AdEffective Limited – Quarterly Cash Flow Statement (Appendix 4C) for quarter ended 31 March 2012

AdEffective Limited (**ABN** or the **Company**) presents its consolidated Quarterly Cash Flow Report for the period ended 31 March 2012.

Cash flows for the March 2012 quarter were in line with the previous quarter, and expenses were significantly reduced in the March quarter from the previous quarter.

This Statement does not reflect the results of the Company's recently completed renounceable rights issue (**Rights Issue**), which will be reflected in the next quarterly cash flow statement. Proceeds from the Rights Issue have been used predominantly to redeem all convertible notes on issue, and to repay the all of the converting loans on issue, with the balance being used for working capital purposes. Consequently, the Company now has a strengthened balance sheet and an improved cash position.
