

**ASX RELEASE****3 June 2013****Completion of Acquisition**

Donaco International Limited (the **Company**) announces that the acquisition of iSentric Sdn Bhd (**iSentric**) was completed with effect from 1 June 2013.

iSentric is a successful and profitable mobile services business in South East Asia. Full details of the acquisition were announced to the market on 15 April 2013. The acquisition is complementary to Donaco's online gaming plans, and will expand Donaco's technical capabilities in its core leisure and entertainment business.

Completion of the acquisition follows the successful completion of due diligence and satisfaction of conditions. The founders of the iSentric business have signed three-year employment agreements with Donaco, and will play a key role in assisting the Company to exploit opportunities in the gaming space.

IAPL has signed conditional agreements to acquire existing online gaming and sportsbook licences issued in the Northern Territory. This further acquisition has not yet been completed, and is subject to receipt of all required regulatory approvals.

To effect completion of the iSentric acquisition, the Company has issued 22,368,420 fully paid ordinary shares to the vendors, at an agreed price of 38 cents per share. This satisfies the purchase price of \$8.5 million. An Appendix 3B will be lodged today.

The further acquisition of IAPL will involve the issue of a further 657,894 shares, at the agreed price of 38 cents per share, totalling \$250,000.
