How to Vote on Items of Business

All your securities will be voted in accordance with your directions.

Appointment of Proxy

Voting 100% of your holding: Direct your proxy how to vote by marking one of the boxes opposite each item of business. If you do not mark a box your proxy may vote as they choose except in relation to Items 2 and 4 where you have appointed a member of the key management personnel of the Company or one of their closely related parties as your proxy, in which case, your proxy will not be voted on these items. If you mark more than one box on an item your vote will be invalid on that item.

Voting a portion of your holding: Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

Appointing a second proxy: You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf. Default to the Chairman of the Meeting: Any directed proxies that are not voted on a poll at the meeting will automatically default to the Chairman of the Meeting, who is required to vote proxies as directed. Proxy voting by key management personnel: The key management personnel of Growthpoint Properties (which includes each of the directors) and their closely related parties will not be able to vote your proxy on Items 2 and 4 unless you direct them how to vote. If you intend to appoint a member of the key management personnel or one of their closely related parties as your proxy, please ensure that you direct them how to vote on each of Items 2 and 4. If you intend to appoint the Chairman of the Meeting as your proxy, you can direct him how to vote by either marking the boxes for Items 2 and 4, or by marking the Chairman's box on the proxy form (in which case the Chairman of the Meeting will vote in favour of these items of business).

A proxy need not be a securityholder of the Company.

Joint Holding: Where the holding is in more than one name, all of the securityholders should sign.
