### **Continuous Disclosure**

### **FY2011 Profit Guidance**

**Sydney, July 7, 2011** - Integrated Research ("IR") is in the early stages of preparing its financial statements for the year ending 30 June 2011. IR is pleased to announce, based on internal management accounts and subject to audit, the Company anticipates its profit after tax for the financial year ending 30 June 2011 to be in the range of \$7.1 million to \$7.5 million compared to \$5.4 million for the prior financial year. This has been brought about by increased new licence sales in both the IP Telephony and HP-Nonstop product lines.

This statement is made for market guidance, but IR does not expect to make any further comment until the accounts have been finalised and approved for release to the ASX (anticipated announcement date: 18 August 2011).

By authority of the Board,
