**BRISBANE BRONCOS LIMITED AND CONTROLLED ENTITIES
2012 FINANCIAL YEAR FORECAST ANNOUNCEMENT**

In accordance with Listing Rule 3.1, the Board of Brisbane Broncos Limited announce that based on internal management accounts, the before tax profit for the Group for the financial year ended 31 December 2012 is expected to be approximately 50% to 60% above the corresponding 2011 result.

Included in the profit for the year is a \$500,000 one-off grant from the Australian Rugby League Commission, received on the signing of a new broadcast media agreement with the Nine Network. Significant revenues and profit growth was also generated from non football operations.

It should be noted that the final 2013 salary cap and club grant positions are yet to be confirmed which may impact the 2012 result. It is uncertain when these matters will be finalised. Accordingly it is not possible to quantify the potential impact at this point in time.

Yours faithfully
