Based on this estimate, together with the interim distribution of 16.5 cents paid in March 2011, total distributions for the 2011 financial year will be 34.4 cents per security. That represents an increase of 5.0 per cent over the previous year's distributions, consistent with APA's guidance for this year's total distributions.

The actual amount of the final distribution, and its tax deferred status, will be determined following finalisation of the 2011 financial results, which are due for release on 24 August 2011.

The key dates for the final distribution are:

Securites trade ex distribution	24 June 2011
Record Date	30 June 2011
Payment Date	15 September 2011

The Distribution Reinvestment Plan (DRP) will operate for this distribution at a discount of 2.5%. The DRP issue price for this distribution will be based on the volume weighted average price of APA's securities traded on the ASX for the ten trading days ending on 8 September 2011, less the discount.

Securityholders may elect to participate in the DRP, or vary their participation, by notice in writing to APA's registry Link Market Services Limited. Forms can be downloaded from APA's website www.apa.com.au or requested by contacting APA's registry on 1800 992 312, and must be received by the Record Date (30 June 2011) to apply to this distribution.
