AGREEMENT

Recitals:

- A. The Parties hereto are desirous of agreeing to a procedure whereby either one of them (the “**Lender**”) will make available to the other of them (the “**Borrower**”) from time to time Securities (as hereinafter defined).
- B. All transactions carried out under this Agreement will be effected in accordance with the Rules (as hereinafter defined), if applicable, **together with** current market practices, customs and conventions, in so far as they are not inconsistent with the terms of this Agreement.

Operative provisions:

1 Interpretation

- 1.1 **[Definitions]** The terms defined in clause 26 and in Schedule 1 have the meanings therein specified for the purposes of this Agreement.
- 1.2 **[Inconsistency]** In the event of any inconsistency between the provisions of Schedule 1 and the other provisions of this Agreement, Schedule 1 will prevail. In the event of any inconsistency between the provisions (if any) of Schedule 3 and the other provisions of this Agreement (including Schedule 1), Schedule 3 will prevail. In the event of any inconsistency between the provisions of any Confirmation and this Agreement (including Schedules 1 and 3), such Confirmation will prevail for the purpose of the relevant transaction.
- 1.3 **[Single agreement]** All transactions are entered into in reliance on the fact that this Agreement and all Confirmations form a single agreement between the Parties (collectively referred to as this “**Agreement**”), and the Parties would not otherwise enter into any transactions.
- 1.4 **[Interpretation]** In this Agreement:
 - (a) Unless the context otherwise requires:
 - (i) The **singular** includes the plural and vice versa.
 - (ii) A **person** includes a corporation.
 - (iii) A **corporation** includes any body corporate and any statutory authority.
 - (iv) A reference to a statute, ordinance, code or other law or the Rules includes regulations or other instruments under it or them and consolidations, amendments, re-enactments or replacements of any of them.
 - (b) Notwithstanding the use of expressions such as “borrow”, “lend”, “Collateral”, “Margin”, “redeliver” etc., which are used to reflect

terminology used in the market for transactions of the kind provided for in this Agreement, all right, title and interest in and to Securities “borrowed” or “lent” and “Collateral” which one Party Transfers to the other in accordance with this Agreement (“title”) shall pass from one Party to the other free and clear of any liens, claims, charges or encumbrances or any other interest of the Transferring Party or of any third party (other than a lien routinely imposed on all securities in a relevant clearance system), the Party obtaining such title being obliged to redeliver Equivalent Securities or Equivalent Collateral, as the case may be. Each Transfer under this Agreement will be made so as to constitute or result in a valid and legally effective transfer of the Transferring Party’s legal and beneficial title to the recipient.

- (c) Where, in respect of any transaction, any distribution is made, or Income or fee is paid, other than in cash, the provisions of this agreement (other than clause 4.2(b)) shall apply, with necessary modifications, to the same extent as if the distribution, Income or fee had been made or paid in cash, and terms such as “pay” and “amount” shall be construed accordingly.

1.5 **[Headings]** All headings appear for convenience only and shall not affect the interpretation of this Agreement.

1.6 **[Currency conversion]** For the purposes of clauses 6, 8.3 and 8.4, when a conversion into the Base Currency is required, all prices, sums or values (including any Value, Offer Value and Bid Value) of Securities, Equivalent Securities, Collateral or Equivalent Collateral (including Cash Collateral) stated in currencies other than the Base Currency shall be converted into the Base Currency at the rate quoted by an Australian bank selected by the Lender (or, if an Event of Default has occurred in relation to the Lender, by the Borrower) at or about 11.00am (Sydney time) on the day of conversion as its spot rate for the sale by the bank of the Base Currency in exchange for the relevant other currency.

1.7 **[Other agreements]** Where at any time there is in existence any other agreement between the Parties the terms of which make provision for the lending of Securities (as defined in this Agreement) as well as other securities, the terms of this Agreement shall apply to the lending of such Securities to the exclusion of any other such agreement.

1.8 **[Nominees]** If payment is made or Securities, Equivalent Securities, Collateral or Equivalent Collateral is Transferred to a Party’s nominee or otherwise in accordance with the directions of a Party (whether by the other Party or by a third party), it shall be deemed, for the purposes of this agreement, to have been paid or made or Transferred to the first mentioned Party.

2 Loans of Securities

2.1 **[Borrowing Request and acceptance thereof]** The Lender will lend Securities to the Borrower, and the Borrower will borrow Securities from the Lender, in accordance with the terms and conditions of this Agreement and with the Rules. The terms of each Loan should be agreed prior to the commencement of the relevant Loan, either orally or in writing (including any agreed form of electronic communication) and confirmed in such form and on such basis as is agreed between the Parties. Any confirmation produced by a Party shall not supersede or prevail over the prior oral, written or electronic communication (as the case may be).

2.2 **[Changes to a Borrowing Request]** The Borrower has the right to reduce the amount of Securities referred to in, or otherwise vary, a Borrowing Request **provided that:**

- (a) the Borrower has notified the Lender of such reduction or variation no later than midday Australian Eastern standard or summer (as appropriate) time on the day which is two Business Days prior to the Settlement Date, unless otherwise agreed between the Parties, and
- (b) the Lender shall have accepted such reduction or variation (by whatever means).

3 Delivery of Securities

[Delivery of Securities] The Lender shall procure the delivery of Securities to the Borrower or deliver such Securities in accordance with the relevant agreement **together with** appropriate instruments of transfer (where necessary) duly stamped (where necessary) and such other instruments (if any) as may be requisite to vest title thereto in the Borrower. Such Securities shall be deemed to have been delivered by the Lender to the Borrower on delivery to the Borrower or as it shall direct of the relevant instruments of transfer and certificates or other documents of title (if any), or in the case of Securities title to which is registered in a computer based system which provides for the recording and transfer of title to the same by way of electronic entries (such as CHESS), on the transfer of title in accordance with the rules and procedures of such system as in force from time to time, or by such other means as may be agreed.

4 Title, Distributions and Voting

4.1 **[Passing of title]** The Parties shall execute and deliver all necessary documents and give all necessary instructions to procure that all right, title and interest in:

- (a) any Securities borrowed pursuant to clause 2;
- (b) any Equivalent Securities redelivered pursuant to clause 7;
- (c) any Collateral delivered pursuant to clause 6;
- (d) any Equivalent Collateral redelivered pursuant to clauses 6 or 7,

shall pass from one Party to the other, free from all liens, charges, equities and encumbrances, on delivery or redelivery of the same in accordance with this Agreement. In the case of Securities, Collateral, Equivalent Securities or Equivalent Collateral title to which is registered in a computer based system which provides for the recording and transfer of title to the same by way of electronic entries, delivery and transfer of title shall take place in accordance with the rules and procedures of such system as in force from time to time.

4.2 **[Distributions]**

- (a) **[Distributions]** Unless otherwise agreed, where Income is paid by the issuer in relation to any Securities on or by reference to an Income Payment Date on which such Securities are the subject of a loan under this Agreement, the Borrower shall, on the date of the payment of such Income, or on such other date as the Parties may from time to time agree, (the **"Relevant Payment Date"**) pay to the Lender a sum of money (a

“**Substitute payment**”) equivalent to the amount that the Lender would have been entitled to receive (after any deduction, withholding or payment for or on account of any tax made by the relevant issuer (or on its behalf) in respect of such Income) had such Securities not been loaned to the Borrower and been held by the Lender on the Income Payment Date, irrespective of whether the Borrower received the same.

- (b) **[Corporate actions]** Subject to paragraph (c) (unless otherwise agreed), where, in respect of any borrowed Securities or any Collateral, any rights relating to conversion, subdivision, consolidation, pre-emption, rights arising under a takeover offer or other rights, including those requiring election by the holder for the time being of such Securities or Collateral, become exercisable prior to the redelivery of Equivalent Securities or Equivalent Collateral, then the Lender or Borrower, as the case may be, may, within a reasonable time before the latest time for the exercise of the right or option, give written notice to the other Party that, on redelivery of Equivalent Securities or Equivalent Collateral, as the case may be, it wishes to receive Equivalent Securities or Equivalent Collateral in such form as will arise if the right is exercised or, in the case of a right which may be exercised in more than one manner, is exercised as is specified in such written notice.
- (c) **[1936 Tax Act sections 26BC(3)(c)(ii) and (v) requirements]** Notwithstanding paragraph (b), where, in respect of any borrowed Securities or any Collateral, the relevant issuer company, trustee, government or government authority issues any right or option in respect of the borrowed Securities or Collateral, as the case may be, the Borrower or the Lender, respectively, must deliver or make available, as the case may be, to the other Party on the date of such issue or on such other date as the Parties may from time to time agree:
 - (i) the right, or option; or
 - (ii) an identical right or option; or
 - (iii) a payment equal to the value to the Lender or the Borrower, respectively, of the right or option;

together with any such endorsements or assignments as shall be customary and appropriate.
- (d) **[Manner of payment]** Any payment to be made by the Borrower under this clause shall be made in a manner to be agreed between the Parties.

- 4.3 **[Voting]** Unless paragraph 4 in Schedule 1 specifies that this clause 4.3 does not apply, each Party undertakes that, where it holds Securities of the same description as any Securities borrowed by it or transferred to it by way of Collateral at a time when a right to vote arises in respect of such Securities, it will use its best endeavours to arrange for the voting rights attached to such Securities to be exercised in accordance with the instructions of the other Party **provided always that** each Party shall use its best endeavours to notify the other of its instructions in writing no later than seven Business Days prior to the date upon which such votes are exercisable, or as otherwise agreed between the Parties, and that the Party concerned shall not be obliged so to exercise the votes in respect of the number of Securities greater than the number so lent or transferred to it. For the avoidance of doubt, the Parties agree that, subject as hereinbefore provided, any voting rights

attaching to the relevant Securities, Equivalent Securities, collateral and/or Equivalent Collateral shall be exercisable by the persons in whose name they are registered, or in the case of Securities, Equivalent Securities, collateral and/or Equivalent Collateral in bearer form by the persons by or on behalf of whom they are held, and not necessarily by the Borrower or the Lender (as the case may be).

5 Fees

- 5.1 **[Fees]** In respect of each loan of Securities:
- (a) for which the Collateral is cash:
 - (i) the Lender must pay a fee to the Borrower in respect of the amount of that Collateral, calculated at the rate agreed between them; and
 - (ii) unless the Parties otherwise agree, the Borrower is not obliged to pay a fee to the Lender;
 - (b) for which there is no Cash Collateral, the Borrower must pay a fee to the Lender, calculated at the rate agreed between them.
- 5.2 **[Where there are different types of Collateral]** Where the Collateral comprises only partly cash, clause 5.1 is to be construed as if there were separate loans of Securities, one secured solely by Cash Collateral and the other secured solely by non-cash Collateral.
- 5.3 **[Calculation of fees]** In respect of each loan of Securities, the payments referred to in clause 5.1 of this clause shall accrue daily in respect of the period commencing on and inclusive of the Settlement Date and terminating on and exclusive of the Business Day upon which Equivalent Securities are redelivered or Cash Collateral is repaid. Unless otherwise agreed, the sums so accruing in respect of each calendar month shall be paid in arrears by the Borrower to the Lender or to the Borrower by the Lender (as the case may be) not later than the Business Day which is one week after the last Business Day of the calendar month to which such payment relates or such other date as the Parties from time to time agree. Any payment made pursuant to clause 5.1 shall be in Australian currency, unless otherwise agreed, and shall be paid in such manner and at such place as shall be agreed between the Parties.

6 Collateral

- 6.1 **[Borrower's obligation to provide Collateral]** Unless otherwise agreed, subject to the other provisions of this clause 6, the Borrower undertakes to deliver to or deposit with the Lender (or in accordance with the Lender's instructions) Collateral of the kind specified in the relevant Borrowing Request or as otherwise agreed between the Parties (together with appropriate instruments of transfer duly stamped (where necessary) and such other instruments as may be requisite to vest title thereto in the Lender) simultaneously with delivery of the borrowed Securities by the Lender.
- 6.2 **[Global margining]**
- (a) **[Adjustments to Collateral]** Unless otherwise agreed between the Parties, subject to paragraph (b), clause 6.4 and paragraph 1.5 in Schedule 1:
 - (i) The aggregate Value of the Collateral delivered to or deposited with the Lender or its nominated bank or depositary (excluding any

Collateral repaid or redelivered under paragraph (ii) below (as the case may be)) in respect of **all** loans of Securities outstanding under this Agreement ("**Posted Collateral**") shall from day to day and at any time be at least the aggregate of the Required Collateral Values in respect of such loans.

- (ii) If at any time the aggregate Value of the Posted Collateral in respect of all loans of Securities outstanding under this Agreement exceeds the aggregate of the Required Collateral Values in respect of such loans, the Lender shall (on demand) repay such Cash Collateral and/or redeliver to the Borrower such Equivalent Collateral as will eliminate the excess.
- (iii) If at any time the aggregate Value of the Posted Collateral in respect of all loans of Securities outstanding under this Agreement falls below the aggregate of Required Collateral Values in respect of all such loans, the Borrower shall (on demand) provide such further Collateral to the Lender as will eliminate the deficiency.

- (b) **[Netting of Collateral obligations where a Party is both Lender and Borrower]** Unless otherwise agreed between the Parties, subject to clause 6.4 and paragraph 1.5 in Schedule 1, where paragraph (a) applies, if a Party (the "**first Party**") would, but for this paragraph, be required under paragraph (a) to repay Cash Collateral, redeliver Equivalent Collateral or provide further Collateral in circumstances where the other Party (the "**second Party**") would, but for this paragraph, also be required to repay Cash Collateral, redeliver Equivalent Collateral or provide further Collateral under paragraph (a), then the Value of the Cash Collateral, Equivalent Collateral or further Collateral deliverable by the first Party ("**X**") shall be set-off against the Value of the Cash Collateral, Equivalent Collateral or further Collateral deliverable by the second Party ("**Y**") and the only obligation of the Parties under paragraph (a) shall be, where X exceeds Y, an obligation of the first Party, or where Y exceed X, an obligation of the second Party, (on demand) to repay Cash Collateral, redeliver Equivalent Collateral or deliver further Collateral having a Value equal to the difference between X and Y.

- 6.3 **[Required Collateral Value]** For the purposes of clause 6.2(a), the Value of the Posted Collateral to be delivered or deposited in respect of any loan of Securities, while the loan of Securities continues, shall be equal to the aggregate of the Value of the borrowed Securities and the Margin applicable thereto (the "**Required Collateral Value**").
- 6.4 **[Time for payment/repayment of Collateral]** Except as provided in clause 6.1 or clause 6.6 or as otherwise agreed, where any Cash Collateral is to be repaid, Equivalent Collateral is to be redelivered or further Collateral is to be provided under this clause 6, it shall be paid or delivered as stated in paragraph 1.4 in Schedule 1.
- 6.5 **[Substitution of Alternative Collateral]** The Borrower may from time to time call for the repayment of Cash Collateral or the redelivery of Equivalent Collateral prior to the date on which the same would otherwise have been repayable or redeliverable, provided that, at the time of such repayment or redelivery, the Borrower shall have delivered or delivers Alternative Collateral acceptable to the Lender.

- 6.6 **[Return of Collateral/Equivalent Collateral on redelivery of Equivalent Securities]**
- (a) Cash Collateral shall be repaid and Equivalent Collateral shall be redelivered at the same time as Equivalent Securities in respect of the Securities borrowed are redelivered.
 - (b) Where Collateral is provided through a book entry transfer system (such as Austraclear or RITS), the obligation of the Lender shall be to redeliver Equivalent Collateral through such book entry transfer system in accordance with this Agreement. If the loan of Securities in respect of which Collateral was provided has not been discharged when the Equivalent Collateral is redelivered, any payment obligation generated within the book entry transfer system on such redelivery shall, until the loan of Securities is discharged or further Collateral is provided, be deemed to constitute an obligation to pay Cash Collateral.
- 6.7 **[Receipt by Lender of Income on Collateral]** Where Collateral (other than Cash Collateral) is delivered in respect of which any Income may become payable and an Income Payment Date in respect of that Collateral occurs prior to the redelivery of Equivalent Collateral, then, unless such Income is paid directly to the Borrower, the Lender shall, on the date on which such Income is paid or on such other date as the Parties may from time to time agree, pay to the Borrower a sum of money (a “**Substitute payment**”) equivalent to the amount of such Income that (after any deduction, withholding or payment for or on account of any tax made by the relevant issuer (or on its behalf) in respect of such Income) the Lender either actually received, or would have been entitled to receive had such Collateral been held by the Lender on the Income Payment Date, irrespective of whether the Lender received the same. If the Lender is required by law, as modified by the practice of any relevant taxing authority, to make any deduction or withholding from any Substitute payment to be made under the preceding sentence, then the Lender must:
- (a) promptly pay to the relevant taxing authority the full amount of the deduction or withholding; and
 - (b) forward to the Borrower on request a copy of any official receipt or other evidence showing that the full amount of any such deduction or withholding has been paid over to the relevant taxing authority.
- 6.8 **[Borrower’s rights re Collateral are not assignable]** The Borrower may not assign, transfer or otherwise dispose of, or mortgage, charge or otherwise encumber, or otherwise deal with its rights in respect of any Collateral without the prior written consent of the Lender.
- 6.9 **[Lender may set off obligation to repay or return Equivalent Collateral]** If the Borrower fails to comply with its obligation to redeliver Equivalent Securities, the obligation of the Lender in respect of any Collateral may be the subject of a set-off in accordance with clause 8.
- 6.10 **[Collateral provided to Lender’s Nominee]** Without limiting clause 1.8, where Collateral is provided to the Lender’s nominee, any obligation under this Agreement to repay or redeliver or otherwise account for Equivalent Collateral shall be an obligation of the Lender, notwithstanding that any such repayment or redelivery may be effected in any particular case by the nominee.

- 6.11 **[Letters of Credit]** If the Collateral in respect of one or more loans of Securities is or includes a letter of credit, the Lender may only draw down under that letter of credit when an Event of Default occurs in relation to the Borrower and, upon the Lender drawing down, whether or not permitted under this clause 6.11, the Collateral (or that part of it represented by the letter of credit) becomes Cash Collateral.
- 6.12 **[Non-Cash Collateral]** If the Collateral in respect of one or more loans of Securities is or includes other Securities and either the Borrower is a taxpayer to whom the Tax Act applies in respect of the disposal of those other Securities or in any other case the Parties so agree:
- (a) The Parties acknowledge that the provision of those other Securities is by way of a loan of Securities under this Agreement, to which section 26BC(3)(a) of the 1936 Tax Act may apply (subject to the re-acquisition time being less than 12 months after the original disposal time).
 - (b) For the purposes of section 26BC(3)(d) of the 1936 Tax Act, the notifiable consideration in respect of the provision of those Securities by way of loan is specified as follows:
 - (i) There is no fee.
 - (ii) There is no adjustment for variations in the market value of the Collateral or Equivalent Collateral.
 - (iii) There is other consideration: see the obligations of the recipient of the Collateral under clauses 4.2(b), 4.2(c), 4.3 and 6.7.
 - (c) For the avoidance of doubt, this clause 6.12 is directed solely at clarifying either or both of the following issues: that the provision of the other Securities as Collateral is eligible for the application of first section 26BC and secondly, where applicable, sections 216-10 and 216-30 of the 1997 Tax Act. Accordingly, clauses 2, 4.2(a), 5, 6.1 to 6.11, 7, 8, 9.1, 9.2 (unless otherwise agreed), 9.4 and 12 do not apply to any loan of Securities under paragraph (a). Instead, those Securities are simply to be regarded as Collateral for the purposes of those clauses.

7 Redelivery of Equivalent Securities

- 7.1 **[Borrower's obligation to redeliver Equivalent Securities]** The Borrower undertakes to redeliver Equivalent Securities in accordance with this Agreement and the terms of the relevant Borrowing Request.
- 7.2 **[Lender may call for redelivery of Equivalent Securities]** Subject to clause 8 and the terms of the relevant Borrowing Request, the Lender may call for the redelivery of all or any Equivalent Securities at any time by giving notice on any Business Day of not less than the Standard Settlement Time for such Equivalent Securities or the equivalent time on the exchange or in the clearing organisation through which the relevant borrowed Securities were originally delivered. The Borrower shall as hereinafter provided redeliver such Equivalent Securities not later than the expiry of such notice in accordance with the Lender's instructions.
- 7.3 **[Lender may terminate loan if Borrower defaults]** If the Borrower does not redeliver Equivalent Securities in accordance with such call, the Lender may elect to continue the loan of Securities; **provided that**, if the Lender does not elect to

continue the loan, the Lender may by written notice to the Borrower elect to terminate the relevant loan. Upon the expiry of such notice the provisions of clauses 8.2 to 8.5 shall apply as if upon the expiry of such notice an Event of Default had occurred in relation to the Borrower (who shall thus be the Defaulting Party for the purposes of this Agreement) and as if the relevant loan were the only loan outstanding.

- 7.4 **[Consequence of exercise of “buy-in” against Lender, as a result of Borrower default]** In the event that, as a result of the failure of the Borrower to redeliver Equivalent Securities to the Lender in accordance with this Agreement, a “buy-in” is exercised against the Lender, then, provided that reasonable notice has been given to the Borrower of the likelihood of such a “buy-in”, the Borrower shall account to the Lender for the total costs and expenses reasonably incurred by the Lender as a result of such “buy-in”.
- 7.5 **[Right of Borrower to terminate loan early]** Subject to the terms of the relevant Borrowing Request, the Borrower shall be entitled at any time to terminate a particular loan of Securities and to redeliver all and any Equivalent Securities due and outstanding to the Lender in accordance with the Lender’s instructions.

7A Suspended Securities

- 7A.1 This clause 7A applies if:
- (a) dealings in any borrowed Securities or Collateral Securities are suspended from trading by the stock exchange on which the Securities were listed at the time of delivery under this Agreement, whether by reason of the adverse position of the issuer or otherwise; or
 - (b) for any other reason concerning the issuer of those Securities (such as the liquidation, provisional liquidation, administration or receivership of the issuer, or the Securities ceasing to be listed for trading on the stock exchange on which they were listed at the time of delivery under this Agreement), or concerning the exchange or clearing house through which they are traded, one Party is unable to transfer title to those Securities or Equivalent Securities to the Other Party.
- 7A.2 At any time while a situation described in clause 7A.1 prevails in relation to particular borrowed or Collateral Securities (the “**Suspended Securities**”), either the Lender or the Borrower may give notice (a “**Suspension Notice**”) to the other, in which event clauses 7A.3 and 7A.4 shall apply.
- 7A.3 If a Suspension Notice is given, the Borrower and the Lender shall promptly enter into negotiations in good faith with a view to promptly agreeing the market value of the Suspended Securities for the purposes of this clause 7A. Neither the Borrower nor the Lender may unreasonably withhold or delay its agreement to a market value reasonably proposed by the other Party.
- 7A.4 Any market value agreed under clause 7A.3 applies to the Suspended Securities notwithstanding the definition of Value in clause 26.

8 Set-off etc.

- 8.1 **[Requirement for simultaneous delivery]** On the date and time that Equivalent Securities are required to be redelivered by the Borrower in accordance with the

provisions of this Agreement the Lender shall simultaneously redeliver the Equivalent Collateral and repay any Cash Collateral held (in respect of the Equivalent Securities to be redelivered) to the Borrower. Neither Party shall be obliged to make delivery (or make a payment as the case may be) to the other unless it is satisfied that the other Party will make such delivery (or make an appropriate payment as the case may be) to it simultaneously. If it is not so satisfied (whether because an Event of Default has occurred in respect of the other Party or otherwise), it shall notify the other Party and, unless that other Party has made arrangements which are sufficient to assure full delivery (or the appropriate payment as the case may be) to the notifying Party, the notifying Party shall (provided it is itself in a position, and willing, to perform its own obligations) be entitled to withhold delivery (or payment, as the case may be) to the other Party.

- 8.2 **[Netting following occurrence of Event of Default]** If an Event of Default occurs in relation to either Party, the Parties' delivery and payment obligations (and any other obligations they have under this Agreement) shall be accelerated so as to require performance thereof at the time such Event of Default occurs (the date of which shall be the "**Performance Date**" for the purposes of this clause), and in such event:
- (a) the Relevant Value of the Securities to be delivered (or payment to be made, as the case may be) by each Party shall be established in accordance with clause 8.3; and
 - (b) on the basis of the Relevant Values so established, an account shall be taken (as at the Performance Date) of what is due from each Party to the other and (on the basis that each Party's claim against the other in respect of delivery of Equivalent Securities or Equivalent Collateral or any cash payment equals the Relevant Value thereof) the sums due from one Party shall be set-off against the sums due from the other and only the balance of the account shall be payable (by the Party having the claim valued at the lower amount pursuant to the foregoing) and such balance shall be payable on the Performance Date.
- 8.3 **[Relevant Value]** For the purposes of clause 8.2 the Relevant Value:
- (a) of any cash payment obligation shall equal its par value (disregarding any amount taken into account under (b) or (c) below);
 - (b) of any Securities to be delivered by the Defaulting Party shall, subject to clause 8.4(b) and (c) below, equal the Offer Value thereof; and
 - (c) of any Securities to be delivered to the Defaulting Party shall, subject to clause 8.4(b) and (c) below, equal the Bid Value thereof.
- 8.4 **[Bid Value/Offer Value]**

- (b) Where the Non-Defaulting Party has, following the occurrence of an Event of Default but prior to the Default Valuation Time, purchased Securities forming part of the same issue and being of an identical type and description to those to be delivered by the Defaulting Party and in substantially the same amount as those Securities or sold Securities forming part of the same issue and being of an identical type and description to those to be delivered by the Non-Defaulting Party to the Defaulting Party and in substantially the same amount as those Securities, the cost of such purchase or the proceeds of such sale, as the case may be, (taking into account all reasonable costs, fees and expenses that would be incurred in connection therewith) shall be treated as the Offer Value or Bid Value, as the case may be, of the relevant Securities for the purposes of this clause 8.
 - (c) Where the amount of any Securities sold or purchased as mentioned in (b) above is not in substantially the same amount as those Securities to be valued for the purposes of clause 8.3, the Offer Value or the Bid Value (as the case may be) of those Securities shall be ascertained by:
 - (i) dividing the net proceeds of sale or cost of purchase by the amount of the Securities sold or purchased so as to obtain a net unit price; and
 - (ii) multiplying that net unit price by the amount of the Securities to be valued.
- 8.5 **[Interpretation: “Securities”]** Any reference in this clause 8 to Securities shall include any asset other than cash provided by way of Collateral, and, for the avoidance of doubt, shall include Equivalent Securities and Equivalent Collateral.
- 8.6 **[Interpretation: “Event of Default”]** If the Borrower or the Lender for any reason fails to comply with its respective obligations under clause 6.6 in respect of the redelivery of Equivalent Collateral or the repayment of Cash Collateral, such failure shall be an Event of Default for the purposes of this clause 8, and the person failing to comply shall thus be the Defaulting Party.
- 8.7 **[Waiver of right to require simultaneous delivery]** Subject to and without prejudice to its rights under clause 8.1, either Party may from time to time in accordance with market practice and in recognition of the practical difficulties in arranging simultaneous delivery of Securities, Collateral and cash transfers waive its right under this Agreement in respect of simultaneous delivery and/or payment; **provided that** no such waiver in respect of one transaction shall bind it in respect of any other transaction.

then:

- (f) the Borrower must either:
 - (i) if section 216-10 of the 1997 Tax Act applies, as soon as practicable, and in any event within 10 Business Days after the relevant Income Payment Date, give to the Lender a Transfer of Distribution Statement in respect of those Securities (which the Borrower is to be taken as having warranted is correct in all material respects and is effective for the purposes of section 216-30 of the 1997 Tax Act); or
 - (ii) otherwise, on the 10th Business Day after the relevant Income Payment Date pay to the Lender an amount equal to the Franking Credit allocated (or, under section 202-65 of the 1997 Tax Act, taken to have been allocated) to the Franked Distribution and specified in the Distribution Statement for that Franked Distribution.

 - (i) the date of the first payment for the Taxable Supply; and

- (ii) the date five Business Days after the date on which the Tax Invoice for the Taxable Supply is received by the payer.

- (a) it specifies that loan as an Agency Transaction at or before the time when it enters into it;
- (b) it enters into that loan on behalf of a single Principal whose identity is disclosed to the Borrower (whether by name or by reference to a code or identifier which the Parties have agreed will be used to refer to a specified Principal) at the time when it enters into the loan or as otherwise agreed between the Parties;

- (b) All the provisions of the Agreement shall apply separately as between the Borrower and each Principal for whom the Agent has entered into an Agency Transaction or Agency Transactions as if each such Principal were a party to a separate agreement with the Borrower in all respects identical with this Agreement other than this paragraph and as if the Principal were Lender in respect of that agreement; **provided that:**
 - (i) if there occurs in relation to the Agent an Event of Default or an event which would constitute an Event of Default if the Borrower served written notice under any paragraph of clause 12, the Borrower shall be entitled by giving written notice to the Principal (which notice shall be validly given to the Lender in accordance with clause 20) to declare that, by reason of that event, an Event of Default is to be treated as occurring in relation to the Principal. - 14.5 **[Warranty by Lender]** The Lender warrants to the Borrower that it will, on every occasion on which it enters or purports to enter into a transaction as an Agency Transaction, have been duly authorised to enter into that loan and perform the obligations arising thereunder on behalf of the person whom it specifies as the Principal in respect of that transaction and to perform on behalf of that person all the obligations of that person under the agreement referred to in clause 14.4(b).

The Agreement shall, however, thereafter be amended by the Parties in such reasonable manner so as to achieve, without illegality, the intention of the Parties with respect to that severed provision.

19 Specific performance

Each Party agrees that, in relation to legal proceedings, it will not seek specific performance of the other Party's obligation to deliver or redeliver Securities, Equivalent Securities, Collateral or Equivalent Collateral, but without prejudice to any other rights it may have.

AGREEMENT

Recitals:

- A. The Parties hereto are desirous of agreeing to a procedure whereby either one of them (the “**Lender**”) will make available to the other of them (the “**Borrower**”) from time to time Securities (as hereinafter defined).
- B. All transactions carried out under this Agreement will be effected in accordance with the Rules (as hereinafter defined), if applicable, **together with** current market practices, customs and conventions, in so far as they are not inconsistent with the terms of this Agreement.

Operative provisions:

1 Interpretation

- 1.1 **[Definitions]** The terms defined in clause 26 and in Schedule 1 have the meanings therein specified for the purposes of this Agreement.
- 1.2 **[Inconsistency]** In the event of any inconsistency between the provisions of Schedule 1 and the other provisions of this Agreement, Schedule 1 will prevail. In the event of any inconsistency between the provisions (if any) of Schedule 3 and the other provisions of this Agreement (including Schedule 1), Schedule 3 will prevail. In the event of any inconsistency between the provisions of any Confirmation and this Agreement (including Schedules 1 and 3), such Confirmation will prevail for the purpose of the relevant transaction.
- 1.3 **[Single agreement]** All transactions are entered into in reliance on the fact that this Agreement and all Confirmations form a single agreement between the Parties (collectively referred to as this “**Agreement**”), and the Parties would not otherwise enter into any transactions.
- 1.4 **[Interpretation]** In this Agreement:
 - (a) Unless the context otherwise requires:
 - (i) The **singular** includes the plural and vice versa.
 - (ii) A **person** includes a corporation.
 - (iii) A **corporation** includes any body corporate and any statutory authority.
 - (iv) A reference to a statute, ordinance, code or other law or the Rules includes regulations or other instruments under it or them and consolidations, amendments, re-enactments or replacements of any of them.
 - (b) Notwithstanding the use of expressions such as “borrow”, “lend”, “Collateral”, “Margin”, “redeliver” etc., which are used to reflect terminology used in the market for transactions of the kind provided for in this Agreement, title to Securities “borrowed” or “lent” and “Collateral” provided in accordance with

this Agreement shall pass from one Party to another as provided for in this Agreement, the Party obtaining such title being obliged to redeliver Equivalent Securities or Equivalent Collateral, as the case may be.

- 1.5 **[Headings]** All headings appear for convenience only and shall not affect the interpretation of this Agreement.
- 1.6 **[Currency conversion]** For the purposes of clauses 6, 8.3 and 8.4, when a conversion into the Base Currency is required, all prices, sums or values (including any Value, Offer Value and Bid Value) of Securities, Equivalent Securities, Collateral or Equivalent Collateral (including Cash Collateral) stated in currencies other than the Base Currency shall be converted into the Base Currency at the rate quoted by an Australian bank selected by the Lender (or, if an Event of Default has occurred in relation to the Lender, by the Borrower) at or about 11.00am (Sydney time) on the day of conversion as its spot rate for the sale by the bank of the Base Currency in exchange for the relevant other currency.
- 1.7 **[Other agreements]** Where at any time there is in existence any other agreement between the Parties the terms of which make provision for the lending of Securities (as defined in this Agreement) as well as other securities, the terms of this Agreement shall apply to the lending of such Securities to the exclusion of any other such agreement.
- 1.8 **[Nominees]** If payment is to be made to a Party's nominee or otherwise in accordance with the directions of a Party (whether by the other Party or by a third party), it shall be deemed, for the purposes of this agreement, to have been paid or made to the first mentioned Party.

2 Loans of Securities

- 2.1 **[Borrowing Request and acceptance thereof]** The Lender will lend Securities to the Borrower, and the Borrower will borrow Securities from the Lender, in accordance with the terms and conditions of this Agreement and with the Rules **provided always that** the Lender shall have received from the Borrower and accepted (by whatever means) a Borrowing Request.
- 2.2 **[Changes to a Borrowing Request]** The Borrower has the right to reduce the amount of Securities referred to in, or otherwise vary, a Borrowing Request **provided that:**
 - (a) the Borrower has notified the Lender of such reduction or variation no later than midday Australian Eastern standard or summer (as appropriate) time on the day which is two Business Days prior to the Settlement Date, unless otherwise agreed between the Parties, and
 - (b) the Lender shall have accepted such reduction or variation (by whatever means).

3 Delivery of Securities

[Delivery of Securities] The Lender shall procure the delivery of Securities to the Borrower or deliver such Securities in accordance with the relevant Borrowing Request **together with** appropriate instruments of transfer (where necessary) duly stamped (where necessary) and such other instruments (if any) as may be requisite to vest title thereto in the Borrower. Such Securities shall be deemed to have been delivered by the Lender to the Borrower on

delivery to the Borrower or as it shall direct of the relevant instruments of transfer and certificates or other documents of title (if any), or in the case of Securities title to which is registered in a computer based system which provides for the recording and transfer of title to the same by way of electronic entries (such as CHESS), on the transfer of title in accordance with the rules and procedures of such system as in force from time to time, or by such other means as may be agreed.

4 Title, Distributions and Voting

4.1 **[Passing of title]** The Parties shall execute and deliver all necessary documents and give all necessary instructions to procure that all right, title and interest in:

- (a) any Securities borrowed pursuant to clause 2;
- (b) any Equivalent Securities redelivered pursuant to clause 7;
- (c) any Collateral delivered pursuant to clause 6;
- (d) any Equivalent Collateral redelivered pursuant to clauses 6 or 7,

shall pass from one Party to the other, on delivery or redelivery of the same in accordance with this Agreement, free from all liens, charges, equities and encumbrances. In the case of Securities, Collateral, Equivalent Securities or Equivalent Collateral title to which is registered in a computer based system which provides for the recording and transfer of title to the same by way of electronic entries, delivery and transfer of title shall take place in accordance with the rules and procedures of such system as in force from time to time.

4.2 **[Distributions]**

- (a) **[Cash distributions]** Unless otherwise agreed, where Income is paid in relation to any Securities on or by reference to an Income Payment Date on which such Securities are the subject of a loan under this Agreement, the Borrower shall, on the date of the payment of such Income, or on such other date as the Parties may from time to time agree, (the "**Relevant Payment Date**") pay and deliver a sum of money equivalent to the same to the Lender, irrespective of whether the Borrower received the same.
- (b) **[Non-cash distributions]** Subject to paragraph (c) (unless otherwise agreed), where, in respect of any borrowed Securities or any Collateral, any rights relating to conversion, sub-division, consolidation, pre-emption, rights arising under a takeover offer or other rights, including those requiring election by the holder for the time being of such Securities or Collateral, become exercisable prior to the redelivery of Equivalent Securities or Equivalent Collateral, then the Lender or Borrower, as the case may be, may, within a reasonable time before the latest time for the exercise of the right or option, give written notice to the other Party that, on redelivery of Equivalent Securities or Equivalent Collateral, as the case may be, it wishes to receive Equivalent Securities or Equivalent Collateral in such form as will arise if the right is exercised or, in the case of a right which may be exercised in more than one manner, is exercised as is specified in such written notice.
- (c) **[Tax Act ss 26BC(3)(c)(ii) and (v) requirements]** Notwithstanding paragraph (b), where, in respect of any Borrowed Securities or any Collateral, the relevant issuer company, trustee, government or government authority issues any right or option in respect of the Borrowed Securities or Collateral,

as the case may be, the Borrower or the Lender, respectively, must deliver or make, as the case may be, to the other Party on the date of such issue or on such other date as the Parties may from time to time agree:

- (i) the right, or option; or
- (ii) an identical right or option; or
- (iii) a payment equal to the value to the Lender or the Borrower, respectively, of the right or option;

together with any such endorsements or assignments as shall be customary and appropriate.

- (d) **[Manner of payment]** Any payment to be made by the Borrower under this clause shall be made in a manner to be agreed between the Parties.

- 4.3 **[Voting]** Unless paragraph 4 in Schedule 1 specifies that this clause 4.3 does not apply, each Party undertakes that, where it holds Securities of the same description as any Securities borrowed by it or transferred to it by way of Collateral at a time when a right to vote arises in respect of such Securities, it will use its best endeavours to arrange for the voting rights attached to such Securities to be exercised in accordance with the instructions of the Lender or Borrower (as the case may be) **provided always that** each Party shall use its best endeavours to notify the other of its instructions in writing no later than seven Business Days prior to the date upon which such votes are exercisable, or as otherwise agreed between the Parties, and that the Party concerned shall not be obliged so to exercise the votes in respect of the number of Securities greater than the number so lent or transferred to it. For the avoidance of doubt, the Parties agree that, subject as hereinbefore provided, any voting rights attaching to the relevant Securities, Equivalent Securities, Collateral and/or Equivalent Collateral shall be exercisable by the persons in whose name they are registered, or in the case of Securities, Equivalent Securities, collateral and/or Equivalent Collateral in bearer form by the persons by or on behalf of whom they are held, and not necessarily by the Borrower or the Lender (as the case may be).

5 Fees

- 5.1 **[Fees]** In respect of each loan of Securities:

- (a) for which the Collateral is cash:
 - (i) the Lender must pay a fee to the Borrower in respect of the amount of that Collateral, calculated at the rate agreed between them; and
 - (ii) unless the Parties otherwise agree, the Borrower is not obliged to pay a fee to the Lender;
- (b) for which there is no Cash Collateral, the Borrower must pay a fee to the Lender, calculated at the rate agreed between them.

- 5.2 **[Where there are different types of Collateral]** Where the Collateral comprises only partly cash, clause 5.1 is to be construed as if there were separate loans of Securities, one secured solely by Cash Collateral and the other secured solely by non-cash Collateral.

- 5.3 **[Calculation of fees]** In respect of each loan of Securities, the payments referred to in clause 5.1 of this clause shall accrue daily in respect of the period commencing on and inclusive of the Settlement Day and terminating on and exclusive of the Business Day upon which Equivalent Securities are redelivered or Cash Collateral is repaid. Unless otherwise agreed, the sums so accruing in respect of each calendar month shall be paid in arrears by the Borrower to the Lender or to the Borrower by the Lender (as the case may be) not later than the Business Day which is one week after the last Business Day of the calendar month to which such payment relate or such other date as the Parties from time to time agree. Any payment made pursuant to clause 5.1 shall be in Australian currency, unless otherwise agreed, and shall be paid in such manner and at such place as shall be agreed between the Parties.

6 Collateral

- 6.1 **[Borrower's obligation to provide Collateral]** Unless otherwise agreed, subject to the other provisions of this clause 6, the Borrower undertakes to deliver to or deposit with the Lender (or in accordance with the Lender's instructions) Collateral of the kind specified in the relevant Borrowing Request or as otherwise agreed between the Parties (together with appropriate instruments of transfer duly stamped (where necessary) and such other instruments as may be requisite to vest title thereto in the Lender) simultaneously with delivery of the Borrowed Securities by the Lender.
- 6.2 **[Global margining]**
- (a) **[Adjustments to Collateral]** Unless otherwise agreed between the Parties, subject to paragraph (b), clause 6.4 and paragraph 1.5 in Schedule 1:
- (i) The aggregate Value of the Collateral delivered to or deposited with the Lender or its nominated bank or depositary (excluding any Collateral repaid or redelivered under paragraph (ii) below (as the case may be)) in respect of all loans of Securities outstanding under this Agreement ("Posted Collateral") shall from day to day and at any time be at least the aggregate of the Required Collateral Values in respect of such loans.
 - (ii) If at any time the aggregate Value of the Posted Collateral in respect of all loans of Securities outstanding under this Agreement exceeds the aggregate of the Required Collateral Values in respect of such loans, the Lender shall (on demand) repay such Cash Collateral and/or redeliver to the Borrower such Equivalent Collateral as will eliminate the excess.
 - (iii) If at any time the aggregate Value of the Posted Collateral in respect of all loans of Securities outstanding under this Agreement falls below the aggregate of Required Collateral Values in respect of all such loans, the Borrower shall (on demand) provide such further Collateral to the Lender as will eliminate the deficiency.
- (b) **[Netting of Collateral obligations where a Party is both Lender and Borrower]** Unless otherwise agreed between the Parties, subject to clause 6.4 and paragraph 1.5 in Schedule 1, where paragraph (a) applies, if a Party (the "first Party") would, but for this paragraph, be required under paragraph (a) to repay Cash Collateral, redeliver Equivalent Collateral or provide further Collateral in circumstances where the other Party (the "second Party") would, but for this paragraph, also be required to repay Cash Collateral, redeliver Equivalent Collateral or provide further Collateral under paragraph (a), then the Value of the Cash Collateral, Equivalent Collateral or further Collateral

deliverable by the first Party ("X") shall be set-off against the Value of the Cash Collateral, Equivalent Collateral or further Collateral deliverable by the second Party ("Y") and the only obligation of the Parties under paragraph (a) shall be, where X exceeds Y, an obligation of the first Party, or where Y exceed X, an obligation of the second Party, (on demand) to repay Cash Collateral, redeliver Equivalent Collateral or deliver further Collateral having a Value equal to the difference between X and Y.

- 6.3 **[Required Collateral Value]** For the purposes of clause 6.2(a), the Value of the Posted Collateral to be delivered or deposited in respect of any loan of Securities, while the loan of Securities continues, shall be equal to the aggregate of the Value of the borrowed Securities and the Margin applicable thereto (the "**Required Collateral Value**").
- 6.4 **[Time for payment/repayment of Collateral]** Except as provided in clause 6.1 or clause 6.6, where any Cash Collateral is to be repaid, Equivalent Collateral is to be redelivered or further Collateral is to be provided under this clause 6, it shall be paid or delivered as stated in paragraph 1.4 in Schedule 1.
- 6.5 **[Substitution of Alternative Collateral]** The Borrower may from time to time call for the repayment of Cash Collateral or the redelivery of Equivalent Collateral prior to the date on which the same would otherwise have been repayable or redeliverable, provided that, at the time of such repayment or redelivery, the Borrower shall have delivered or delivers Alternative Collateral acceptable to the Lender.
- 6.6 **[Return of Collateral/Equivalent Collateral on redelivery of Equivalent Securities]**
- (a) Cash Collateral shall be repaid and Equivalent Collateral shall be redelivered at the same time as Equivalent Securities in respect of the Securities borrowed are redelivered.
 - (b) Where Collateral is provided through a book entry transfer system (such as Austraclear or RITS), the obligation of the Lender shall be to redeliver Equivalent Collateral through such book entry transfer system in accordance with this Agreement. If the loan of Securities in respect of which Collateral was provided has not been discharged when the Equivalent Collateral is redelivered, any payment obligation generated within the book entry transfer system on such redelivery shall, until the loan of Securities is discharged or further Collateral is provided, be deemed to constitute an obligation to pay Cash Collateral.
- 6.7 **[Receipt by Lender of Income on Collateral]** Where Collateral (other than Cash Collateral) is delivered in respect of which any Income may become payable and an Income Payment Date in respect of that Collateral occurs prior to the redelivery of Equivalent Collateral, then, unless such Income is paid directly to the Borrower, the Lender shall, on the date on which such Income is paid or on such other date as the Parties may from time to time agree, pay and deliver a sum of money or property equivalent to such Income (with any such endorsements or assignments as shall be customary and appropriate to effect the delivery) to the Borrower.
- 6.8 **[Borrower's rights re Collateral are not assignable]** The Borrower may not assign, transfer or otherwise dispose of, or mortgage, charge or otherwise encumber, or otherwise deal with its rights in respect of any Collateral without the prior written consent of the Lender.

- 6.9 **[Lender may set off obligation to repay or return Equivalent Collateral]** If the Borrower fails to comply with its obligation to redeliver Equivalent Securities, the obligation of the Lender in respect of any Collateral may be the subject of a set-off in accordance with clause 8.
- 6.10 **[Collateral provided to Lender's Nominee]** Without limiting clause 1.8, where Collateral is provided to the Lender's nominee, any obligation under this Agreement to repay or redeliver or otherwise account for Equivalent Collateral shall be an obligation of the Lender, notwithstanding that any such repayment or redelivery may be effected in any particular case by the nominee.

7 Redelivery of Equivalent Securities

- 7.1 **[Borrower's obligation to redeliver Equivalent Securities]** The Borrower undertakes to redeliver Equivalent Securities in accordance with this Agreement and the terms of the relevant Borrowing Request.
- 7.2 **[Lender may call for early redelivery of Equivalent Securities]** Subject to clause 8 and the terms of the relevant Borrowing Request, the Lender may call for the redelivery of all or any Equivalent Securities at any time by giving notice on any Business Day of not less than the Standard Settlement Time for such Equivalent Securities or the equivalent time on the exchange or in the clearing organisation through which the relevant borrowed Securities were originally delivered. The Borrower shall as hereinafter provided redeliver such Equivalent Securities not later than the expiry of such notice in accordance with the Lender's instructions.
- 7.3 **[Lender may terminate loan if Borrower defaults]** If the Borrower does not redeliver Equivalent Securities in accordance with such call, the Lender may elect to continue the loan of Securities ; **provided that**, if the Lender does not elect to continue the loan, the Lender may by written notice to the Borrower elect to terminate the relevant loan. Upon the expiry of such notice the provisions of clauses 8.2 to 8.5 shall apply as if upon the expiry of such notice an Event of Default had occurred in relation to the Borrower (who shall thus be the Defaulting Party for the purposes of this Agreement) and as if the relevant loan were the only loan outstanding.
- 7.4 **[Consequence of exercise of "buy-in" against Lender, as a result of Borrower default]** In the event that, as a result of the failure of the Borrower to redeliver Equivalent Securities to the Lender in accordance with this Agreement, a "buy-in" is exercised against the Lender, then, provided that reasonable notice has been given to the Borrower of the likelihood of such a "buy-in", the Borrower shall account to the Lender for the total costs and expenses reasonably incurred by the Lender as a result of such "buy-in".
- 7.5 **[Right of Borrower to terminate loan early]** Subject to the terms of the relevant Borrowing Request, the Borrower shall be entitled at any time to terminate a particular loan of Securities and to redeliver all and any Equivalent Securities due and outstanding to the Lender in accordance with the Lender's instructions.

8 Set-off etc.

- 8.1 **[Requirement for simultaneous delivery]** On the date and time that Equivalent Securities are required to be redelivered by the Borrower in accordance with the provisions of this Agreement the Lender shall simultaneously redeliver the Equivalent Collateral and repay any Cash Collateral held (in respect of the

Equivalent Securities to be redelivered) to the Borrower. Neither Party shall be obliged to make delivery (or make a payment as the case may be) to the other unless it is satisfied that the other Party will make such delivery (or make an appropriate payment as the case may be) to it simultaneously. If it is not so satisfied (whether because an Event of Default has occurred in respect of the other Party or otherwise), it shall notify the other Party and, unless that other Party has made arrangements which are sufficient to assure full delivery (or the appropriate payment as the case may be) to the notifying Party, the notifying Party shall (provided it is itself in a position, and willing, to perform its own obligations) be entitled to withhold delivery (or payment, as the case may be) to the other Party.

8.2 **[Netting following occurrence of Event of Default]** If an Event of Default occurs in relation to either Party, the Parties' delivery and payment obligations (and any other obligations they have under this Agreement) shall be accelerated so as to require performance thereof at the time such Event of Default occurs (the date of which shall be the "**Performance Date**" for the purposes of this clause), and in such event:

- (a) the Relevant Value of the Securities to be delivered (or payment to be made, as the case may be) by each Party shall be established in accordance with clause 8.3; and
- (b) on the basis of the Relevant Values so established, an account shall be taken (as at the Performance Date) of what is due from each Party to the other and (on the basis that each Party's claim against the other in respect of delivery of Equivalent Securities or Equivalent Collateral or any cash payment equals the Relevant Value thereof) the sums due from one Party shall be set-off against the sums due from the other and only the balance of the account shall be payable (by the Party having the claim valued at the lower amount pursuant to the foregoing) and such balance shall be payable on the Performance Date.

8.3 **[Relevant Value]** For the purposes of clause 8.2 the Relevant Value:

- (a) of any cash payment obligation shall equal its par value (disregarding any amount taken into account under (b) or (c) below);
- (b) of any Securities to be delivered by the Defaulting Party shall, subject to clause 8.4(b) and (c) below, equal the Offer Value thereof; and
- (c) of any Securities to be delivered to the Defaulting Party shall, subject to clause 8.4(b) and (c) below, equal the Bid Value thereof.

8.4 **[Bid Value/Offer Value]**

- (a) For the purposes of clause 8.3, but subject to (b) and (c) below, the Bid Value and Offer Value of any Securities shall be calculated as at the Close of Business in the most appropriate market for Securities of the relevant description (as determined by the Non-Defaulting Party) on the first Business Day following the Performance Date, or, if the relevant Event of Default occurs outside the normal business hours of such market, on the second Business Day following the Performance Date (the "**Default Valuation Time**").
- (b) Where the Non-Defaulting Party has, following the occurrence of an Event of Default but prior to the Default Valuation Time, purchased Securities forming part of the same issue and being of an identical type and description to those to be delivered by the Defaulting Party and in substantially the same amount as those Securities or sold Securities forming part of the same issue and being of

an identical type and description to those to be delivered by him to the Defaulting Party and in substantially the same amount as those Securities, the cost of such purchase or the proceeds of such sale, as the case may be, (taking into account all reasonable costs, fees and expenses that would be incurred in connection therewith) shall be treated as the Offer Value or Bid Value, as the case may be, of the relevant Securities for the purposes of this clause 8.

- (c) Where the amount of any Securities sold or purchased as mentioned in (b) above is not in substantially the same amount as those Securities to be valued for the purposes of clause 8.3, the Offer Value or the Bid Value (as the case may be) of those Securities shall be ascertained by:
 - (i) dividing the net proceeds of sale or cost of purchase by the amount of the Securities sold or purchased so as to obtain a net unit price; and
 - (ii) multiplying that net unit price by the amount of the Securities to be valued.

8.5 **[Interpretation: "Securities"]** Any reference in this clause 8 to Securities shall include any asset other than cash provided by way of Collateral.

8.6 **[Interpretation: "Event of Default"]** If the Borrower or the Lender for any reason fails to comply with its respective obligations under clause 6.6 in respect of the redelivery of Equivalent Collateral or the repayment of Cash Collateral, such failure shall be an Event of Default for the purposes of this clause 8, and the person failing to comply shall thus be the Defaulting Party.

8.7 **[Waiver of right to require simultaneous delivery]** Subject to and without prejudice to its rights under clause 8.1, either Party may from time to time in accordance with market practice and in recognition of the practical difficulties in arranging simultaneous delivery of Securities, Collateral and cash transfers waive its right under this Agreement in respect of simultaneous delivery and/or payment; **provided that** no such waiver in respect of one transaction shall bind it in respect of any other transaction.

9 Stamp duty, taxes etc and loss of tax benefits

9.1 **[Stamp duty etc]** The Borrower hereby undertakes promptly to pay and account for any transfer or similar duties or taxes, and any loan security or other stamp duties, (if any) chargeable in connection with any transaction effected pursuant to or contemplated by this Agreement, and shall indemnify and keep indemnified the Lender against any liability arising in respect thereof as a result of the Borrower's failure to do so.

9.2 **[Borrower to give Transfer of Dividend Statement to Lender re franked dividends]** If:

- (a) an Income Payment Date occurs during an Income Determination Period in relation to a particular loan of Securities;
- (b) had the Lender been the holder of those Securities on the relevant Income Payment Date, it would have received a Franked Dividend in respect of those Securities;

- (c) the Agreement or the relevant Confirmation states that the Lender is an Australian Taxpayer;
- (d) the failure of the Lender to receive a Franked Dividend is not due to any unreasonable act or omission by or on behalf of the Lender; and
- (e) neither item 7 in Schedule 1 nor the relevant Confirmation states that the Lender is **not** entitled to compensation for the loss of franking credits/rebates;

then:

- (f) the Borrower must either:
 - (i) as soon as practicable, and in any event within [10 Business Days] after the relevant Income Payment Date, give to the Lender a Transfer of Dividend Statement in respect of those Securities (which the Borrower is to be taken as having warranted is correct in all material respects and is effective for the purposes of Division 6A of Part IIIAA of the Tax Act); or
 - (ii) on the [10th Business Day] after the relevant Income Payment Date pay to the Lender an amount equal to the franking credit referable to the Franked Dividend.

9.3 [Borrower to compensate corporate Lender for loss of intercorporate dividend rebate re unfranked dividends] If:

- (a) an Income Payment Date occurs during an Income Determination Period in relation to a particular loan of Securities;
- (b) had the Lender been the holder of those Securities on the relevant Income Payment Date, it would have received an Unfranked Dividend in respect of those Securities;
- (c) the Agreement or the relevant Confirmation states the Lender is entitled to compensation for the loss of the intercorporate dividend rebate under the Tax Act;
- (d) the failure of the Lender to qualify for that rebate is not due to any unreasonable act or omission by or on behalf of the Lender; and
- (e) neither item 8 of the Agreement nor the relevant Confirmation states that the Lender is **not** entitled to compensation for the loss of that rebate;

then the Borrower must pay to the Lender an amount calculated as follows:

$$P = \frac{DT}{1-T}$$

Where:

P = the amount payable;

D = the amount of the Unfranked Dividend; and

T = the rate of income tax, expressed as a decimal, determined under the Tax Act at the relevant Income Payment Date as that payable in respect of the taxable

income of a company (other than a private company, a company in the capacity of a trustee or a non-profit company that is a friendly society dispensary).

9.4 **["Notifiable consideration" for the purposes of s26BC(3)(d) of the Tax Act]** For the purposes of section 26BC(3)(d) of the Tax Act, the notifiable consideration in respect of any loan of Securities is dissected as follows:

- (a) a fee - see clause 5.1(as applicable); and
- (b) other consideration - see clauses 4.2, 6 and 9 and the definition of "Equivalent Securities" in clause 26.

10 Lender's warranties

[Lender's warranties] Each Party hereby warrants and undertakes to the other on a continuing basis, to the intent that such warranties shall survive the completion of any transaction contemplated by this Agreement, that, where acting as a Lender:

- (a) it is duly authorised and empowered to perform its duties and obligations under this Agreement;
- (b) it is not restricted under the terms of its constitution or in any other manner from lending Securities in accordance with this Agreement or from otherwise performing its obligations under this Agreement;
- (c) it is absolutely entitled to pass full legal and beneficial ownership of all Securities provided by it under this Agreement to the Borrower free from all liens, charges, equities and encumbrances; and
- (d) where paragraph 3 in Schedule 1 specifies that this clause 10(d) applies, it is not resident in Australia for the purposes of the Tax Act and either:
 - (i) does not have a branch or other permanent establishment in Australia for the purposes of the Tax Act or of any applicable double tax agreement between Australia and its country of tax residence; or
 - (ii) if it does have such a branch or other permanent establishment in Australia, that the loan is not entered into in the course of carrying on business through such branch or permanent establishment.

11 Borrower's warranties

[Borrower's warranties] Each Party hereby warrants and undertakes to the other on a continuing basis, to the intent that such warranties shall survive the completion of any transaction contemplated by this Agreement, that, where acting as a Borrower:

- (a) it has all necessary licences and approvals, and is duly authorised and empowered, to perform its duties and obligations under this Agreement and will do nothing prejudicial to the continuation of such authorisation, licences or approvals;

- (b) it is not restricted under the terms of its constitution or in any other manner from borrowing Securities in accordance with this Agreement or from otherwise performing its obligations under this Agreement;
- (c) it is absolutely entitled to pass full legal and beneficial ownership of all Collateral provided by it under this Agreement to the Lender free from all liens, charges, equities and encumbrances; and
- (d) it is acting as principal in respect of this Agreement.

12 Events of Default

- 12.1 **[Events of Default]** Each of the following events occurring in relation to either Party (the “**Defaulting Party**”, the other Party being the “**Non-Defaulting Party**”) shall be an Event of Default for the purpose of clause 8:
- (a) the Borrower or Lender failing to pay or repay Cash Collateral or deliver or redeliver Collateral or Equivalent Collateral upon the due date, and the Non-Defaulting Party serves written notice on the Defaulting Party;
 - (b) the Lender or Borrower failing to comply with its obligations under clause 6, and the Non-Defaulting Party serves written notice on the Defaulting Party;
 - (c) the Borrower failing to comply with clause 4.2, clause 9.2 or clause 9.3 and the Non-Defaulting Party serves written notice on the Defaulting Party;
 - (d) an Act of Insolvency occurring with respect to the Lender or the Borrower and (except in the case of an Act of Insolvency which is the presentation of a petition for winding up or any analogous proceeding or the appointment of a liquidator or analogous officer of the Defaulting Party in which case no such notice shall be required) the Non-Defaulting Party serves written notice on the Defaulting Party;
 - (e) any representations or warranties made by the Lender or the Borrower being incorrect or untrue in any material respect when made or repeated or deemed to have been made or repeated, and the Non-Defaulting Party serves written notice on the Defaulting Party;
 - (f) the Lender or the Borrower admitting to the other that it is unable to, or it intends not to, perform any of its obligations hereunder and/or in respect of any loan hereunder, and the Non-Defaulting Party serves written notice on the Defaulting Party;

 - (b) of any breach of any of the warranties given in clause 14.5 below or of any event or circumstance which has the result that any such warranty would be untrue if repeated by reference to the current facts,

- (b) All the provisions of the Agreement shall apply separately as between the Borrower and each Principal for whom the Agent has entered into an Agency Transaction or Agency Transactions as if each such Principal were a party to a separate agreement with the Borrower in all respects identical with this Agreement other than this paragraph and as if the Principal were Lender in respect of that agreement; **provided that:**

- (c) The foregoing provisions of this clause do not affect the operation of the Agreement as between the Borrower and the Lender in respect of any transactions into which the Lender may enter on its own account as principal.

- 14.5 [Warranty by Lender] The Lender warrants to the Borrower that it will, on every occasion on which it enters or purposes to enter into a transaction as an Agency Transaction, have been duly authorised to enter into that loan and perform the obligations arising thereunder on behalf of the person whom it specifies as the Principal in respect of that transaction and to perform on behalf of that person all the obligations of that person under the agreement referred to in clause 14.4(b).

Schedule 3 - Supplementary Terms and Conditions

This schedule forms part of and amends the Master Securities Lending Agreement (including schedule 1) to which it is a Schedule, as follows:

- 1 Where the Lender enters into an Agency Transaction as defined in clause 14 of the Agreement for a Principal (as defined in clause 14).

(a) a new clause 2.3 is added as follows:

“no Borrowing Request shall specify a loan period in excess of 12 months. All loans are callable on demand and must be repaid within the standard settlement period for the market on demand.”;

(b) clause 5.1(b) is deleted and the following substituted:

“(b) for which there is no Cash Collateral, the Borrower must pay a fee to the Lender, calculated at the rate agreed between them, which fee the Lender shall credit to the account of the Principal, after deducting from that fee such amount as may be agreed between the Lender and the Principal;” and

(c) a new clause 14.6 is added:

“To the maximum extent permitted by applicable law, and except as expressly provided in clause 14.5, the Lender makes no representation and gives no warranty in relation to the Principal or as to the validity or enforceability of the Agreement or any Agency Transaction against the Principal.

- 2 The words “Borrowed Securities” are deleted where they appear in the second and fourth lines of clause 4.2(c) and replaced with the words “borrowed Securities”.

- 3 The word “collateral” is deleted where it appears in the third last line of clause 4.3 and replaced with the word “Collateral”.

- 4 A new clause 4.4 is added as follows:

“Where Securities are subject to a loan under this Agreement and those Securities are or become the subject of a dividend reinvestment plan, the Borrower will, if instructed by the Lender with at least one Business Day’s notice, take all necessary action to reinvest any dividend in accordance with that plan so that the Securities so acquired are added to the Securities the subject of the loan under this Agreement;

Where the above requirements may not otherwise be met, without limiting the Lender’s rights under this Agreement, the Lender may recall the loan in sufficient time for the requirements to be able to be met.”;

- 5 A new clause 4.5 is added as follows:

“Subject to the Lender providing at least one Business Day’s notice, the Borrower must take reasonable action to protect Corporate Action entitlements of the Lender (or where the Lender enters into an Agency Transaction, the Principal) in accordance with the instructions of the Lender.”;

- 6 The word “relate” is deleted where it appears in the eighth line of clause 5.3 and is replaced by the word “relates”.

- 7 A new clause 6.11 is added as follows:

“[Letters of Credit] If the Collateral in respect of any loan of Securities is or includes a letter of credit the Lender may only draw down under that letter of credit where the Borrower commits an Event of Default and upon the Lender drawing down, whether or not permitted under this clause 6.11, the Collateral (or that part of it represented by the letter of credit) becomes cash Collateral.”

- 8 Clause 9.2 is deleted and the following clause substituted:

“Unless the parties otherwise agree in writing, if the Borrower does not give the Lender (or where the Lender enters into an Agency Transaction, the Principal) a valid and effective transfer of dividend statement contemplated by section 160AQUA of the Income Tax Assessment Act 1936 at or about the time that an amount equal to a dividend, or a trust distribution attributable to a dividend, is paid in respect of lent securities, so that the Lender (or the Principal, as the case may be) is unable to claim a franking credit or rebate that it would have been able to claim had it held the Securities delivered pursuant to a loan during the period of that loan, then the Borrower must pay to the Lender (or the Principal, as the case may be) in cash, without any withholding or deduction for or on account of Taxes, an amount calculated as follows:

$$P = \frac{FT}{1-T}$$

where:

F = franked amount of dividend, or trust distribution attributable to a dividend.

T = the corporate tax rate expressed as a decimal (eg 0.36).

For example, if the corporate tax rate is 36% and the cash amount of a fully franked dividend was \$64:

earned on the Securities delivered pursuant to a loan during the period of the loan, the Borrower must pay the Lender in respect of that Income an amount of money equal to the gross amount of the relevant Income payable to the Borrower as if no such withholding or deduction for or on account of Taxes were made or required to be made."

- 12 A new clause is added after clause 9.4 as follows:

"Notwithstanding any other provision of this agreement, if a goods and services tax or any similar tax ("GST") is imposed in Australia:

- (a) in the event that GST has application to any supply made under this agreement the Lender may, in addition to any amount or consideration payable or to be provided pursuant to this agreement, recover from the Borrower an amount on account of GST, such amount to be calculated by multiplying the relevant amount or consideration payable to the Borrower for the relevant supply by the prevailing GST rate; and
- (b) without limiting the generality of the foregoing, in the event that the Lender is not entitled to an input tax credit in respect of the amount of any GST charged to or recovered from the Lender by any person, or payable by the Lender, or in respect of any amount which is recovered from the Lender by way or reimbursement of GST referable (directly or indirectly) to any supply made under or in connection with this agreement, the Lender shall be entitled to decrease the amount or consideration payable to the Client in accordance with this agreement in reimbursement of any such input tax.

3 RIGHTS AND TITLE

- 3.1 State Street and the Borrower shall execute and deliver all necessary documents and give all necessary instructions to procure that all right, title and interest in:

- (a) any Securities borrowed pursuant to clause 2;
- (b) any Equivalent Securities delivered pursuant to clause 10;
- (c) any Collateral delivered pursuant to clause 4;
- (d) any Equivalent Collateral delivered pursuant to clause 4 or 10,

shall pass from one Party to the other subject to the terms and conditions mentioned herein and on delivery or redelivery of the same in accordance with this agreement, free from all liens, charges and encumbrances. In the case of Securities or Collateral, title to which is registered on a computer based system which provides for the recording and transfer of title of such Securities or Collateral by way of book entries, delivery and transfer of title shall take place in accordance with the rules and procedures of such system as in force from time to time. The Party acquiring such right title and interest shall have no obligation to return or redeliver any of the assets so acquired but, in so far as any Securities are borrowed or any Collateral is delivered to such Party, such Party shall be obliged, subject to the terms of this agreement, to deliver Equivalent Securities and Equivalent Collateral, as applicable. Where title passes to State Street, it will receive this as trustee for the Relevant Client.

- 3.2 (a) The Relevant Client shall be entitled to receive all distributions (including payments upon maturity or other redemption) made on or in respect of the Borrowed Securities, the record or payable dates for which are during the term of the Loan and which are not otherwise received by the Relevant Client, to the full extent it would be so entitled if the Borrowed Securities had not been lent to Borrower, including, but not limited to:
- (i) all cash dividends;
 - (ii) all other distributions of cash or property;

- (iii) stock dividends and bonus issues;
 - (iv) securities received as a result of split-ups of the Borrowed Securities and distributions in respect thereof;
 - (v) interest payments;
 - (vi) all rights to elect the type of distribution; and
 - (vii) all rights to purchase additional securities
- (each a "Distribution").

In case of any Distribution comprising a payment, the amount ("Manufactured Dividend") payable by the Borrower shall be equal to the amount of the relevant Distribution, together with an amount equal to any tax credit associated with such Distribution (including for the avoidance of doubt, a franking credit under the Australian dividend imputation system) unless a lesser amount is agreed between the parties. Unless otherwise specified in the Applicable Appendix, Manufactured Dividends and other Distributions shall be paid gross of any withholding taxes.

Unless otherwise specified in the Applicable Appendix, each cash Distribution shall be paid to State Street in the same currency that the issuer of the Borrowed Security makes such Distribution. Any cash Distributions and non-cash Distributions (other than those in the nature of stock splits or stock dividends) made on or in respect of the Borrowed Securities which State Street is entitled to receive pursuant to this section shall be paid to State Street by the Borrower on payable, maturity, or redemption date, as applicable (the "Relevant Payment Date"). Non-cash Distributions which are in the nature of stock splits, stock dividends, or bonus issues and which are received by the Borrower shall be added to the Borrowed Securities and shall be considered such for all purposes, except that if the Borrowed Securities have been returned to State Street or if the Borrower is in Default hereunder, the Borrower shall forthwith deliver any such non-cash Distributions to State Street. With respect to the rights described in clause 3.2(a)(vi) the Borrower shall consult with State Street and follow State Street's instructions as to the exercise of such rights.

If the Borrower fails to remit either directly or by its nominee any Distribution on the Relevant Payment Date, the Borrower undertakes to pay interest thereon at the Default Rate to State Street or its agent (upon demand) on the amount due and outstanding, in the case of Cash Distributions, or on the Market Value thereof, in the case of non-cash Distributions, in accordance with clause 20. Such sum shall accrue daily commencing on and inclusive of the third Business Day after the Relevant Payment Date, unless otherwise agreed between the Parties.

- (b) Any payment to be made by the Borrower under this clause shall be paid in such manner as shall be agreed between the parties.

4 DELIVERIES AND TREATMENT OF COLLATERAL

- 4.1 Subject to clauses 4.2 and 4.3 below, no later than the Collateral Transfer Day that is coincident with or next precedes the Securities Trading Day upon which the Borrowed Securities are to be transferred to the Borrower (unless otherwise agreed in the Applicable Appendix), the Borrower shall deliver to State Street or its agent Collateral of a type agreed to by State Street and having a Collateral Value not less than the Minimum Margin Amount. The Borrower undertakes to deliver Collateral to the Relevant Custodian (or in accordance with State Street's instructions) together with appropriate instruments of transfer duly stamped and such other instruments as may be requisite to vest title thereto in State Street or the Relevant Client. The Collateral will be delivered by such one or more of the following methods as are agreed by the parties pursuant to clause 2.1:
- (a) the Borrower transferring funds by electronic means, physically delivering cash or a cheque or funds through an agreed Clearing Organization, which results in funds being immediately available to the Relevant Custodian;
 - (b) the Borrower delivering to State Street an irrevocable Letter of Credit;
 - (c) the Borrower delivering to State Street securities (of a type as the parties have agreed as acceptable in the Applicable Appendix) through an agreed Clearing Organization or in such other manner as may be agreed by the parties; or
 - (d) the Borrower delivering to State Street, one or more of such other types of Collateral as the parties have agreed, are acceptable in the Applicable Appendix.
- 4.2 Where Cash Collateral is provided the sum of money so transferred, as such sum may be adjusted in accordance with clause 6, shall be the property of State Street or the Relevant Client and there shall be no obligation on State Street to deliver Equivalent Collateral to the Borrower until Equivalent Securities (in respect of the Securities borrowed) are delivered to State Street or its agent. Subject to clause 5.3(b), an amount equal to the Cash Collateral may be paid to the Borrower at the same time as such delivery of Equivalent Securities takes place. The Borrower shall not have any interest in the Cash Collateral and shall not assign, charge, dispose of or otherwise deal with any right to a future payment in respect of the Cash Collateral. If the Borrower fails to comply with its obligations for such delivery of Equivalent Securities, State Street shall have the right to apply the Cash Collateral on behalf of the Relevant Client in accordance with clause 11. If the Cash Collateral is in a currency other than Australian dollars, State Street, shall, for the purpose of effecting any set-off in accordance with clause 11, have the right to convert the currency or currencies of the Cash Collateral into Australian dollars at the spot rate for the purchase of Australian dollars with such currency or currencies as quoted by State Street's bank at the date such set-off is effected.
- 4.3 The Borrower may from time to time call for the payment equivalent to any Cash Collateral or the delivery of Equivalent Collateral provided that immediately prior to such payment or delivery the Borrower delivers Alternative Collateral acceptable to State Street.
- 4.4 The Borrower acknowledges that any Cash Collateral is the property of State Street or the Relevant Clients and may be invested by State Street on behalf of the Relevant Clients. Such use or investment shall be at the risk of the Relevant Clients and, subject to the payment of an agreed rebate fee to the Borrower pursuant to clause 7.2, the Relevant Client shall be entitled to retain all income and profits therefrom and shall bear all losses therefrom.

- 4.5 The Borrower shall be entitled to receive all distributions made on or in respect of Non-Cash Collateral, the payment record or payable dates for which are during the term of the Loan and which are not otherwise received by the Borrower, to the full extent it would be so entitled if the Collateral had not been delivered to State Street provided that the amount, type or value of such distribution which the Borrower is entitled to receive hereunder shall not exceed the amount, type and value delivered by the issuer to State Street. Any distributions made on or in respect of such Collateral which the Borrower is entitled to receive under this clause shall be paid in the same currency as such distribution is paid by the issuer (unless otherwise specified in the Applicable Appendix), by State Street to the Borrower forthwith upon receipt by State Street, so long as the Borrower is not in Default at the time of such receipt.
- 4.6 Where the Parties have agreed to deliver Collateral or Equivalent Collateral through a settlement or a transfer system, the Parties agree to deliver Collateral or Equivalent Collateral strictly in accordance with the requirements of such system.

5 DELIVERIES AND TREATMENT OF BORROWED SECURITIES

- 5.1 On or after the Borrower has delivered Collateral as described in clause 4 State Street shall on the Securities Trading Day agreed to by the Parties, deliver the Borrowed Securities to the Borrower on behalf of the Relevant Clients by one of the following methods, as agreed by the Parties pursuant to clause 2.1:
- (a) by delivering to the Borrower certificates representing the Borrowed Securities together with such transfer documents as are customary for such securities in which event State Street shall list the Borrowed Securities on a schedule which the Borrower shall execute and return when the Borrowed Securities are received;
 - (b) by causing the Borrowed Securities to be credited to the Borrower's account at a Clearing Organization, and such crediting and debiting shall result in receipt by the Borrower and State Street of a Clearing Organization notice, which shall constitute a schedule of the Borrowed Securities; or
 - (c) by any other method customary for the delivery of securities at the Securities Trading Location and agreed to by the parties in the Applicable Appendix.
- 5.2 The Borrower shall exercise all of the incidents of ownership with respect to the Borrowed Securities, including the right to transfer the Borrowed Securities to others, until Equivalent Securities are delivered to State Street in accordance herewith.
- 5.3 With respect to any rights to acquire additional securities referred to in clause 3.2 hereof, State Street may, at its sole option on behalf of the Relevant Client:
- (a) direct in a timely manner the Borrower to purchase additional Securities subject to first placing the Borrower in sufficient funds to make such purchase; or

- (b) terminate the Loan of Securities so that the Relevant Client may exercise its purchase rights.

In the case of option (a) above, the Borrower may elect either:

- (i) to retain such additional Securities as part of its Loan in which case State Street and the Borrower shall make such arrangements as are necessary to provide that the Borrower has adequate funds to purchase such additional Securities and that the Loan of such additional Securities is collateralized as required by clause 4; or
- (ii) to deliver such additional Securities to the Relevant Custodian (on the date specified by State Street).

In the case of option (b) above, the applicable provisions of this agreement regarding the termination of Loans shall apply.

- 5.4 In addition to State Street's rights under clause 11, if State Street does not receive all Distributions as required by clause 3.2, then State Street, on behalf of the Relevant Client, shall be entitled immediately to set-off against the Collateral the amount (or an amount equivalent) in question and if the amount in question exceeds the Collateral, the Borrower shall forthwith pay State Street the excess.
- 5.5 If the Relevant Client does not receive a Franked Dividend on Borrowed Securities in circumstances where the Relevant Client would have been entitled to a Franked Dividend if it had remained the owner of such Borrowed Securities, then unless State Street advises otherwise in addition to any dividend or dividend equivalent amount received by the Relevant Custodian, the Borrower shall pay to the Relevant Custodian State Street or its agent at the time of payment of the dividend or dividend equivalent amount an amount, determined in accordance with Appendix 2 thereto by way of compensation to the Relevant Client for the loss of any imputation credit it would otherwise have been entitled to.

6 MARKS TO MARKET: MAINTENANCE OF COLLATERAL

- 6.1 The Borrower shall daily mark to market any Loans hereunder and in the event that as of the opening of business on any Collateral Transfer Day, the Collateral Value of all the Collateral delivered by the Borrower to the Relevant Custodian with respect to any Loan hereunder shall be less than the Minimum Margin Amount, the Borrower shall deliver to State Street or its agent additional Collateral by the close of such Collateral Transfer Day, so that the Collateral Value of such additional Collateral, when added to Collateral Value previously delivered with respect to such Loan, shall equal at least the Minimum Margin Amount.
- 6.2 In the event that as of the opening of business on any Collateral Transfer Day, the Collateral Value of all the Collateral delivered by the Borrower with respect to any Loan hereunder shall be less than the Minimum Margin Amount, State Street may, by oral notice to the Borrower on such Collateral Transfer Day, demand that the Borrower deliver to State Street or its agent additional Collateral so that the Collateral Value of such additional Collateral, when added to the Collateral Value of the Collateral previously delivered with respect to such Loan, shall equal at least the Minimum Margin Amount.

- 6.3 In the event that as of the opening of business on any Collateral Transfer Day, the Collateral Value of all Collateral delivered hereunder by the Borrower with respect to any Loan shall be greater than the Maximum Margin Amount, the Borrower may, by oral notice to State Street on such Collateral Transfer Day, demand that State Street procure the delivery to the Borrower of such amount of Equivalent Collateral as may be selected by the Borrower, so long as the Collateral Value of the remaining Collateral equals at least the Minimum Margin Amount.
- 6.4 Collateral required to be delivered pursuant to clause 6.1, 6.2 and 6.3 shall be delivered by a method described in clause 4.1, as agreed to by the Parties pursuant to clause 2.1 provided that where Equivalent Collateral is to be delivered to the Borrower, the delivery of Equivalent Collateral in respect of Collateral delivered under clause 4.1(b) shall mean the appropriate reduction of the Permitted Amount under the Letter of Credit evidenced by documentation satisfactory to State Street in its sole discretion.
- 6.5 Unless otherwise specified in the Applicable Appendix the timing of the delivery of Collateral in response to a notice and demand made pursuant to clause 6.2 or 6.3 shall be as follows:

 - (B) additional Collateral is required to be delivered on that next Collateral Transfer Day pursuant to clause 6.1.
 - (b) If the Collateral Location is not in Australia:

 - (A) such notice has been superseded by a proper demand made pursuant to section 6.3 given before the Notice Deadline (if applicable) of that next Collateral Transfer Day; or
 - (B) additional Collateral is required to be delivered pursuant to section 6.1.

7 FEES AND COSTS

- 7.1 When the agreement to lend Securities is made, the Borrower and State Street shall agree on the basis of remuneration to be paid in respect of the Loan. The Notifiable Consideration will be as set out in item 7.1 of Appendix 1.
- 7.2 To the extent that a Loan of Borrowed Securities is collateralized by Cash Collateral, the parties may agree that State Street's remuneration shall consist of the right to use and invest such Cash Collateral, and that, in consideration for such right to use and invest Cash Collateral on behalf of the Relevant Client, State Street will pay the Borrower a loan rebate fee computed for each such Loan based on the amount of Cash Collateral delivered with respect to such Loan. Unless otherwise specified in the Applicable Appendix the amount of such loan rebate shall be computed daily from the first Collateral Transfer Day that Cash Collateral is delivered in respect of such Loan. Computation of such loan rebate fee shall be made daily through and including the earliest of:
- (i) the Collateral Transfer Day next preceding the Collateral Transfer Day such Cash Collateral is returned to the Borrower or as otherwise specified in the Applicable Appendix;
 - (ii) the date of Default by the Borrower; and
 - (iii) the date State Street gives notice of termination pursuant to clause 10.2 provided that the Parties may mutually agree that a loan rebate fee will be paid for all or an agreed upon number of days after such notice is given (but in no event for a period beyond the earliest of the dates described in points (i) and (ii)).
- Such loan rebate fee shall be payable in the currency of the Collateral Location (unless otherwise specified in the Applicable Appendix):
- (i) in the case of corporate securities, before the tenth Collateral Transfer Day following the rendering of a correct invoice by the Borrower; and
 - (ii) in the case of government securities, upon the date the Equivalent Securities are delivered to State Street upon termination of the Loan, so long as in either case, as applicable, the Borrower is not in Default at the time such payment is due.
- 7.3 To the extent that a Loan of Borrowed Securities is collateralized by Non-Cash Collateral, the Parties may agree that the Borrower shall pay to State Street a loan premium based on the par value or Market Value, as the Parties may agree, of any Borrowed Securities that are debt securities and the Market Value assigned to any Borrowed Securities that are equity securities, at the time the Loan is made, as adjusted by any daily marks to market processed subsequently. The amount of such loan premium shall be computed daily from the first Securities Trading Day that the Borrowed Securities are delivered to the Borrower, through and including the date next preceding the date on which Equivalent Securities are returned to State Street pursuant to clause 10 or the date that State Street makes a purchase of securities or an election to exercise its rights pursuant to clause 11. Securities Trading Location (unless otherwise specified in the Applicable Appendix) upon the earliest of the following:

- 8.4 The Borrower hereby warrants and undertakes to State Street (for itself and on behalf of the Clients) on a continuing basis to the intent that such warranty shall survive the completion of any transaction contemplated herein that the Borrower is absolutely entitled to pass in full beneficial ownership of all Collateral provided by it hereunder to the Relevant Client free from all liens, charges and encumbrances.
- 8.5 The Borrower represents that the statements provided to State Street pursuant to clause 9.1 fairly represent its financial condition and the financial condition of any parent company as of the date of such statements, and that there has been no

material adverse change in its financial condition or the financial condition of any parent company since that date that has not been disclosed in writing to State Street. As long as any Loan is outstanding under this agreement, the Borrower will promptly deliver to State Street all such financial information that is subsequently available, and any other financial information or statements that State Street may reasonably request.
- 9.2 The Borrower agrees to be liable as principal with respect to its obligations hereunder.
- 9.3 The Borrower agrees to cause every Letter of Credit delivered by it and constituting Collateral hereunder to be renewed or replaced by Collateral of equal current Market Value to the Letter of Credit it is replacing (including, without limitation, a renewal or replacement Letter of Credit) satisfactory to State Street in its sole discretion at least three business days prior to the scheduled expiration date of such Letter of Credit or at any time in the event that State Street in its sole discretion otherwise determines that such Letter of Credit shall no longer constitute Collateral.

- 9.6 State Street undertakes, for the benefit of the Borrower, that it will notify the Borrower forthwith in the event that the authority of State Street to act on behalf of any Relevant Client in connection with any Loan is in any way modified or withdrawn.

10 **TERMINATION OF LOAN WITHOUT DEFAULT**

- 10.1 The Borrower may cause the termination of a Loan, at any time, by delivering Equivalent Securities to the Relevant Custodian. For the avoidance of doubt any reference herein or in any other agreement or communication between the parties (howsoever expressed) to an obligation to redeliver or account for or act in relation to Borrowed Securities shall accordingly be construed as a reference to an obligation to deliver or account for or act in relation to Equivalent Securities.
- 10.2 State Street may cause the termination of a Loan by giving notice of termination of such Loan to the Borrower prior to the close of business on any Securities Trading Day. Upon such notice, the Borrower shall deliver Equivalent Securities to the Relevant Custodian, no later than the earlier of:-
 - (a) the close of the last Securities Trading Day of the customary delivery period for such Securities following the day on which State Street gives notice of termination of such Loan to the Borrower; or
 - (b) except as otherwise agreed in the Applicable Appendix, the close of the fifth Securities Trading Day following the day on which State Street gives notice of termination of such Loan to the Borrower.
- 10.3 Unless otherwise provided in the Applicable Appendix, if a Loan shall not have been sooner terminated by Lender or the Borrower, it shall be terminated automatically on the first anniversary of the Loan. In such event, the Borrower shall deliver the Borrowed Securities to the Lender no later than such first anniversary date.
- 10.4 The Borrower's delivery of Equivalent Securities to State Street pursuant to clauses 10.1 or 10.2 shall be made by a method permitted under clause 5.1. No later than the close of the Collateral Transfer Day that next follows the Securities Trading Day upon which the Borrower so delivers the Equivalent Securities State Street shall return the Collateral or delivery Equivalent Collateral with respect to such Loan (as adjusted pursuant to clause 6) to the Borrower, together with any amounts not primarily paid to the Borrower pursuant to clause 4.5. If the Collateral is a Letter of Credit, delivery of Equivalent Securities shall be considered final settlement payment.

11 **SET-OFF**

- 11.1 Upon the occurrence of an Event of Default in relation to a Party (the "Defaulting Party") the other Party shall be entitled (in addition to any other remedies provided herein or under any applicable law and without further notice to

the Defaulting Party) to withhold delivery or payment, as the case may be, under any outstanding delivery or payment obligation it has at the time of the occurrence of such Event of Default and in this event:

- (a) the Defaulting Party's delivery and payment obligations (and any other obligations it has under this agreement) shall be accelerated so as to require performance thereof at the time the Event of Default occurs;
- (b) the Relevant Value of the Securities to be delivered (or payment to be made, as the case may be) by each Party shall be established in accordance with clause 11.2; and
- (c) on the basis of the Relevant Values so established, an account shall be taken (as at the occurrence of the Event of Default (**the "Value Date"**)) of what is due from each Party to the other and (on the basis that each Party's claim against the other in respect of delivery of Equivalent Securities or Equivalent Collateral or any cash payment equals the Relevant Value thereof) the sums due from one Party shall be set-off against the sum due from the other and only the balance of the account shall be payable (by the Party having the claim valued at the lower amount pursuant to the foregoing) and such balance shall be payable on the Value Date,

but such that the provisions set out above will apply separately in respect of the obligations owed by and the each Relevant Client, so as to result in a separate account being taken for transactions relating to each Relevant Client.

11.2 For the purposes of clause 11.1 the Relevant Value:

- (a) of any cash payment obligation shall equal its par value in the Base Currency (any conversion required in respect of any Currency obligation in a currency other than the Base Currency to be made in accordance with clause 16 hereof);
- (b) of any Securities due to be delivered to the Defaulting Party shall, subject to paragraph (d) below, equal the Offer Value thereof; and
- (c) of any Securities to be delivered by the Defaulting Party shall, subject to paragraph (d) below, equal the Bid Value thereof; and
- (d) the Relevant Values so established shall be adjusted to take account of any sums then owing by either Party to the other under the terms of this agreement.

11.3 For the purposes of clause 11.2 the Bid Value and Offer Value of any Securities shall be calculated at the close of business in the relevant market for such Securities on the Value Date.

11.4 Any reference in this clause 11 to Securities shall include any asset other than cash provided by way of Collateral.

11.5 If the Borrower or State Street on behalf of the Relevant Client for any reason fails to comply with its respective obligations under clauses 4.3 or 4.4 to call for the delivery of or deliver Equivalent Collateral or return Cash Collateral the provisions

of sub-paragraphs (a) and (b) of clause 11.1 and clauses 11.2 and 11.3 shall apply and the Party who has failed to comply with its obligations shall be treated as the Defaulting Party for the purpose of such provisions. If State Street is the Defaulting Party the provisions set out in paragraphs (a) and (b) of clause 11.1 shall apply separately in respect of the obligations owed by and to each Relevant Client, so as to result in a separate amount being owed by or to the Borrower in respect of each Relevant Client.

- 11.6 Where, pursuant to the provisions of this agreement, a Party performs an obligation in respect of the delivery of Securities or Collateral or the payment or transfer of money (by way of deposit or otherwise) at a time when the other Party, in accordance with this agreement, is required to perform a similar obligation but, nevertheless, the second Party's obligation remains unperformed, the second Party shall hold on trust for the first Party any assets (including cash) that it receives from the first Party prior to the performance of its own obligation being completed **PROVIDED ALWAYS THAT** the second Party shall be at liberty to dispose of any such assets to the extent such disposal occurs in the ordinary course of its business for the settlement of bargains and **PROVIDED FURTHER THAT** any such trust shall terminate upon the completion of the performance of the aforesaid obligations of the second Party or disposal of such assets whichever shall first occur.
- 11.7 Without limiting the foregoing provisions of this clause 11 and any remedies under any applicable law if an Event of Default occurs in relation to the Borrower, State Street may terminate all or any of the Loans and seek recovery of damages from the Borrower.
- 11.8 Without limiting the foregoing provisions of this clause 11 and any remedies under any applicable law if an Event of Default occurs in relation to either State Street or the Relevant Client, Borrower may terminate all or any Loans made by that Relevant Client and seek recovery of damages from State Street on behalf of that Client.

Both State Street and its Client shall be deemed "parties" to this Agreement such that all references to State Street in this Agreement shall be deemed to include references to each Client; provided, however, a default by State Street and/or Client with respect to a loan or loans on behalf of one Client shall be an event of default by that Client and the Borrower may not treat all other loans between Borrower and State Street (on behalf of non-defaulting Clients) as being in Default.

- 13.1 The Borrower hereby indemnifies and hold harmless State Street, State Street's agents, each Client, and in the case of a Client that is an employee benefit scheme, pension fund or collective investment scheme, the trustees of such scheme or fund, from any and all reasonable and foreseeable damages, losses, costs, and expenses (including legal fees and expenses) that State Street or any such Client, scheme or fund sponsor or trustee may incur or suffer due to the Borrower's Default or other failure to perform its obligations under this agreement. This right to indemnification shall survive the termination of any Loan or of this agreement. In no case shall Borrower have any liability punitive or exemplary damages.
- 13.2 The Borrower hereby indemnifies and shall keep State Street and the Relevant Client indemnified against all Taxes (but excluding, for the avoidance of doubt, any tax in respect of fees payable under this Agreement or income tax) chargeable in connection with the provision of Borrowed Securities to the Borrower, the provision of Collateral to State Street, and the delivery of Equivalent Securities and Equivalent Collateral pursuant to this Agreement (including in respect of the failure by the Borrower to duly and punctually perform its obligations under this Agreement) except that the Borrower shall not be responsible for any Taxes assessed against or incurred as a result of State Street's or the Client's negligence or failure to act consistently with this Agreement, or for any Taxes incurred as a result of any scheme entered into by State Street or any Client. - 13.3 As State Street enters into this agreement as agent for the Clients State Street itself shall have no personal liability under this agreement except in respect of any breach of any representation, warranty or undertaking made by State Street in this agreement. The liability of the Clients in respect of the duties and obligations accepted hereby by State Street on their behalf shall be several and not joint.

14 WAIVER

The failure of either party to insist upon strict adherence to any term of this agreement on any occasion shall not be considered a waiver or deprive that party of the right thereafter to insist upon strict adherence to that term or any other term of this agreement. Appendix 2

The compensatory payment under Clause 5.5 will be calculated and made as follows:

Where:

- (a) during the period of a Loan the holders of Loaned Securities or Equivalent Securities, as applicable, (or any of them) become entitled to the franked dividend in respect of those Securities;

- (c) the Relevant Client is a taxpayer within the meaning of the Tax Act; and
- (d) the Relevant Client not receive the full benefit of the imputation credit attached to the franked dividend paid on the Borrowed Securities,

then the Borrower is required to compensate the Relevant Client for the loss of that imputation credit by payment on the relevant distribution payment date of an amount calculated in accordance with the following formula:

$$P - \frac{FxT}{1-T}$$

Where:

P is the amount payable;

F is the amount of the franked dividend and

T is the rate of income tax, expressed as a decimal determined under the Tax Act as that payable in respect of a company (other than a private company, a company in the capacity of a trustee or a non-profit company that is a dispensary or a friendly society).

Words having a defined meaning in the Agreement have the same meaning when used in this letter. "Tax Act" means the Income Tax Assessment Act as amended or replaced from time to time.
