If the shareholder does not specify the proportion or number of votes to be exercised by each proxy, each proxy may exercise half of the shareholder's votes.

A proxy need not be a shareholder of the Company.

How the Chairman of the meeting will vote undirected proxies

The Chairman will vote undirected proxies in favour of Resolutions 1, 2 and 3. In respect of Resolutions 4 and 5, shareholders should refer to the important information below under the heading "Important information concerning proxy votes on Resolutions 4 and 5".

Important information concerning proxy votes on Resolutions 4 and 5

The *Corporations Act 2001* places certain restrictions on the ability of key management personnel and their closely related parties to vote on the advisory resolution to adopt the Company's Remuneration Report and resolutions connected directly or indirectly with the remuneration of the Company's key management personnel. Key management personnel of Emeco are the directors of Emeco and all other persons having authority and responsibility for planning, directing and controlling the activities of Emeco, directly or indirectly. The Remuneration Report identifies Emeco's key management personnel for the financial year ended 30 June 2012. "Closely related party" is defined in the *Corporations Act 2001* and includes certain family members, dependants and companies controlled by key management personnel.

For these reasons, shareholders who intend to vote by proxy should carefully consider the identity of their proxy and are encouraged to direct their proxy as to how to vote on all resolutions. In particular, shareholders who intend to appoint the Company's Chairman as their proxy (including an appointment by default) are encouraged to direct the Chairman as to how to vote on all resolutions.

If the Chairman of the meeting is appointed, or taken to be appointed, as your proxy, you can direct the Chairman of the meeting to vote for, against or abstain from voting on Resolutions 4 and 5 by marking the appropriate box opposite the respective Resolutions on the proxy form. You should direct the Chairman how to vote on these Resolutions.

However, if the Chairman of the meeting is your proxy and you do not direct the Chairman how to vote in respect of either or both of Resolutions 4 or 5 on the proxy form, you will be deemed to have directed and expressly authorised the Chairman to vote your proxy in favour of both Resolutions 4 and 5. This express authorisation acknowledges that the Chairman may vote your proxy even if:

- (a) Resolutions 4 and 5 are connected directly or indirectly with the remuneration of a member of the key management personnel for the Company; and
- (b) the Chairman has an interest in the outcome of Resolution 5 and that votes cast by the Chairman for this Resolution, other than as authorised proxy holder, will be disregarded because of that interest.

BODY CORPORATE REPRESENTATIVE

Any shareholder being a body corporate may authorise any person to act as its representative at the meeting. The representative so appointed is entitled to exercise the same powers as the body corporate could have exercised as a shareholder if it were a natural person. The appointment of a corporate representative must comply with the requirements of section 250D of the *Corporations Act 2001*. The appointment may be a standing one. Unless the appointment states otherwise, the representative may exercise all of the powers that the appointing body could exercise at a general meeting or in voting on a resolution.

Corporate shareholders who wish to appoint a representative to attend the meeting on their behalf must provide that person with a properly executed letter or other document confirming that they are authorised to act as the company's representative. That formal notice of appointment must be brought to the annual general meeting.

Please refer to the explanatory notes attached to this Notice of Annual General Meeting in relation to the items of business set out in this Notice.

BY ORDER OF THE BOARD

MICHAEL KIRKPATRICK
COMPANY SECRETARY

12 OCTOBER 2012

NOTICE OF ANNUAL GENERAL MEETING 2012

Resolution 4: Approval of allocation of Performance Shares (Ordinary Shares) to the Managing Director/Chief Executive Officer

Resolution 4 seeks shareholder approval for the grant of 1,498,957 Performance Shares to Mr Keith Gordon, the Managing Director and Chief Executive Officer of the Company, under the Employee Incentive Plan and Rules. The value of the Performance Shares to be granted to Mr Gordon equates to 75% of Mr Gordon's annual fixed remuneration as at 1 October 2012.

Performance Shares are ordinary shares that vest subject to certain performance conditions. This proposed grant relates to the long term incentive award component of Mr Gordon's remuneration for the 2013 financial year.

Shareholders are being asked to consider the issue of these Performance Shares to Mr Gordon for the purposes of ASX Listing Rule 10.14 and for all other purposes (including for the purpose of the retirement benefit provisions contained in sections 200B and 200E of the *Corporations Act 2001*).

ASX Listing Rule requirements

ASX Listing Rule 10.14 requires a listed company to obtain shareholder approval by ordinary resolution prior to the issue of securities under an employee incentive scheme to a Director or an associate of a Director. As Mr Gordon is the Company's Managing Director, the Company is seeking approval for the issue of these Performance Shares to Mr Gordon under ASX Listing Rule 10.14.

For the purposes of ASX Listing Rule 10.15, the following information is provided to shareholders.

Maximum number of securities to be granted and issue price

Mr Gordon will be issued 1,498,957 Performance Shares for nil consideration which will only vest and be able to be transferred or sold by Mr Gordon if certain performance conditions are met.

The Performance Shares will, until vesting, be held in the Emeco Employee Share Ownership Trust, a trust operated by an independent and professional trustee, Pacific Custodians Pty Ltd. Subject to the Trust Deed and Plan Rules, the Performance Shares will be transferred into Mr Gordon's name on vesting. While the Performance Shares are held by the trustee, Mr Gordon will be entitled to voting rights in relation to the Performance Shares. However, dividends on the Performance Shares will accumulate in the Trust and will be paid to Mr Gordon only if the Performance Shares vest, and only in respect of the vested Performance Shares.

As the Performance Shares are being issued for nil consideration, no loans will be provided by the Company in connection with the grant of these Performance Shares

Vesting conditions

In order for the Performance Shares to vest, Mr Gordon must remain employed with the Company during the three year vesting period expiring on the date which is the 10th trading day after the announcement of the

Company's annual results in 2015 (**Vesting Date**) (except in circumstances where he leaves the Company due to death, total and permanent disability, retrenchment or retirement) and certain performance conditions must be met. In summary, the Performance Shares will only vest if the Total Shareholder Return (**TSR**) of the Company when compared with the TSR of a peer group of companies is above a certain ranking. A TSR-based vesting condition is designed to directly align Mr Gordon's incentives with the returns and gains made by the Company's shareholders.

The TSR of all peer group companies, including Emeco, will be ranked as at the Vesting Date.

TSR in respect of Emeco's shares and the shares of each peer group company will be calculated by reference to the volume weighted average sale price of the shares during the ten trading days following the release of the Company's full financial year results for 2012 and 2015 respectively.

Performance Shares will only vest if a certain TSR performance is achieved. There is a vesting range, and vesting occurs between points in this range on a sliding scale. This is set out below:

EMECO'S COMPARATIVE TSR	% OF PERFORMANCE SHARES THAT VEST
Up to 50.1 percentile	Nil
At the 50.1 percentile	50%
At 51st percentile	52%
Between 51st and 75th percentile	Sliding scale
At 75th percentile	100%

Should there be a change in control of the Company (that is, the acquisition by a third party and its associates of greater than 50% of the ordinary shares of Emeco), the Performance Shares will vest on an accelerated basis if the TSR performance criteria outlined above have been met as at the date of change in control.

The Vesting Date will also be accelerated in the event of Mr Gordon's death, total and permanent disability, retrenchment or retirement. See "Details of the retirement benefits" section below.

Performance Shares that do not vest on the Vesting Date will remain with the Trust and be reallocated to another employee under a future incentive award. The Board does, however, retain discretion under the Employee Incentive Plan and Rules to waive vesting conditions.

Details of prior issues

At the annual general meeting held on 15 November 2011, shareholders approved the grant to Mr Gordon of 907,263 Performance Shares for nil consideration in respect of the 2012 financial year.

Entitlement to participate

There have been no issues of securities to Non-Executive Directors (or their associates) under the Employee Incentive Plan since the Company was listed in July 2006. Mr Gordon, as the only Executive Director, is the sole Director eligible to participate in the Employee Incentive Plan.

Voting Exclusion

A Voting Exclusion Statement is set out under Resolution 4 in the Notice of Annual General Meeting.

Date of grant

If approved, the Performance Shares will be granted to Mr Gordon no later than one month after the annual general meeting.

Corporations Act 2001 requirements

Shareholder approval is also being sought for the potential future retirement benefit under sections 200B and 200E of the *Corporations Act 2001*. Under section 200B of the *Corporations Act 2001*, a company may only give a person a benefit in connection with their ceasing to hold a managerial or executive office in the Company if it is approved by shareholders under section 200E of the *Corporations Act 2001* or an exemption otherwise applies.

Details of the retirement benefits

Performance Shares will vest on an accelerated basis in the event of Mr Gordon's death, total and permanent disability, retrenchment or retirement. However, in these circumstances, the number of Performance Shares that vest will depend upon the TSR performance criteria outlined above, as assessed at the accelerated vesting date, and will be prorated based on the period that Mr Gordon has been employed during the scheduled three year vesting period. However, if Mr Gordon's employment with Emeco terminates prior to the Vesting Date for cause or as a result of resignation for any other reason, the unvested Performance Shares will immediately lapse.

As set out above, where the Performance Shares vest on an accelerated basis, a pro-rata proportion of Mr Gordon's Performance Shares (based on the period that Mr Gordon has been employed during the three year vesting period) will vest if the performance conditions have been met. The accelerated vesting of Performance Shares in these circumstances may be considered a benefit in connection with Mr Gordon's retirement from office, and therefore within the scope of section 200B of the *Corporations Act 2001*.

The benefit may fall within one of the recognised exceptions under the *Corporations Act 2001* if the amount of the benefit is less than a prescribed multiple of the Director's remuneration and if the nature of the benefit falls within one of the categories set out in the *Corporations Act 2001*. However, in the event the Performance Shares vest to Mr Gordon on an accelerated basis and such a benefit does not technically fall within any of the categories of exceptions set out in the *Corporations Act 2001*, the Board seeks shareholder approval for the purposes of section 200E of the *Corporations Act 2001* to permit the accelerated vesting of Performance Shares in these circumstances.

Value of the retirement benefits

The total value of the benefits to be approved by shareholders cannot be determined in advance. This is because various matters will or are likely to affect the value, including:

- (a) the market price of Emeco shares at the time the Performance Shares vest on an accelerated basis to Mr Gordon; and
- (b) the period that Mr Gordon has been employed during the three year vesting period.

If and when the Performance Shares vest on an accelerated basis to Mr Gordon, the value of the benefit can be calculated by multiplying the number of Performance Shares which vest by the market price of Emeco shares at that vesting time.

The Directors (other than Mr Gordon, who makes no recommendation due to his personal interest in the outcome of the Resolution) recommend that shareholders vote in favour of Resolution 4.

Resolution 5: Adoption of Remuneration Report

The *Corporations Act 2001* requires the shareholders at the Company's annual general meeting to vote on an advisory resolution that the Remuneration Report be adopted.

The vote on the resolution is advisory only and does not bind the Directors. However, under the *Corporations Act 2001*, if 25% or more of votes that are cast are voted against the adoption of the Remuneration Report at two consecutive annual general meetings, shareholders will be required to vote at the second of those annual general meetings on a resolution on whether the Board should be put up for re-election (**Spill Resolution**). If the Spill Resolution is passed, then the Company is required to hold another meeting within 90 days of the Spill Resolution at which all of the Company's Directors (other than the Managing Director/Chief Executive Officer) who were in office at the date of approval of the applicable directors' report must go up for re-election. For completeness, it is noted that more than 75% of the votes cast on the resolution to adopt the 2011 Remuneration Report at last year's annual general meeting were in favour of that resolution.

The Remuneration Report is contained in the Company's 2012 Annual Report to shareholders at pages 36 to 48. As noted in the Remuneration Report, Emeco's board of directors undertook a comprehensive remuneration structure review following the 2011 Annual General Meeting. A number of enhancements have been made to Emeco's remuneration practices as a result of feedback from shareholders and their advisors.

The Chairman will give shareholders a reasonable opportunity to ask questions about or make comments on the Remuneration Report.

The Directors unanimously recommend that shareholders vote in favour of this advisory resolution.

All your securities will be voted in accordance with such a direction unless you indicate only a portion of voting rights are to be voted on any item by inserting the percentage or number of securities you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on the items of business, your proxy may vote as he or she chooses. If you mark more than one box on an item your vote on that item will be invalid and will not be counted.

Appointment of a Second Proxy

You are entitled to appoint up to two persons as proxies to attend the meeting and vote on a poll. If you wish to appoint a second proxy, an additional Proxy Form may be obtained by telephoning the Company's security registry or you may copy this form and return them both together. The appointment of the Chairman of the Meeting as your alternate proxy also applies to the appointment of the second proxy.

To appoint a second proxy you must:

- (a) on each of the first Proxy Form and the second Proxy Form state the percentage of your voting rights or number of securities applicable to that form. If the appointments do not specify the percentage or number of votes that each proxy may exercise, each proxy may exercise half your votes. Fractions of votes will be disregarded.
- (b) return both forms together.
