ASX Release

5 June 2013

Release of 2013 Preliminary Draft Master Plan

Sydney Airport today released the 2013 Preliminary Draft Master Plan for public comment. The Master Plan is a 20-year land use plan – including a full environment strategy and five-year ground transport plan – that is prepared under the Airports Act 1996.

Copies of the documents can be found at: <http://www.sydneyairport.com.au/corporate>.
