MAp

Revised ex-Scheme Consideration date of 6 December 2011

Further to MAp's announcement this morning advising receipt of court approval for the Scheme of Arrangement, ASX has advised of a change to the ex-Scheme Consideration date, which includes the 80 cents per stapled security Cash Consideration.

This is to accommodate third party products which have been issued over MAp securities.

The revised ex-Scheme Consideration date is **6 December 2011** (not 7 December 2011 as previously advised).
