Chairman's letter

Dear ClearView Shareholder,

CCP BidCo is pleased to enclose an Offer to acquire all of your shares in ClearView Wealth Limited. CCP BidCo is an entity owned and controlled by Crescent, an Australian private equity manager which invests in Australian and New Zealand companies.

CCP BidCo is offering certainty of value for Your ClearView Shares. Under the Offer you will receive \$0.50 for each ClearView Share you hold, which represents a premium to recent trading levels of ClearView Shares:

- 8% premium to ClearView's closing share price of \$0.465 on 11 July 2012 (the day before CCP BidCo announced its takeover bid for ClearView); and
- 9% premium to ClearView's 6-month volume weighted average price of \$0.46 per share up to and including 11 July 2012.

The Offer is fully funded and CCP BidCo has committed equity and debt financing for the acquisition of ClearView Shares, details of which are set out in section 5. The Offer is subject to certain conditions which are set out in section 9.7, including the Minimum Acceptance Condition.

This Offer allows you to sell some or all of your shareholding in ClearView, a stock which has low trading liquidity, without paying any stamp duty and generally without incurring any brokerage charges.

CCP BidCo has entered into Put and Call Option Deeds and Standstill Agreements with some of the existing shareholders of ClearView and other potential investors. Details of the Put and Call Option Deeds and the Standstill Agreements are set out in section 8. As a result of entry into the Put and Call Option Deeds and the Standstill Agreements, CCP BidCo currently has a relevant interest in 11.6% of ClearView Shares.

You should read this Bidder's Statement carefully and in full. The Offer is open for your acceptance until 7.00pm Sydney time on Friday 7 September 2012, unless extended. To accept the Offer, please follow the instructions in this Bidder's Statement and the enclosed Acceptance Form.

I encourage you to accept this Offer as soon as possible. If you have any questions about the Offer, please contact your legal, financial, tax or other professional adviser, or call the CCP BidCo Offer Information Line on 1800 134 068 (within Australia) or +61 2 8280 7732 (international).

Yours sincerely

Michael Alscher
Chairman
CCP BidCo Pty Limited

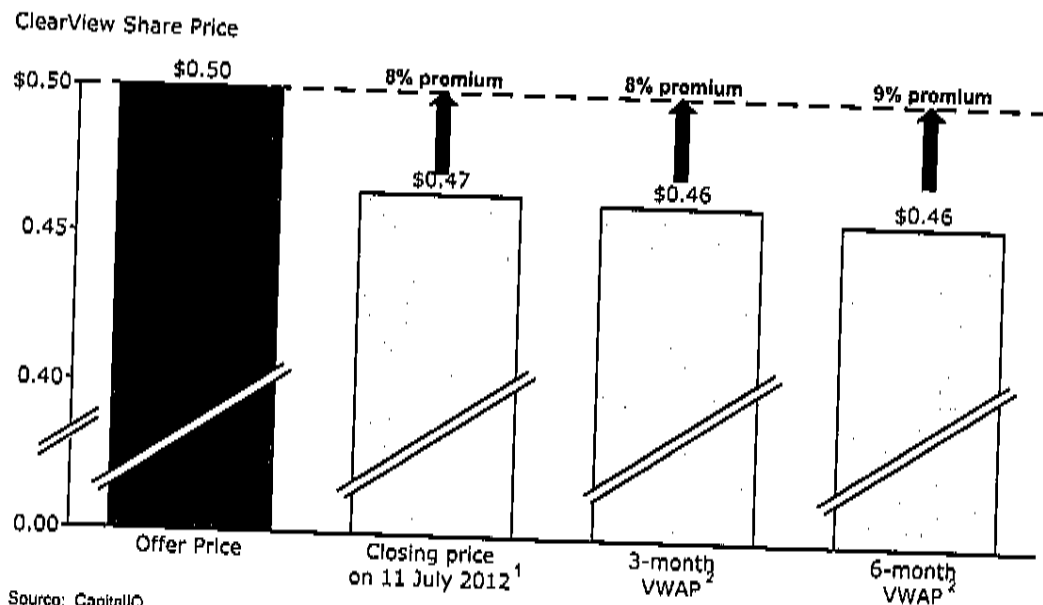

Why you should accept the Offer

1. \$0.50 provides a premium of 8% for Your ClearView Shares¹
2. You will be paid a certain cash value for Your ClearView Shares
3. The Offer allows you to sell some or all of your shareholding in ClearView, a stock that has low trading liquidity
4. You will not incur any stamp duty and generally will not incur brokerage charges

¹ Relative to the closing price of ClearView Shares on 11 July 2012, being the last trading day prior to the announcement of the Offer.

1. \$0.50 provides an 8% premium for Your ClearView Shares²

The Offer Price of \$0.50 per ClearView Share provides a premium for Your ClearView Shares relative to recent trading prices:

Source: CapitalIQ

¹ Being the last trading day prior to the announcement of the Offer

² Volume weighted average trading price of ClearView Shares over the relevant period up to and including 11 July 2012

The Offer Price is an 8% premium to the last trading of ClearView Shares prior to the announcement of this Offer and is an 8% and 9% premium to the volume weighted average trading price of ClearView Shares over the last three and six months (respectively).

2. You will be paid a certain cash value for Your ClearView Shares

You will receive the Offer Price of \$0.50 per ClearView Share in cash. This provides you with certainty of value for Your ClearView Shares.

If you accept the Offer you will be paid the Offer Price of \$0.50 cash per ClearView Share by the earlier of:

- 1 month after this Offer is accepted or one month after all of the conditions have been waived or fulfilled (whichever is the later); and
- 21 days after the end of the Offer Period,

subject to satisfaction or waiver of all of the conditions to the Offer set out in section 9.7.

² Relative to the closing price of ClearView Shares on 11 July 2012, being the last trading day prior to the announcement of the Offer.

3. The Offer allows you to sell some or all of your shareholding in ClearView, a stock that has low trading liquidity

ClearView Shares have historically had low trading liquidity on the ASX. For example, over the last 12 months, a total of 3% of the total number of ClearView Shares on issue were traded. Shares with low trading liquidity can be more difficult to sell on-market in a single transaction. This Offer provides you with an opportunity to dispose of all Your ClearView Shares for a certain value.

4. You will not incur any stamp duty and generally will not incur brokerage charges

You will not be obliged to pay stamp duty if you accept the Offer.

If Your ClearView Shares are registered in an Issuer Sponsored Holding in your name and you deliver them directly to CCP BidCo, you will not incur any brokerage charges. If Your ClearView Shares are registered in a CHESS Holding, you should ask your Controlling Participant (usually your broker) whether it will charge any transaction or service fees in connection with the Offer.

If you sell Your ClearView Shares on the ASX (rather than under the Offer), you may incur brokerage charges (and, potentially, GST on those charges).

ClearView is required to lodge various documents with ASIC. Copies of documents lodged with ASIC by ClearView may be obtained from, or inspected at, an ASIC office.

Further information about ClearView is available at www.clearview.com.au.

³ BidCo's substantial holding arises because of the associations referred to in section 2.4 and its rights under the Put and Call Option Deeds and the Standstill Agreements and not through a separate holding of ClearView Shares.

4 Information on ClearView's securities

4.1 ClearView's issued securities

According to documents provided by ClearView to ASX, as at the date of this Bidder's Statement:

- (a) ClearView's issued securities consisted of 440,437,192 ClearView Shares; and
- (b) ClearView had no options on issue.

ClearView has an employee share plan under which directors, executives, senior employees and select advisers that join ClearView may be issued parcels of ClearView Shares (**Employee Share Plan**). ClearView's 2011 Annual Report states that ClearView may provide financial assistance by way of a limited recourse loan for the purpose of subscribing for ClearView Shares under the Employee Share Plan. Such loan is said to be equal to the purchase value of the ClearView Shares and repayable within 5 years. Based on ClearView's half year 2012 results and subsequent ASX announcements, there are approximately 31,125,000 ClearView Shares on issue under the Employee Share Plan, with a further 10,492,488 ClearView Shares currently available for issue to eligible advisers joining the ClearView dealer group. Based on ClearView's half year 2012 results, as at 31 December 2011, ClearView had \$13.4 million of loans receivable in relation to the Employee Share Plan.

ClearView's 2011 Annual Report states that the Employee Share Plan rules include an acceleration provision which may be triggered by a change of control. If the Offer is successful, it is likely to result in a change of control of ClearView. ClearView's 2011 Annual Report, describes the effect of the provision as being that, on a change of control, all performance and other such conditions in relation to ClearView Shares issued under the Employee Share Plan will be deemed to have been satisfied and the recipient will be entitled to their ClearView Shares.

As at the date of this Bidder's Statement and the date of the Offer:

- (a) CCP BidCo's voting power in ClearView was 12.31%; and

Associates of CCP BidCo made the following dealings in shares during the 4 months before the date of this Bidder's Statement. On 29 March 2012, Ariadne Australia Limited (**Ariadne**), through an entity named Portfolio Services Pty Limited acquired 1,950,076 ClearView Shares at \$0.44 per ClearView Share. On 13 June 2012, Ariadne through Portfolio, acquired 32,049 ClearView Share at \$0.45 per ClearView Share and on 19 June 2012 acquired 1,000 ClearView Shares at \$0.45 per ClearView Share.

4.4 Recent share price performance of ClearView

4.5 No pre-Offer benefits

During the period commencing 4 months before the date of this Bidder's Statement, and the period from the date of this Bidder's Statement to the date before the date of the Offer, neither CCP BidCo nor any associate of CCP BidCo gave, or offered to give, or agreed to give a benefit to another person which was likely to induce the other person, or an associate of the other person, to:

- (a) accept the Offer; or
- (b) dispose of ClearView Shares,

and which is not offered to all holders of ClearView Shares under the Offer.

4.6 No escalation agreements

Neither CCP BidCo nor any associate of CCP BidCo has entered into any escalation agreement that is prohibited by section 622 of the Corporations Act.

5 Sources of consideration

5.1 Total consideration

The consideration for the acquisition of the ClearView Shares to which the Offer relates will be satisfied by the payment of cash for each ClearView Share.

The maximum amount of cash that CCP BidCo would be required to pay under the Offer if acceptances are received for all ClearView Shares on issue as at the date of this Bidder's Statement is approximately \$220 million⁴.

CCP BidCo, in determining the amount of funding required under the Offer, has reasonable grounds not to expect acceptances in respect of ClearView Shares held by Ariadne Australia Limited (12,983,125 ClearView Shares), Investec Bank (Australia) Limited (IBA) (5,000,000 ClearView Shares)⁵, Gary Burg (1,120,000 ClearView Shares) and Laurence Nestadt (430,000 ClearView Shares) which together account for 4.4% of ClearView Shares.

IBA has entered into a Standstill Agreement, under which it agrees not to accept the Offer, dispose or otherwise deal with 5,000,000 of its 7,937,647 ClearView Shares. IBA's standstill obligations fall away if the Offer Period is still on foot 4 months after the date of the Standstill Agreement. As described in section 5.2(e), if CCP BidCo is ultimately required to acquire these ClearView Shares, the Crescent Funds have committed funds to CCP BidCo in order to fund such acquisition.

Ariadne, Gary Burg and Laurence Nestadt have entered into Put and Call Option Deeds whereby they have agreed not to accept the Offer in respect of their ClearView Shares and to not dispose of any of their ClearView Shares.

In aggregate this means that 19,533,125 ClearView Shares (or 4.4% of ClearView Shares) will not be accepted into the Offer during the Offer Period⁶. The effect of these commitments is to reduce the maximum amount that CCP BidCo could be required to pay under the Offer by approximately \$9.8 million from approximately \$220 million to approximately \$210.45 million (Offer Amount)⁷.

5.2 Sources of cash consideration

The cash required to fund the Offer Amount will be obtained by CCP BidCo from:

- the Crescent Advised Parties pursuant to the Equity Commitment Letter;
- the counterparties to the Put and Call Option Deeds; and

⁴ As described in section 4.1, ClearView has approved the allocation and Issue of up to a further 10,492,488 ClearView Shares under the Employee Share Plan. While the Offer does not extend to any ClearView Shares which are allocated and issued pursuant to those arrangements, if CCP BidCo becomes entitled to proceed to compulsory acquisition of outstanding ClearView Shares in accordance with Part 6A.1 of the Corporations Act, and CCP BidCo elects to exercise that right, any such ClearView Shares may be acquired pursuant to that compulsory acquisition procedure. The funds necessary to pay for these ClearView Shares would be obtained pursuant to the funding arrangements described in section 5.2(e). Any ClearView Shares acquired in this way would ultimately be transferred to the Crescent Funds in the proportions set out in section 8.5.

⁵ As at the Date of this Bidder's Statement, Investec Bank Australia Limited has a relevant interest in 7,937,647 ClearView Shares; however, only 5,000,000 of those ClearView Shares are the subject of its Standstill Agreement.

⁶ This assumes that the Offer will close before IBA's standstill obligations (referred to above) fall away. As noted above and below, if CCP BidCo is ultimately required to acquire the ClearView Shares the subject of those standstill obligations, the Crescent Funds have committed funds to CCP BidCo in order to fund such acquisition – see further section 5.2(e).

⁷ The Offer Amount excludes any cash consideration that CCP BidCo may be required to pay in order to acquire any ClearView Shares of a kind referred to in section 5.2(e). The source of any such cash consideration is separately described in section 5.2(e) and is sufficient to pay for all such ClearView Shares.

- the Financiers pursuant to the Bridge Facility.

Details of each source of funding is set out below.

(a) Crescent Advised Parties

\$109.3 million of the cash required to fund the Offer Amount will be obtained by drawing down on the equity commitments of the Crescent Advised Parties. The Crescent Advised Parties each have a contractual obligation to pay an amount in accordance with an equity commitment letter in favour of CCP BidCo dated 11 July 2012 (**Equity Commitment Letter**) which in aggregate equals \$109.3 million. The amounts payable under the Equity Commitment Letter are a pre-payment of the purchase price for the ClearView Shares which CCP BidCo may transfer to each relevant Crescent Advised Party in accordance with the Equity Commitment Letter.

Each Crescent Advised Party warrants in the Equity Commitment Letter that, as at the date of that letter, it has, and will at all times between the date of the Equity Commitment Letter and the completion of the Offer have sufficient funds available to fund its equity commitment in full as required under the Equity Commitment Letter.

The Crescent Advised Parties include MIML which has executed a co-investment deed with Crescent, pursuant to which Crescent will manage its investment in ClearView pursuant to the Equity Commitment Letter.

Details of the Equity Commitment Letter are set out in section 8 together with information regarding the Crescent Advised Parties.

(b) Put and Call Option Deed

Up to \$26.1 million of the cash required to fund the Offer Amount will be obtained from the counterparties to the Put and Call Option Deeds.

The counterparties to the Put and Call Option Deeds each have a contractual obligation under the Put and Call Option Deeds to pay an amount, as a payment or pre-payment of the purchase price, for the ClearView Shares which CCP BidCo may transfer to them after the successful completion of the Offer which, in aggregate, would total \$26.1 million if all ClearView Shares the subject of the Put and Call Option Deeds were acquired.

Details of the Put and Call Option Deeds are set out in section 8 together with information regarding the counterparties to the Put and Call Option Deeds, including the financial capacity of the counterparties. The counterparties have, under their respective Put and Call Option Deeds, agreed not to accept the Offer in respect of the 4.4% of ClearView Shares held by them.

(c) Debt funding

\$75 million of the cash required to fund the Offer Amount will be obtained from external debt funding to be provided to CCP BidCo under a short term bridge facility (**Bridge Facility**). It is CCP BidCo's intention that the Bridge Facility will only be utilised by CCP BidCo if CCP BidCo has received acceptances for more than 58.7% (by number) of the ClearView Shares pursuant to the Offer and, in that event, in order to fund the consideration payable in respect of acceptances above 58.7% (by number) of the ClearView Shares pursuant to the Offer. Funding of the consideration payable in respect of acceptances up to and including 58.7% (by number) of the ClearView Shares pursuant to the Offer will be satisfied by funding under the Equity Commitment Letter and Put and Call Option Deeds described above.

CCP BidCo has entered into a binding commitment letter dated 11 July 2012 with IBA (it together with each of its affiliates that becomes a lender under and as contemplated by the commitment letter, a **Financier**) to provide debt facilities to CCP BidCo comprising a 365 day term loan facility split into the following tranches:

- a Tranche A cash advance facility in the amount of up to \$50 million; and
- a Tranche B cash advance facility in the amount of up to \$25 million.

The commitment letter (including the term sheet attached to it) contains all of the conditions to funding and sets out the material terms of the Bridge Facility. The events of default, undertakings and representations and warranties in respect of the Bridge Facility are considered by CCP BidCo to be customary for borrowing

arrangements of this nature. CCP BidCo has a reasonable basis to expect that the conditions precedent to drawdown (including those conditions precedent set out below) will be satisfied (or otherwise waived) if CCP BidCo has received acceptances for more than 50.1% (by number) of the ClearView Shares and the Offer becomes unconditional. If the conditions precedent are satisfied (or otherwise waived), then the Financiers must provide funds for their respective portion of the commitments under the Bridge Facility.

As at the date of this Bidder's Statement, CCP BidCo is not aware of any event or circumstance which would give rise to a right to a Financier to terminate its commitment under the commitment letter.

Key terms of the Bridge Facility will include:

(i) Purpose

The Bridge Facility will be made available to CCP BidCo for the purpose of funding the acquisition of ClearView Shares pursuant to the Offer.

(ii) Conditions precedent

The availability of the Bridge Facility is subject to a number of conditions precedent, including:

- the execution and delivery of long-form financing documents on terms consistent with the term sheet attached to the commitment letter (**Finance Documents**);
- confirmation that all APRA and other regulatory approvals in relation to the Offer have been obtained;
- evidence that CCP BidCo has received acceptances in respect of at least 50.1% (by number) of all of the ClearView Shares on issue;
- evidence that CCP BidCo has received funding under the Equity Commitment Letter and the Put and Call Option Deeds described above in an amount at least equal to 58.7% of the consideration required for the acquisition of ClearView Shares pursuant to the Offer;
- no event of insolvency has occurred in respect of CCP BidCo or any member of the ClearView Group;
- confirmation that the conditions set out in sections 9.7(c) and 9.7(h) of this Bidder's Statement have been fulfilled; and
- satisfaction of other conditions which are procedural in nature and customary for facilities for this kind.

(iii) Representations, warranties and undertakings

Representations, warranties and undertakings which are standard for a facility of this type, in each case subject to such qualifications and exceptions and including appropriate thresholds, materiality carve-outs and reference to material adverse effect as are customary for a transaction of this nature.

(iv) Events of default

Events of default include the following, in each case subject to such qualifications and exceptions and including appropriate thresholds, materiality carve-outs and reference to material adverse effect as are customary for a transaction of this nature:

- failure to pay any amount due and payable under the Bridge Facility, subject to a grace period;
- failure to meet certain financial covenant tests;
- failure to comply with any other obligations under a Finance Document not remedied within a grace period (if capable of remedy);

- misrepresentation not remedied within a grace period (if capable of remedy);
- insolvency and related events;
- cross default;
- capital reduction;
- material adverse effect; and
- ceasing to carry on business.

(v) Security arrangements

The security package will include security in respect of all ClearView Shares held by CCP BidCo, but not security over the assets of the ClearView Group.

Once the extent to which the Bridge Facility is drawn down is known, BidCo will consider the optimal means of obtaining sufficient funds to refinance or repay the Bridge Facility.

(d) Funding obligations and equity interests

The funding obligations described above will be satisfied in the proportions summarised in the table below assuming the Put and Call Option Deeds are exercised. The table also identifies the manner in which the Offer may affect the equity interests of the Crescent Advised Parties, Put Call Counterparties and Standstill Counterparties (after completion of the put and/or call transactions contemplated in the Put and Call Option Deeds and the Equity Commitment Letter).

- in respect of IBA:
 - the 2,937,647 ClearView Shares held by it which are not the subject of disposal restrictions under its Standstill Agreement with CCP BidCo are accepted into the Offer; and
 - it does not accept the Offer in respect of any of the 5,000,000 ClearView Shares which are the subject of standstill obligations under its Standstill Agreement.

^a Portion to be funded by the Bridge Facility.

(e) Additional funding

The Crescent Funds have provided a binding commitment to CCP BidCo (**Crescent Funds Commitment Letter**) to advance additional funds to enable BidCo, if required, to acquire the 5,000,000 ClearView Shares held by IBA the subject of the Standstill Agreement and/or the amount of up to 10,492,488 ClearView Shares that may be issued to eligible advisers under the Employee Share Plan (described in section 4.1) at the Offer Price on terms substantially the same as those under the Equity Commitment Letter.

(f) Conclusion

On the basis of the arrangements described above, CCP BidCo is of the opinion that it has a reasonable basis for forming the view, and it holds the view, that it will be able to pay the consideration required for the acquisition of ClearView Shares pursuant to the Offer to satisfy its obligations under the Offer.

6 CCP BidCo's intentions in relation to ClearView

6.1 Introduction

This section 6 sets out the intentions of CCP BidCo in relation to:

- (a) the continuation of the business of ClearView;
- (b) any major changes to the business of ClearView and any redeployment of the fixed assets of ClearView;
- (c) the compulsory acquisition of ClearView Shares and the delisting of ClearView; and
- (d) the future employment of the present employees of ClearView.

The intentions of CCP BidCo have been formed on the basis of publicly available facts and information concerning ClearView, and the general business environment, which are known at the time of preparing this Bidder's Statement. Final decisions regarding these matters will only be reached by CCP BidCo in light of material information and circumstances at the relevant time. Accordingly, the statements set out in this section are statements of current intention only and may vary as new information becomes available or circumstances change.

The articulation and formulation of the intentions of CCP BidCo are necessarily limited by virtue of the fact that it has only had access to publicly available information about ClearView and its affairs prior to making this Offer.

The intentions of CCP BidCo described in this section reflect the intention of Crescent as sole shareholder of CCP BidCo and as the manager of the Crescent Advised Parties' investment in ClearView.

6.2 Intentions for ClearView if CCP BidCo becomes entitled to proceed to compulsory acquisition and exercises that right

This section describes the intentions of CCP BidCo if CCP BidCo and its associates have relevant interests in 90% or more of the ClearView Shares at or before the end of the Offer Period, and becoming entitled to proceed to compulsory acquisition of outstanding ClearView Shares in accordance with Part 6A.1 of the Corporations Act, CCP BidCo elects to exercise that right. As at the date of this Bidder's Statement, CCP BidCo had not formed an intention as to whether it would exercise any such right. If CCP BidCo did exercise such a right, it is intended that CCP BidCo would not acquire any of the ClearView Shares held by the Put Call Counterparties.

In the circumstance that CCP BidCo exercises any right to proceed with compulsory acquisition of the outstanding ClearView Shares in accordance with the provisions of Part 6A.1 of the Corporations Act, the current intentions of CCP BidCo are as follows.

(a) Corporate matters

CCP BidCo would:

- (i) seek to arrange for ClearView to be removed from the official list of ASX; and
- (ii) exercise its right as a shareholder to replace the current non-executive members of the ClearView Board with the following individuals while complying with the APRA Regulations regarding board composition. The following individuals will be proposed to APRA:
 - Dr Gary Weiss (independent non-executive chairman). Gary holds the degrees of LL.B (Hons) and LL.M (with dist.) from Victoria University of Wellington, as well as a Doctor of Juridical Science (JSD) from Cornell University, New York. He has extensive

Michael has a Bachelor of Science degree in Applied Mathematics and a CFA. He is a director of Munich Re in Australia (life and general reinsurance business and a direct general insurance company), Total Risk Management (trustee for over \$10 billion of superannuation funds managed by Russell Investments), and A.L.I. Group (which distributes life insurance products through mortgage brokers).

CCP BidCo will only exercise its right as a shareholder to replace the current non-executive members of the ClearView Board with the individuals described above to the extent that the proposed composition of the ClearView Board is compliant with APRA Regulations. To the extent that APRA expresses any concerns in relation to the possible ClearView Board composition described above, CCP BidCo will engage with APRA and ClearView to ensure that the ClearView Board complies with all APRA Regulations.

CCP BidCo would review the composition of the boards of any company in respect of which ClearView has nominated directors.

(b) General operational review and structural considerations

As CCP BidCo does not currently have access to all material information, facts and circumstances which are necessary to assess the operational, commercial, taxation and financial implications of its current intentions, final decisions on these matters have not been made.

After the end of the Offer Period, CCP BidCo would propose to the ClearView Board (a majority of the members of which would be independent of CCP BidCo) that it conduct a review of ClearView's businesses and operations to:

- (i) determine the optimal strategy and operational structure for ClearView's businesses and operations;
 - (ii) identify performance improvement opportunities; and
 - (iii) develop a detailed business plan for the ongoing operation and growth of ClearView's businesses and operations in consultation with the senior management of ClearView.
- (c) Subject to this review, CCP BidCo currently intends that the business of ClearView would otherwise be continued in substantially the same manner as it has previously been conducted and is supportive of the company's performance improvement initiatives undertaken to date. Impact on employees**

The treatment of employees will ultimately be governed by the majority independent ClearView Board required pursuant to the APRA Regulations. Nevertheless, CCP BidCo believes that the current ClearView employees have been important to the growth of ClearView's businesses and operations and CCP BidCo is not planning to make any changes to existing management or employee roles. CCP BidCo would support ClearView in putting in place an employee equity plan at least as beneficial to participants as the current Employee Share Plan.

6.3 Intentions for ClearView as a part owned entity

This section describes CCP BidCo's intentions if the Offer becomes unconditional, but CCP BidCo is not entitled to proceed to compulsory acquisition in accordance with Part 6A.1 of the Corporations Act or having become so entitled, elects not to exercise that right.

In any of those circumstances, CCP BidCo's current intentions are as follows:

(a) Corporate matters

After the end of the Offer Period, CCP BidCo intends, subject to the Corporations Act, APRA Regulations and the constitution of ClearView, to seek to replace some or all of the members of the ClearView Board and any company in respect of which ClearView has nominated directors, with nominees of CCP BidCo. The composition of the ClearView Board, however, including as to director independence, will be structured to ensure compliance with all relevant APRA Regulations.

Subject to the overriding compliance with APRA Regulations as to board independence, CCP BidCo will seek, to the extent possible through its nominees on the ClearView Board, to implement the intentions detailed in section 6.2 where they are consistent with ClearView being a part owned entity of CCP BidCo and the Crescent Advised Parties and are considered to be in the best interests of ClearView Shareholders as a whole, including those ClearView Shareholders other than CCP BidCo and the Crescent Advised Parties.

(b) Dividends and funding

The payment of dividends by ClearView will be at the discretion of the ClearView Board, subject to the requirements of APRA Regulations.

Any decisions regarding the most appropriate capital structure and any additional funding requirements will be made by the ClearView Board. In this respect, CCP BidCo and the Crescent Advised Parties intend to be supportive, long-term shareholders in ClearView. This may (among other things) involve participating in future capital raising initiatives announced by ClearView. At the appropriate time, the level and funding of any such participation will be determined having regard to the circumstances then existing (including the structure and pricing of any capital raising).

6.4 Limitations in giving effect to intentions

The ability of CCP BidCo to implement the intentions set out in this section will be subject to:

- (a) the legal obligations of ClearView directors to have regard to the interests of ClearView and all ClearView Shareholders and the requirements of the Corporations Act, APRA Regulations and the Listing Rules relating to transactions between related parties. CCP BidCo will only make a decision on the above mentioned courses of action following legal and financial advice in relation to those requirements; and
- (b) the level of acceptances of the Offer and the ability of CCP BidCo and the Crescent Advised Parties to influence decision-making through their shareholdings in ClearView.

There are no arrangements or understandings between CCP BidCo or the Crescent Advised Parties and the Put Call Counterparties or the Standstill Counterparties in relation to ClearView after the completion of the transactions contemplated by the Put and Call Option Deeds and Standstill Agreements, including in relation to the voting of ClearView Shares or the composition of the ClearView Board (other than between CCP BidCo and IBA in connection with the funding arrangements provided for under the Bridge Facility). The holdings of those shareholders may limit the ability of CCP BidCo to give effect to its intentions as outlined above.

6.5 Other intentions

Subject to the matters described above in this section 6 and elsewhere in this Bidder's Statement and, in particular, the completion of the strategic review of ClearView's operations, it is the intention of CCP BidCo, on the basis of the facts and information concerning ClearView that are known to it and the existing circumstances affecting the assets and operations of ClearView at the date of this Bidder's Statement, that all governance matters related to ClearView will continue to be overseen by the ClearView Board, and that:

- (a) the business of ClearView will be conducted in substantially the same manner as at the date of this Bidder's Statement;
- (b) no other major changes will be made to the business of ClearView;

7 Tax considerations

7.1 Introduction

The tax information provided below is intended to be a brief guide only and does not purport to be a complete analysis of the potential Australian tax consequences of accepting the Offer.

ClearView Shareholders are specifically informed that the outline below regarding Australian taxation considerations:

- (a) does not constitute tax advice by CCP BidCo to any ClearView Shareholder;
- (b) is an indicative guide of the understanding of CCP BidCo of the possible Australian capital gains tax (CGT), stamp duty and Australian Goods and Services Tax (GST) consequences on disposal of the ClearView Shares acquired (or taken to be acquired) after 19 September 1985 and does not consider any broader Australian income tax implications;
- (c) does not consider the Australian income tax implications if CCP BidCo elects to proceed to compulsory acquisition in accordance with Part 6A.1 of the Corporations Act; and
- (d) should not be relied upon by a ClearView Shareholder in making a decision on the Australian tax consequences of their decision to acquire, hold or dispose of any ClearView Shares to CCP BidCo.

The following outline is not intended to be an authoritative or complete statement of the Australian tax law applicable to the specific circumstances of every ClearView Shareholder. In particular, the comments contained in this summary are only relevant to those ClearView Shareholders who hold their shares on capital account for income tax purposes. The outline does not apply to ClearView Shareholders who:

- (a) are in the business of trading, dealing in securities or otherwise hold their ClearView Shares on revenue account;
- (b) acquired their ClearView Shares as the result of an employee share plan or employee share option plan;
- (c) are a bank, insurance company, tax exempt organisation or superannuation fund and dealers in securities; or
- (d) are non-resident ClearView Shareholders who currently hold, or have held, at any time ClearView Shares through a permanent establishment in Australia.

This summary only provides a guide to the general Australian CGT, stamp duty and GST consequences of accepting the Offer, based on the existing tax laws and administrative practice as at the date of this Bidder's Statement. The tax law is complex and subject to change periodically as is its interpretation by the courts and the Australian Taxation Office.

The information contained in this summary is not intended to be, and should not be relied upon as, personal taxation or financial advice. The Australian CGT, stamp duty and GST treatment may vary according to individual circumstances, and each ClearView Shareholder should seek their own tax advice that is specific to their particular circumstances.

7.2 Taxation on the disposal of ClearView Shares

A ClearView Shareholder that accepts this Offer (and the Offer becomes unconditional) will be treated as having disposed of ClearView Shares for Australian CGT purposes. The disposal of a ClearView Share should constitute a disposal of a CGT asset.

7.3 Australian resident ClearView Shareholders

A ClearView Shareholder should realise a capital gain in connection with the disposal of a ClearView Share equal to the amount by which the Offer consideration exceeds the cost base of that ClearView Share. A ClearView Shareholder will alternatively realise a capital loss equal to the amount by which the reduced cost base of the ClearView Share exceeds the Offer consideration. A capital loss may be used to offset a capital gain made in the same income year or be carried forward to offset a capital gain made in a future income year, subject to the satisfaction of certain loss recoupment tests applicable.

The cost base and reduced cost base of a ClearView Share should generally include the amount paid (or deemed to be paid) to acquire the ClearView Share which includes certain incidental costs (such as brokerage fees) of the acquisition.

A ClearView Shareholder who is an individual, trust or complying superannuation fund may be entitled to claim the CGT discount in calculating any capital gain provided that:

- (a) the ClearView Shares were acquired at least 12 months before disposal to CCP BidCo (excluding the date of acquisition and the date of disposal);
- (b) the ClearView Shareholder did not choose to index the cost base of their ClearView Shares (where applicable); and
- (c) the CGT discount is applied to the capital gain after any available capital losses are first offset against that capital gain.

The applicable CGT discount which should reduce a net capital gain arising from the disposal of ClearView Shares is as follows:

- (a) 50% for individuals and trustees (except a trust that is a complying superannuation entity); and
- (b) 33.33% for a complying superannuation entity.

The CGT discount is not available to any ClearView Shareholders that are companies.

7.4 Non-resident ClearView Shareholders

Any ClearView Shareholders that are not a resident of Australia for income tax purposes, should generally not have to pay Australian income tax on any capital gain arising on the disposal of their ClearView Shares, unless both of the following requirements are satisfied:

- (a) the ClearView Shareholder (and any associates) owned at least 10% of ClearView either at the time the ClearView Shares were disposed of or for at least 12 months during the 24 months before the ClearView Shares were sold (the 'non-portfolio' interest test); and
- (b) 50% or more of the value of ClearView is represented by real property in Australia (the 'principal asset test'). The ClearView Shares would generally pass this test if the market value of ClearView's direct and indirect interests in Australian land (including leases and mining rights) is more than the market value of other assets at the time of the CGT event.

If either element is absent, any capital gain made on the disposal of an ClearView Share should not be subject to income tax in Australia.

Any ClearView Shareholders that are not residents of Australia for income tax purposes, and acquired ClearView Shares as trading stock should seek independent professional advice. The Australian income tax treatment should depend on the source of any gain and whether a double tax agreement exists between the relevant country of residence and Australia.

7.5 GST

It is not anticipated that the ClearView Shareholders will be subject to any Australian GST in respect of their disposal of ClearView Shares. ClearView Shareholders should seek their own advice to determine whether any GST incurred on costs in relation to the sale of their ClearView Shares is recoverable.

8 Additional information

8.1 Date for determining holders of ClearView Shares

8.3 Put and Call Option Deeds

(a) Summary

CCP BidCo entered into Put and Call Option Deeds with certain ClearView Shareholders and other potential investors (together, **Put Call Counterparties**) on the day before this Bidder's Statement, pursuant to which, amongst other things:

- (i) CCP BidCo has a right to "put" an agreed number of ClearView Shares to each Put Call Counterparty at the Offer Price exercisable within 1 Business Day after the Offer closes;
- (ii) each Put Call Counterparty has the right to "call" that agreed number of shares in ClearView from CCP BidCo at the Offer Price after the Offer closes, exercisable for 2 Business Days if the "put" option is not exercised at the time at which CCP BidCo was entitled to exercise it;
- (iii) the "put" and "call" options are conditional on the satisfaction or waiver of all conditions of the Offer, including the Minimum Acceptance Condition;
- (iv) if the Minimum Acceptance Condition is met, the Put Call Counterparty will pay its pro-rata share of all the transaction costs incurred by CCP BidCo in connection with the Offer;
- (v) each Put Call Counterparty is subject to certain restrictions on actions, including that it must not acquire any ClearView Shares or dispose of any interest in any of its ClearView Shares during the Offer Period;
- (vi) CCP BidCo may, if required to pay for ClearView Shares the subject of a "put" option before the Offer closes, require the Put Call Counterparties to pay for those ClearView Shares prior to their transfer to the Put Call Counterparties; and
- (vii) if funds are drawn under the Bridge Facility, each Put Call Counterparty (other than IWPE Nominees which has not granted security over the relevant ClearView Shares to be acquired under its Put Call Option Deed) has the right to pay cash to acquire a proportion of ClearView Shares (based on the proportion of ClearView Shares to be acquired by that Put Call Option Counterparty under the relevant Put Call Option Deed as compared to all ClearView Shares to be acquired by CCP BidCo under the Offer) acquired by CCP BidCo with funding pursuant to the Bridge Facility (with such payment to be applied by CCP BidCo in repayment of the Bridge Facility) and, if it does so, the security granted over the relevant ClearView Shares acquired by that Put Call Counterparty under its Put Call Option Deed in favour of IBA under the Bridge Facility will be released and the relevant ClearView Shares transferred to the Put Call Counterparty.

(b) Counterparties

The Put Call Counterparties are Ariadne, IWPE Nominees, Gary Burg and Laurence Michael Nestadt (see further section 2.4).

The Put and Call Option Deeds were first released to the ASX on the day after the date of the original Bidder's Statement. In aggregate, the Put and Call Option Deeds give CCP BidCo access to up to \$26.1 million of the funds required to pay the consideration for the acquisition of ClearView Shares pursuant to the Offer as determined under the Put and Call Option Deeds and summarised in the table in section 5.2(d).

The maximum amount of consideration that IWPE Nominees may be required to provide under its Put and Call Option Deed with CCP BidCo is \$7,500,000. IWPE Nominees is a direct wholly owned subsidiary of IBA and its ultimate parent company is Investec Bank plc.

The maximum amount of consideration that Gary Burg may be required to provide under his Put and Call Option Deed with CCP BidCo is \$7,500,000. CCP BidCo has received a certificate from Baskin Clarke Chartered Accountants (of Level 14, Tower 2, 101 Grafton Street, Bondi Junction, NSW 2022) confirming that Gary Burg has the ability to meet the full amount of that \$7,500,000 commitment under the Put and Call Option Deed.

The maximum amount of consideration that Laurence Nestadt may be required to provide under his Put and Call Option Deed with CCP BidCo is \$7,500,000. CCP BidCo has received a certificate from Natt McMahon, Chartered Accountant and Chief Financial Officer at Ariadne, confirming that Ariadne has the ability to meet the full amount of that \$3,608,438 commitment under the Put and Call Option Deed.

8.4 Standstill Agreements

IWPE has entered into a Standstill Agreement whereby it has agreed not to accept the Offer nor dispose or otherwise deal with any of its ClearView Shares (being, 31,750,592 ClearView Shares) until after the Offer closes. IWPE's standstill obligations fall away if the Offer Period is still on foot 4 months after the date of the Standstill Agreement (being 11 July 2012) or a third party makes a higher offer for the ClearView Shares and BidCo has not revised its Offer price to match or exceed that offer price within 14 days of the lodgement of the third party offer. Nothing in the Standstill Agreement prevents IWPE from accepting the Offer if BidCo receives acceptances under the Offer, which are not withdrawn, which give BidCo a relevant interest in 50.1% of the ClearView Shares.

IBA has also entered into a Standstill Agreement, under which it agrees not to accept the Offer, dispose or otherwise deal with 5,000,000 of its 7,937,647 ClearView Shares. IBA's standstill obligations fall away if the Offer Period is still on foot 4 months after the date of the Standstill Agreement (being 11 July 2012).

8.5 Equity Commitment Letter with Crescent Advised Parties

\$109.3 million of the funding to be used by CCP BidCo to pay the consideration for the acquisition of ClearView Shares pursuant to the Offer is being provided by the Crescent Advised Parties. CCP BidCo entered into the Equity Commitment Letter with each of the Crescent Advised Parties, pursuant to which, amongst other things, the Crescent Advised Parties each have a contractual obligation to pay, on notice from CCP BidCo, a prescribed amount as pre-payment of the purchase price for the ClearView Shares which CCP BidCo must transfer to each of the relevant Crescent Advised Parties under the Equity Commitment Letter upon the successful completion of the Offer. That amount, in aggregate, is \$109.3 million with a maximum allocation of \$73.3 million to the Crescent Funds and \$36 million to MIML.

Under the Equity Commitment Letter, CCP BidCo will transfer the relevant ClearView Shares acquired by it to the Crescent Advised Parties after repayment of the Bridge Facility and the release of associated security.

On completion of the transfers of ClearView Shares from CCP BidCo to each of the relevant Crescent Advised Parties under the Equity Commitment Letter as described above, the Crescent Funds will hold the following proportions of the ClearView Shares allocated to the Crescent Funds:
