### **Review of Operations**

The business continued to deliver organic profitable growth in the face of well publicised economic uncertainty. The integrated business model is performing strongly.

The result is particularly pleasing when the impact of Reserve Bank interest rate cuts are considered. Some of the highlights from our last six months' activities:

- Consolidated profit after tax increased 19% (ex interest on the float 26%) on the prior comparable period (PCP) to \$29.7m.
- Strong free cash flow of \$27.1m (pre the investment in the growth of fleet assets).
- Group Remuneration Services maintained its momentum with net profit after tax increasing by 19% on PCP to \$22m. Revenue increased by 18% to \$75.8m (21% ex interest on float).
- Again, the Group Remuneration Services segment result was delivered through pleasing increases in both unit sales and average yield.
- Asset management growth continues, with assets under finance increasing from \$262m to \$303m, an increase of 15.6%.
- Second hand car values remained sound which, together with the efforts of our remarketing team, produced pleasing results on the resale of our fleet vehicles.
- We have entered into a joint venture company with an experienced local management team to launch our Maxxia business into the UK through a low cost / low risk model. The joint venture commenced on 1 February 2013.
- The upgrade of our asset management system is on time and on budget.
- Annualised return on equity of 34%, a little lower than is traditional due to the vesting and exercising of executive options.

In all, a very satisfactory performance for the first half. With a good pipeline of new business and ongoing strengthening of our distribution and sales capabilities, we are well placed to maintain our momentum into the second half.

The Company declared a fully franked interim dividend of 24 cents per share (up from 22 cents in 1HFY12). The record date is 8 March, 2013 and the dividend will be paid on 29 March, 2013.

Yours faithfully, McMILLAN SHAKESPEARE LIMITED
