# Highlights

Keith Gordon Managing Director & Chief Executive Officer

#### **Overview**

Business well positioned with strong balance sheet and growth prospects

#### **1H12 Overview**

- Operating NPAT of \$29.2M, comparable to PCP, up 10% on 2H11
- Global fleet utilisation averaged 85%, currently at 92%
- \$165M FY12 growth capex program progressing in-line with expectations
- ROC improving to 11.4%
- ◆ 25% increase in interim dividend to 2.5 cps, fully franked

#### 2H12 Focus

- Maintain high utilisation levels in all regions
- Deploy remaining FY12 growth capex
- Finalise contracts for initial Chile fleet
- Attract and retain skilled labour

#### **Outlook**

- Outlook for further growth in commodity volumes
- Growth capital to drive further improvement in earnings & returns
- Balance sheet strength and flexibility

## Safety, People & Sustainability

#### Our customers value Emeco's OH&S performance

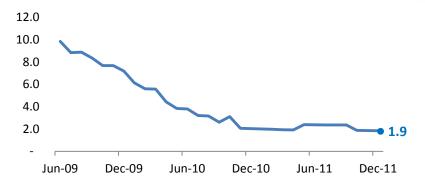

#### Safety

- Continuous improvement in Safety
- Strong global OH&S focus
- "Zero harm" safety objective
- Further safety recognition from Indonesian government

#### Sustainability

- Increasing focus on community involvement
- Global workforce of 923\* people
- Emeco celebrates 40 years milestone

#### LTIFR per million man hours

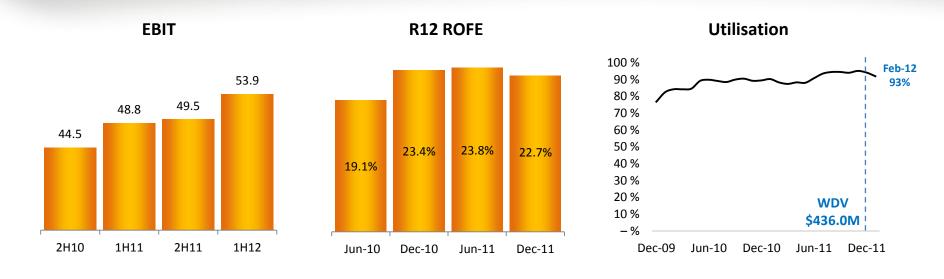

## Regional Performance – Australian Rental

Fleet strategy translating into improved earnings with strong underlying returns

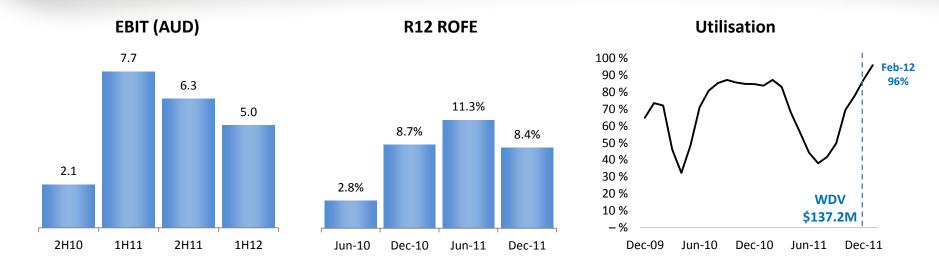

- EBIT up 10.6% PCP to \$53.9M
- High utilisation averaging 95% in 1H12 (1H11: 89%)
- Strong returns notwithstanding significant capex program in 1H12, majority now deployed
- ◆ ROFE 22.7% at Dec-11 reflecting value creating returns for shareholders
- Continued positive outlook for Australian commodities despite global uncertainty

## **Regional Performance - Canada**

## Management of seasonality key strategic focus

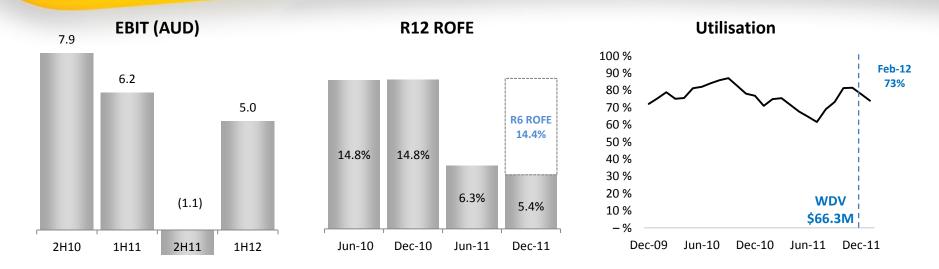

- EBIT down 34.8% PCP to \$5.0M impacted by subdued oil sands activity in 1Q12
- 1H12 average utilisation of 58% (1H11: 89%) but strong recovery in 2Q12
- Establishment of high quality mining fleet with \$40M growth capex to be delivered across 2H12
- Delivery of first fleet of 240t trucks
- Earnings and returns expected to improve in 2H12
- Contract signed with Syncrude (oilsands company) in May-11 now translating into rental demand

## **Regional Performance - Indonesia**

- Operating EBIT down 20.6% PCP to A\$5.0M due to large fleet redeployment
- Average 1H12 utilisation of 73% (1H11: 83%)
- 1H12 returns in-line with historical performance with focus to improve further
- New management team is focusing on a number of strategic initiatives:
  - Improving productivity of maintenance facility
  - Customer reorientation improving earnings and returns
  - ✓ Targeting project sites with provision of on-site maintenance
- Positive outlook for coal and gold volumes underpins \$30M investment in FY13

## **Customer Developments**

Targeting customers in each market which align with Emeco's strategic objectives

- Continued focus on customer mix, commodity exposure and credit quality
- Targeting low-cost producers who utilise Emeco's equipment in commodity production
- Continue to expand on-site maintenance services provided by Emeco personnel
- Recent new customer examples:

Australia	Canada	Indonesia
<ul> <li>Targeting customers requiring fleets of equipment on long-term fully maintained basis (project sites)</li> <li>Large fleet to meet customer growing &amp; changing needs</li> <li>Achieve mix of mid-tier to large miners and contractors across bulk commodities and gold</li> </ul>	<ul> <li>Renting direct to oil sands companies to improve tenure and hours</li> <li>Focus on mining customers with requirements across seasons to reduce utilisation volatility</li> </ul>	<ul> <li>Focus on miners with advanced mining practices to ensure high monthly hours</li> <li>Bring Emeco's maintenance expertise to enhance mine productivity</li> <li>Targeting customers with good quality credit profiles</li> </ul>

## **Financials**

Stephen Gobby Chief Financial Officer

## Financial summary

Improving earnings, significant investment and sound balance sheet underpins positive financial outlook

- Revenue up 7.7% PCP to **\$273.0M**
- Operating NPAT \$29.2M comparable with PCP, up 10.1% HoH
- Statutory NPAT \$28.9M
- ROC at 11.4% with further improvement in 2H12
- Free cash flow of \$64.3M before dividends and growth capex
- \$125M growth capital investment to meet demand
- Gearing ratio of 1.44x below target range
- 2.5 cps fully franked interim dividend

## **Group Financials**

Earnings recovering in 1H12 with strong momentum entering 2H12

A\$ Millions	Variance				ance
	1H11	2H11	1H12	HonH %	PCP %
Revenue	253.6	248.9	273.0	9.7	7.7
EBITDA	113.7	109.6	119.9	9.3	5.5
EBIT	53.3	47.9	54.3	13.5	1.9
NPAT	29.5	26.5	29.2	10.1	(1.1)
EPS (cps)	4.6	4.2	4.6	9.4	(0.4)
DPS (cps)	2.0*	3.0	2.5	(16.7)	25.0
Invested Capital	950.9	896.9	899.7	(5.2)	(12.2)
R12 ROC (%)	11.0%	11.3%	11.4%	0.1%	0.4%

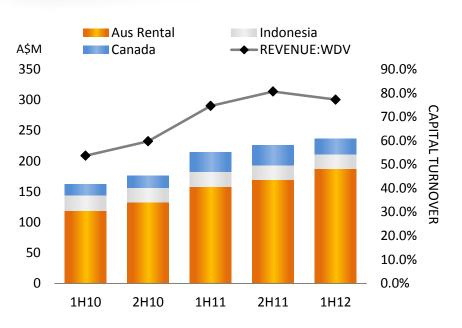

## **Earnings composition**

Revenue growth continues while margins moderated due to short term cost factors

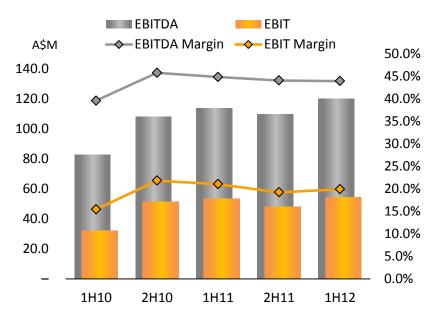

#### **Revenue Profile**

- High monthly hours from larger mining equipment and fleet investment driving revenue growth
- Lower utilisation in Canada and Indonesia in Q1 but strong recovery in Q2
- Capital turnover temporarily impacted due to deployment of significant growth capital in 1H12

## Emeco

#### **Earnings & Margins**

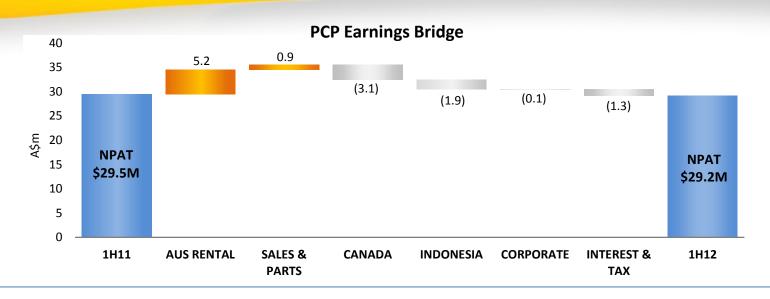

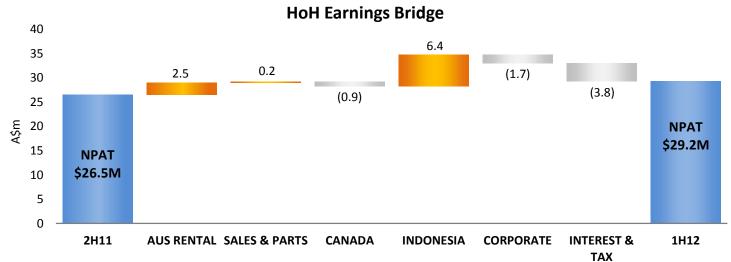

- Margins impacted by short term cost factors
- Increased maintenance cost in Australia to extend some older fleet to meet contract end dates
- ◆ Labour cost pressures remain in Australia
- Canada and Indonesia maintenance volume increased in Q1 in anticipation of fleet deployment in Q2

Earthmoving equipment solutions

## **Earnings Bridge**

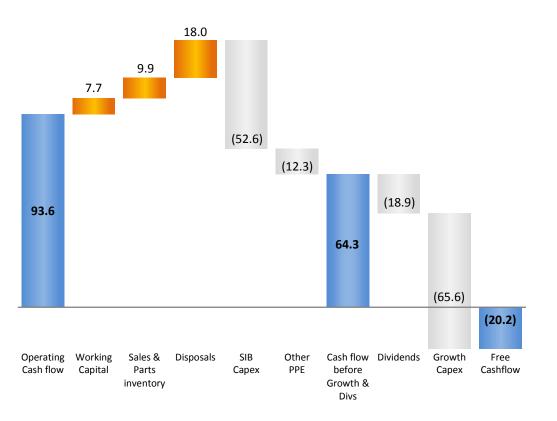

### **Cash Flow**

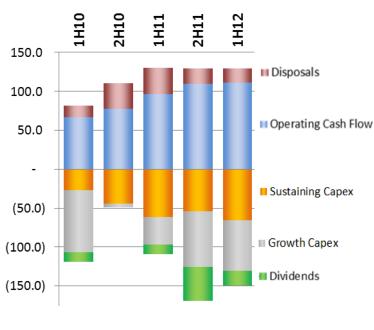

Reinvestment of cash flow in growth capital program expected to deliver increased cash generation

#### 1H12 Cash Flow

#### **Historical Cash Flows**

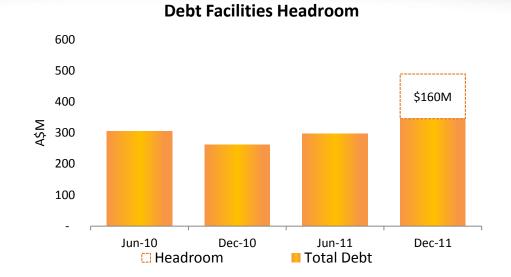

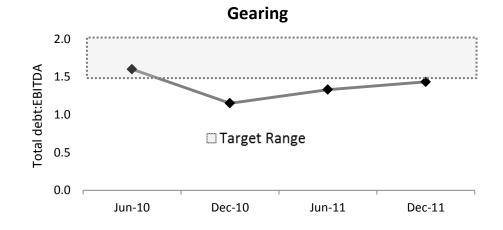

## **Gearing & Facilities Headroom**

Funding certainty and capacity in place to support medium term growth

- Funding certainty with \$450M senior debt facility in place:
  - √ \$300M maturing Nov 2013
  - ✓ \$150M maturing Nov 2015
- Gearing remains below bottom-end of target range notwithstanding significant growth capital program
- Debt to increase in short term with further growth capital however gearing to remain comfortable
- Increased interim dividend to 2.5c inline with revised policy to payout 40%-60% of NPAT

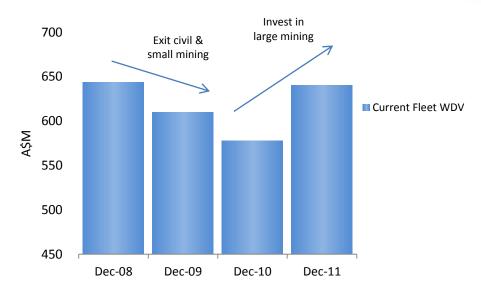

## FY12 Growth Capital Investment

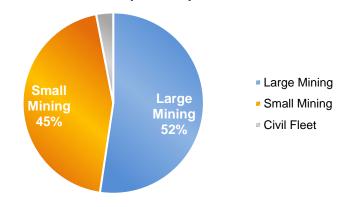

Delivering sustainable growth through investment in quality large mining assets

- Growth capital commitments of \$165M for FY12 progressing as previously announced
- \$40M in 2H12 (remainder of \$165M package)
- Additional growth capital:
  - √ \$30M in Indonesia in FY13¹
  - √ \$50M in Chile in FY13¹
- Growth capital accretive to earnings & ROC in FY12 with full benefits realised in FY13
- Estimated sustaining capex of ~\$120M in FY12

#### **Fleet Growth**

#### Fleet WDV (Dec-11)

<sup>&</sup>lt;sup>1</sup>\$47M of the FY13 growth capital may be paid for late in FY12 with no corresponding earnings;

Small mining defined as <150 tn trucks and related mining equipment; Large mining defined as 190+ tn trucks and related mining equipment.

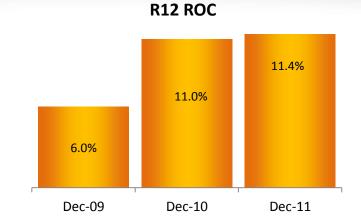

Earthmoving equipment solutions

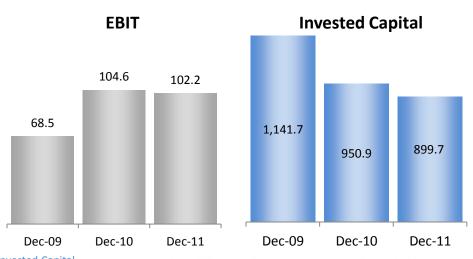

## **Return on Capital**

Improving returns to acceptable levels is primary objective of **business strategy** 

- ROC improvement to 11.4% notwithstanding 'in-transit' growth capital
- Further ROC improvements from:
  - ✓ Full benefit of growth capital in 2H12 and FY13
  - ✓ Continued focus on Australian business
  - ✓ Canadian mining fleet direct to oil producers to reduce seasonality
  - ✓ Improved Indonesian customer mix
  - ✓ Strong returns expected in Chile
  - ✓ Benefit of scale fixed cost and goodwill leverage

# Strategy & Outlook

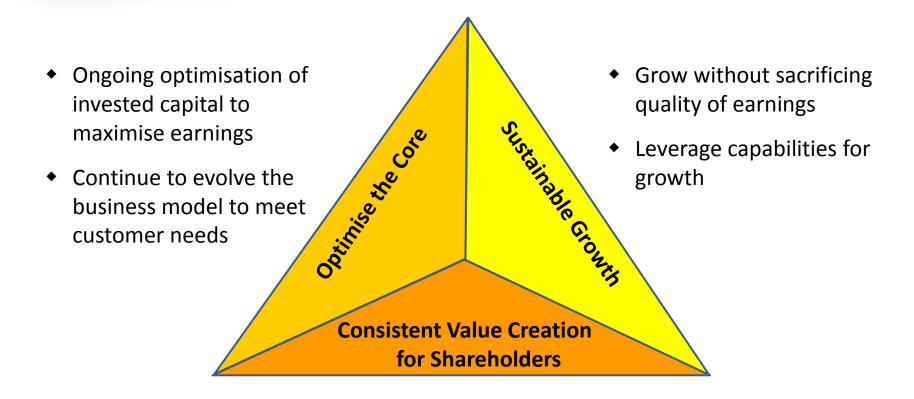

Keith Gordon
Managing Director & Chief Executive Officer

## The Emeco Strategy

## Strategy developed to drive business performance and growth

- Disciplined investment to achieve returns above WACC
- Optimise capital structure

## **Emeco's Strategic Focus**

#### Improving our core businesses

- Canada reconfigure fleet and improve returns – in progress
- Indonesia scale the fleet and customer mix – in progress
- Business Improvement– in progress

Consistent Value Creation for Shareholders

#### **Growing from solid foundation**

- Organic growth through investment in large mining equipment in Australia & Canada – \$165M in FY12
- Organic growth through investment in mining equipment in Indonesia – \$30M in FY13
- Focus on project sites with maintenance services ongoing

## Identify other value creation opportunities aligned to strategy

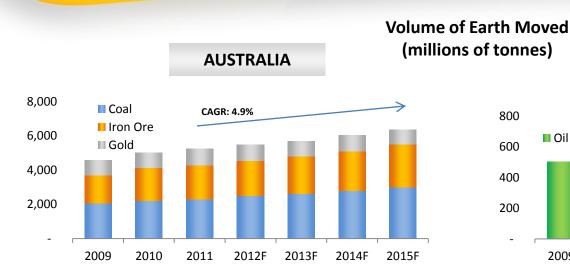

- Evaluate opportunities to expand geographic footprint
   \$50M Chile investment in FY13
- Scan market for value adding acquisition opportunities ongoing

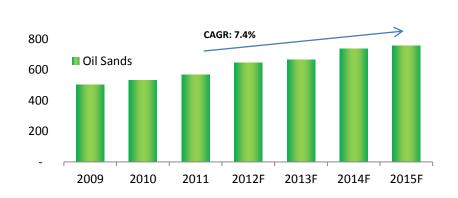

#### **Market Outlook**

### Positive outlook for growth in commodity volumes

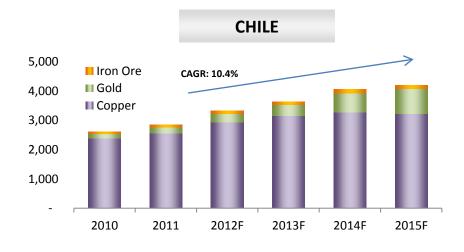

**CANADA** 

Australia Source: ABARE; "Australian Commodities Report", March 2011. Management estimate for volume of earth moved ('VEM').

Canada Source: CAPP; "Crude Oil, Forecast, Markets & Pipeline Report", Q3 2011. Management estimate for VEM. Indonesia Source: Business Monitor International; "Indonesia Mining Report", Q3 2011. Management estimate for VEM.

Chile Source: CRU Strategies.

#### **New Market - Chile**

Entry into the Chilean market provides a range of strategic benefits

- ◆ Financial returns fleet mix and mining practices provide platform for Emeco to generate acceptable returns
- Commodity diversification Opportunity to diversify into low cost, copper production
- Alternate redeployment market Provides a practical alternate redeployment market to manage utilisation risk that may emerge in other markets
- Geographic leverage Platform to enter into other South American markets
- Low risk No goodwill and low infrastructure required to enter a mature growth mining market
- Procurement In country presence with a large population of mining equipment

### **Emeco Outlook**

**Emeco well positioned to capitalise on strong sector fundamentals** 

- Strong demand for mining equipment in an environment of long lead times
- Entering 2H12 with high levels of utilisation in each region
- Growth capex to contribute additional earnings and improve group returns in 2H12 and FY13
- Strong winter season underway in Canada
- Improved quality customer profile in Indonesia supports investment of \$30M
- Fundamentals of Chilean copper market supporting initial \$50M investment in FY13
- Emphasis on executing the growth capex pipeline and maintaining focus on operating cash flows and balance sheet strength

## Questions

### Thank you for your interest in Emeco

## Disclaimer

#### Reliance on third party information

The information and views expressed in this Presentation were prepared by Emeco Holdings Ltd (the **Company**) and may contain information that has been derived from publicly available sources that have not been independently verified. No representation or warranty is made as to the accuracy, completeness or reliability of the information. No responsibility or liability is accepted by the Company, its officers, employees, agents or contractors for any errors, misstatements in or omissions from this Presentation.

#### Presentation is a summary only

This Presentation is information in a summary form only and does not purport to be complete. It should be read in conjunction with the Company's 2012 interim financial report. Any information or opinions expressed in this Presentation are subject to change without notice and the Company is not under any obligation to update or keep current the information contained within this Presentation.

#### Not investment advice

This Presentation is not intended and should not be considered to be the giving of investment advice by the Company or any of its shareholders, directors, officers, agents, employees or advisers. The information provided in this Presentation has been prepared without taking into account the recipient's investment objectives, financial circumstances or particular needs. Each party to whom this Presentation is made available must make its own independent assessment of the Company after making such investigations and taking such advice as may be deemed necessary.

#### No offer of securities

Nothing in this Presentation should be construed as either an offer to sell or a solicitation of an offer to buy or sell Company securities in any jurisdiction.

#### **Forward looking statements**

This Presentation may include forward-looking statements. Although the Company believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, these statements are not guarantees or predictions of future performance, and involve both known and unknown risks, uncertainties and other factors, many of which are beyond the Company's control. As a result, actual results or developments may differ materially from those expressed in the statements contained in this Presentation. Investors are cautioned that statements contained in the Presentation are not guarantees or projections of future performance and actual results or developments may differ materially from those projected in forward-looking statements.

#### No liability

To the maximum extent permitted by law, neither the Company nor its related bodies corporate, directors, employees or agents, nor any other person, accepts any liability, including without limitation any liability arising from fault or negligence, for any direct, indirect or consequential loss arising from the use of this Presentation or its contents or otherwise arising in connection with it.
