# The Directors of InterMet Resources Limited (ASX:ITT) Present the Third Quarter Report for 2012

#### **Overview**

During the last quarter the board of InterMet considered several new opportunities to acquire additional exploration tenements. There were however no agreements or Heads of Agreement entered into by the company with respect to any properties or proposals.

The directors will advise the market if and when any material agreements have been executed.

Hillgrove Resources Limited continues to provide financial support for the company on terms previously disclosed.

Please see attached Cashflow Report.

#### **Notes**

- The quarterly report provides a basis for informing the market how the entity's activities have been financed for the past quarter and the effect on its cash position. An entity wanting to disclose additional information is encouraged to do so, in a note or notes attached to this report.
- The "Nature of interest" (items 6.1 and 6.2) includes options in respect of interests in mining tenements acquired, exercised or lapsed during the reporting period. If the entity is involved in a joint venture agreement and there are conditions precedent which will change its percentage interest in a mining tenement, it should disclose the change of percentage interest and conditions precedent in the list required for items 6.1 and 6.2.
- 3 **Issued and quoted securities** The issue price and amount paid up is not required in items 7.1 and 7.3 for fully paid securities.
- The definitions in, and provisions of, AASB 1022: Accounting for Extractive Industries and AASB 1026: Statement of Cash Flows apply to this report.
- Accounting Standards ASX will accept, for example, the use of International Accounting Standards for foreign entities. If the standards used do not address a topic, the Australian standard on that topic (if any) must be complied with.
