A. 4 Deemed interest of S&G arising under terms of Employee Ownership Plan (EOP)

From 1 July 2010, some employees under the EOP reached the Restriction Termination Date (being the date by which EOP shares are released from sale/disposal restrictions, subject to the employee repaying the loan for the issue price to the Company). The Company notifies these shares as released from sale/disposal restrictions as a group, although this remains subject to employees repaying their loans to the Company. Individual employees have a further period of up to 3 years, depending on the date of issue of their shares, to repay their loans to the Company. The Company has decided to adopt a reporting structure notifying the release from sale/disposal restrictions as a group at the point of the Restriction Termination Date, or shortly after depending on the timing of the annual performance review process and provision of the required 10 days notice of the release of escrow to ASX.
