

2 December 2011

GREENCROSS LIMITED (ASX: GXL) Announcement

Greencross Completes Acquisition of Barolin Veterinary Hospital

Greencross aims to be the leading provider of veterinary services in Australia by setting its sights on further expansion.

Further to the announcement of 15 November 2011, Greencross can confirm that it has completed the acquisitions of the Barolin Veterinary Hospital. This takes the total number of clinics in the group from 68 to 69.

ABOUT GREENCROSS

Greencross was established in 2003 and has grown to become Australia's leading veterinary services company through the acquisition and integration of 69 practices around Australia.

Greencross's strategy is to continue to consolidate the fragmented veterinary services industry in Australia and is focused on delivering exceptional veterinary medicine and levels of care to its patients. The company's vision is to be the practice of choice for employees, clients, patients and shareholders.
