MATRIX COMPOSITES & ENGINEERING LTD ANNOUNCES NEW ORDERS

"Matrix is pleased to announce the recent receipt of orders and commitments totalling \$61m, of which \$47m relates to the production of riser buoyancy for various clients. A further \$14m in orders have been received for the supply of iron ore car dumper components, drilling centralisers and various other products and services.

At the present time the Matrix Group has \$105m in unfulfilled orders scheduled for delivery through to February 2013. Quoting activity remains busy with a total of \$560m in outstanding submissions under consideration.

The newly commissioned Henderson plant is performing well and remains capable of meeting customer needs".
