

## **COMPANY ANNOUNCEMENT**

24 November, 2011

### **Nufarm Finance (NZ) Limited**

Further to the announcement of its parent ,Nufarm Limited yesterday ('Nufarm completes execution of refinancing documentation'), Nufarm Finance (NZ) Limited announces that it has, together with certain other Nufarm Limited subsidiaries, entered into and restated a group cross guarantee of the obligations under the syndicated bank facility with a number of Australian and foreign financial institutions.

The restated and amended facility will provide a three year AUS\$625 million facility which will provide lines of credit to support Nufarm Limited's working capital and general corporate financing requirements, including those of its subsidiaries.
