Trading Update

Sydney: 7 January 2013: Building and communications service company BSA Limited (ASX:BSA) reaffirms its previous guidance for the financial year with full year revenue expected to be circa \$500m with earnings biased to the second half as a result of project timing for both Technical Design & Construction Projects and Technical Maintenance Services business units.

Net profit after tax (NPAT) for the full year FY2013 is expected to be broadly in line with FY2012 at \$5.8million with a first half contribution of between 26% and 33% of full year NPAT.

The first half NPAT is expected to be between 26% and 33% of first half FY2012 NPAT of \$5.9m
