### **DICKER DATA OPENS NEW WAREHOUSE EXPANSION INCREASING CAPACITY BY 5,000m<sup>2</sup>**

The Board of Directors of Dicker Data Limited (ASX: DDR) is pleased announce the completion of our new 5,000m<sup>2</sup> warehouse expansion.

Officially opened on Wednesday, 20 February 2013, Dicker Data Limited has more than doubled total warehouse capacity with the completion of the new expansion. This comes as Dicker Data recently entered into a new finance facility with Macquarie Bank to allow for increased purchasing capacity with key vendor Hewlett Packard.

Chairman and CEO, David Dicker, commented – “We are pleased to have completed work on the facility expansion and have already begun utilising the additional space available to us. This project has been instrumental in facilitating for the future of our business and will help support operations as we continue to grow.”

Specifically designed to increase warehouse efficiencies, the stage two expansion was completed well ahead of schedule. Dicker Data is now considering commencing work on the third and final stage of development which would more than triple the original warehouse capacity.
