Profit Guidance - Six months ending 31 December 2011

Sydney, January 9, 2012 - Integrated Research ("IR") is in the early stages of preparing its half year financial statements for the six months ending 31 December 2011. IR is pleased to announce, based on internal management accounts and subject to audit review, the Company anticipates its profit after tax for the six months ending 31 December 2011 to be in the range of \$3.1 million to \$3.6 million compared to \$2.4 million for the equivalent prior period. This has been brought about primarily by increased new licence sales in the IP Telephony product range.

This statement is made for market guidance, but IR does not expect to make any further comment until the accounts have been finalised and approved for release to the ASX (anticipated announcement date: 16 February 2012).

By authority of the Board,
