Transportable Buildings Contract

Fleetwood has entered into a Supply Agreement with BHP Billiton Iron Ore for the manufacture of transportable buildings for its expansion projects located at various sites throughout the Pilbara region of Western Australia. The agreement has an initial term of five years with the first delivery of buildings scheduled for November 2011.

The agreement requires Fleetwood to manufacture up to 240 ancillary building floors per annum with provision to increase this amount by agreement. Buildings to be manufactured include ablutions, security offices, crib rooms and administration units.

The buildings will be manufactured at the company's High Wycombe facility in Perth.
