WDS Limited (ASX:WDS) – WDS awarded APA Group RBP Metro Looping Project

WDS Limited (ASX:WDS), leading integrated services provider to the energy, mining and infrastructure sectors today announced that its' Energy and Infrastructure Division has been awarded a contract by the APA Group for the RBP Metro Looping Project. The project involves the installation of approx. 5.8kms of DN400 steel pipeline through open trenching and horizontal directional drilling methods.

WDS Managing Director Terry Chapman said that "this project continues WDS' relationship with the APA Group and provides WDS with a further opportunity to showcase its capability to deliver Oil and Gas infrastructure projects in an urban environment in a safe and efficient manner".

The project construction period will run for 21 weeks and will ensure skills and capability developed by WDS will be retained within the company. The project also provides an opportunity to increase the utilisation of the company's specialist plant and equipment.

Work is scheduled to commence early in 2012 with Practical Completion expected in Q2 2012.
