out in clause 38.

41. Securities Owner Warranty

- (a) You agree that you will not dispose of (by transfer, declaration of trust or otherwise) your right to receive any part of the total consideration to be given by UBS under this Stock Borrow Agreement being the right to redelivery of the Equivalent Securities under clause 39 and the notifiable consideration in clause 40.
- (b) Notwithstanding anything else in this Agreement, UBS indemnifies you for all brokerage, charges and stamp duty incurred by you as a result of UBS borrowing Borrowed Securities under the Stock Borrow Agreement.

Appendix 1 – Stock Borrow Agreement

Stock Borrow Agreement

In certain circumstances, UBS may need to borrow your Underlying Securities under a Stock Borrow Agreement (**Borrowed Securities**). When UBS provides price protection for your Underlying Securities (whether explicit under an Option or implicit under a Loan), it has to offset its risk by selling securities and dynamically managing this “short” position throughout the term of the Option or Loan. UBS must be able to borrow securities to cover the settlement of hedging transactions that it has executed, and if this borrow is difficult to access in the broader market at a reasonable price, then UBS will seek to borrow your Underlying Securities to cover its hedging activities.

The terms of the Stock Borrow Agreement are contained in Part F of the Agreement. The intention is that a Stock Loan on these terms will be in compliance with s.26BC of the Income Tax Assessment Act 1936 but you should seek independent tax advice to confirm this. For general information on the tax implications of a Stock Borrow Agreement, please see the Taxation Summary in Section 11.

If UBS does borrow your Underlying Securities under a Stock Borrow Agreement, it will have the following implications for you:

- the Borrowed Securities will no longer be held by the Nominee for you – instead you will have a right to receive those Borrowed Securities (or Equivalent Securities) from UBS at the Maturity of the Stock Borrow Agreement.
- In the event that a Corporate Action occurs, your right to receive Underlying Securities may also be adjusted in accordance with the Agreement in Section 13, such that you may receive equivalent Underlying Securities instead or an adjusted number of Underlying Securities.
- you will no longer be entitled to voting rights on the Borrowed Securities as they are no longer held by the Nominee on your behalf.
- your dividends or distributions will be paid to you by UBS directly, rather than via the Nominee. If you are a qualifying Australian resident then you will either receive a franking statement or these dividends or distributions will be grossed up for any attached franking credits.

The Stock Borrow Agreement will not impact on the effectiveness of any protection strategy that you have implemented under the Option Facility. If, say, you buy a Put Option and you lend your Underlying Securities to UBS during the term of the Option, then at Maturity, UBS will be obliged to return equivalent Underlying Securities to you under the Stock Borrow Agreement, so if the Market Price is below the Strike Price, you can still sell the Underlying Securities to UBS through an exercise of the Put Option and receive the Strike Price per Put Option.

UBS will notify you in writing if we have borrowed your Underlying Securities. Any payment made to you for borrowing your Underlying Securities will be netted against either your Premium Amount (in the case where you have entered into an Option) or your Interest Amount (in the case of a Loan).
