FLIGHT CENTRE LIMITED

(ACN 003 377 188)

(the *Issuer*)

Registered office: Level 2, 545 Queen Street, Brisbane

1. Introduction

This Prospectus is dated 12 July 2013 and was lodged with the Australian Securities and Investments Commission on that date. No Unsecured Notes will be allotted or issued on the basis of this Prospectus later than 13 months after the date of this Prospectus. The Australian Securities and Investments Commission (**ASIC**) takes no responsibility for the contents of this Prospectus.

Attached to this document is a personalised application form for Unsecured Notes, incorporating the Special Conditions of Issue attaching to the Unsecured Notes. If you misplace the application form or the personalised information in the application form is incorrect, you should contact the Business Ownership Scheme Team by email at BOS_Australia@flightcentre.com or by fax on (07) 3170 7239, who will arrange to forward another or a corrected application form to you with another copy of this Prospectus.

Where this Prospectus and accompanying application form are distributed to you electronically rather than in paper form, the electronic versions contain the same information in the same sequence as the paper Prospectus and application form lodged with the ASIC (except for minor differences allowed by the ASIC). You may request a free paper copy of this Prospectus and accompanying application form by contacting the Business Ownership Scheme Team.

The securities to which this Prospectus relates will only be issued on receipt of a personalised application form issued together with this Prospectus. For these purposes, the application form can only be downloaded from software together with this Prospectus.

The offer pursuant to this Prospectus is only available to persons receiving it within Australia.

2. Information on issue of Unsecured Notes

This Prospectus is for the issue of Unsecured Notes to those Flight Centre Group shop managers or other senior managers (or their nominees) invited by the Issuer to participate in the Business Ownership Scheme.

The funds raised under this Prospectus will be used for working capital requirements of the Flight Centre Group. The Issuer does not intend to have the Unsecured Notes listed on the ASX or any other authorised securities exchange. Unsecured Notes issued under this Prospectus are unsecured securities which rank equally with all other unsecured creditors, after the interests of any secured creditors but before the interests of shareholders upon a winding up of the Issuer. The Directors believe that the Issuer will be able to repay amounts of principal and meet interest payments as they fall due.

Flight Centre Limited reserves the right not to accept any application or to satisfy it in part only.

Unsecured Notes are issued under the Trust Deed. The Trust Deed provides for Special Conditions of Issue to be attached to the Unsecured Notes.

Interest on the Unsecured Notes is payable by reference to the relevant shop or business unit profits, or, in the case of certain approved shop or business units, profit improvements of the business. Accordingly, there may be no interest payable if there are no such profits, or profit improvements. No particular level of interest return is promised or guaranteed by any person.

3. Overview of Special Conditions of Issue

The Special Conditions of Issue are set out in their entirety in the personalised application form. They include conditions such as:

3.1 Acquisition of Unsecured Note

Unsecured Notes are issued with respect to nominated business units being a particular shop, group of shops or other discrete business unit within the Flight Centre Group. The relevant business unit for you is specified in Schedule 2 of your personalised application form.

The Unsecured Noteholder must pay to the Issuer an amount equal to the face value of the Unsecured Note as specified in the Special Conditions of Issue. The Issuer will issue a certificate evidencing the ownership of the Unsecured Note by the Unsecured Noteholder. However, if an Unsecured Noteholder enters into a Funding Arrangement which requires the Company to hold the Unsecured Note certificate in escrow, the Company may agree to hold the Unsecured Note certificate in escrow. If payment is not received by the Issuer within the required time, the holder of the Unsecured Note will be deemed not to have been issued the Unsecured Note and any agreement for the issue of the Unsecured Note will be voidable at the option of the Issuer.

3.2 Redemption of Unsecured Note

Redemption of any Unsecured Note for its face value occurs under the Special Conditions of Issue:

- upon termination of the employment of the relevant manager for any reason; or
- upon notice in writing from the holder requesting redemption or repayment of the Unsecured Note; or
- upon notice in writing from the Issuer advising that redemption or repayment of the Unsecured Note will occur on a certain date; or
- upon the 10th anniversary of the date of issue of the Unsecured Note.

If the relevant manager ceases to be involved in the day to day management of the business unit in respect of which the Unsecured Note is issued, the Issuer may:

- require the Unsecured Noteholder to redeem the Unsecured Note; or
- amend the Special Conditions of Issue to refer to another business unit; or

- where the relevant manager is managing another business unit, allow the Unsecured Noteholder to continue to hold the Unsecured Note, in respect of the business unit which the relevant manager has ceased to manage, under the following conditions:
 - (i) up to 20% (or such higher percentage to a maximum 35% as may be approved by the board of the Issuer) of management profit, or profit improvements, of the business unit which the relevant manager has ceased to manage may be paid out as interest distributions in relation to all Unsecured Notes attaching to that business unit;
 - (ii) the Unsecured Noteholder must not hold more than 3 Unsecured Notes at any time;
 - (iii) where a new manager of the business unit is appointed, any existing Unsecured Noteholder may then be required to redeem all or part of its Unsecured Note; and
 - (iv) where there is more than 1 Unsecured Noteholder in the business unit, the order of redemption will be, first made in time will be first redeemed or repaid.

Upon redemption, the Moneys Owing under the Unsecured Note are paid to the Unsecured Noteholder. However, if there is a Funding Arrangement in place, and the Unsecured Noteholder has assigned the Moneys Owing to the financier, the Company will pay all Moneys Owing to the financier, who will (after deducting all amounts owed to it) account to the Unsecured Noteholder for the balance (if any).

For the avoidance of doubt, where any of the grounds for redemption outlined in this Prospectus arises, the Company may redeem the Unsecured Note without first receiving redemption instructions from the Unsecured Noteholder.

3.3 Interest

The Special Condition of Issue dealing with Interest is condition 6.

The holder of an Unsecured Note is entitled to an interest distribution from the business unit in respect of the Unsecured Note by reference to a percentage of the management profits, or, in the case of certain nominated business units, profit improvements of the business unit, after accounting for the liabilities of or within that business unit. The applicable percentage rate(s) is (are) contained in Schedules 5 and 6 of the Special Conditions of Issue.

Unless approved by the Issuer in accordance with the Special Conditions of Issue, no interest distribution will exceed 35% of the face value in any twelve (12) month period other than by way of full or partial redemption.

For those businesses to which Schedule 5 of the Special Conditions of Issue applies, the period and financial criteria which are to be met in order for interest repayments to be made together with the details of how such interest payments will be calculated and made is set out in Schedule 5 of the Special Conditions of Issue and this will apply where there is profit or profit improvements of that business unit. Interest payments will be made no less frequently than quarterly, in arrears, so long as the Unsecured Note continues. No interest

payments will be required in relation to the quarter in which the Unsecured Note is redeemed.

For those businesses to which Schedule 6 of the Special Conditions of Issue applies, the period and financial criteria which are to be met in order for interest payments to be made together with the details of how such interest payments will be calculated and made is set out in Schedule 6 of the Special Conditions of Issue and this will apply where there is profit or profit improvements of that business unit.

In the case of interest distributions to be made by reference to the management profits or profit improvements of the business unit, interest on the Unsecured Notes is only payable by reference to the relevant shop or business unit profits or profit improvements, after accounting for prior period losses of the business.

In these instances, a profit or profit improvement of the business unit for a given period includes a reduced loss position, or a return to profit position, for that period. Profit or loss, for a period shall be determined as the management profit or loss for the relevant period, after accounting for the liabilities of or within the business unit for that period.

3.4 Request for further funds from Unsecured Noteholder

The Issuer may determine from time to time that further funds are required by the business unit (refer to condition 9 of the Special Conditions of Issue). In that case, the Issuer may require the holder to advance that further amount which is calculated by multiplying the percentage set out in Schedule 5 of the Special Conditions of Issue by the total amount of the capital required by the business unit as determined by the Issuer. If the further amount is not paid to the Issuer, then the Unsecured Note will be redeemed and the holder will have no obligation to advance the additional amount. The holder has the choice as to whether to advance the further amount or to have the Unsecured Note redeemed.

The amount of any further advance does not bear interest and is repayable:

- when the Issuer determines that there is surplus cash in the relevant business unit; or
- by applying amounts otherwise payable as interest on the relevant Unsecured Note as a repayment in lieu of any entitlement to that amount of interest on the Unsecured Note. In this event the relevant amount of interest is not payable to the holder but the period for the calculation of cumulative profitability is restarted as if an entitlement to an interest distribution had accrued.

On redemption of the Unsecured Note any outstanding advances are forgiven by the holder so that the loan to the Issuer is extinguished and is no longer owing to the holder.

3.5 Other Special Conditions of Issue

The holder is prohibited from assigning, mortgaging or otherwise dealing with the Unsecured Note without the consent of the Issuer.

The holder is not entitled to voting rights, bonus shares, rights issues or other rights enjoyed by shareholders of the Issuer.

The manager of a business unit must notify the Issuer of any change in control of the legal entity which is registered as being the Unsecured Noteholder. In such a case the Issuer may require either:

- the Unsecured Note to be transferred to a legal entity of which the manager has effective control; or
- that the manager resume effective control of the legal entity registered as being the Unsecured Noteholder,

within 14 days of being required to do so.

If the manager does not comply with the Issuer's requirement, the Issuer may redeem the Unsecured Note immediately.

3.6 Funding Agreements

As indicated above, the Company has arrangements with a related financier to assist Unsecured Noteholders to fund the purchase of Unsecured Notes.

Unsecured Noteholders who fund the purchase of any Unsecured Notes under a Funding Arrangement with the financier (**Note Loan**) should read the Note Loan documentation carefully and, if in doubt as to the effect of the Note Loan, consult their solicitor.

Under the terms of the Note Loan, Unsecured Noteholders agree that the Company will hold the Unsecured Note Certificate in escrow and must assign the payment of the Moneys Owning on an Unsecured Note to the financier. The Unsecured Noteholder will give the Company an irrevocable direction to make such payments directly to the financier. The Trust Deed acknowledges the Company's right to pay the financier the Moneys Owning in respect of Unsecured Notes issued under a Note Loan.

Unsecured Noteholders who fund the purchase of Unsecured Notes with a Note Loan or otherwise should have regard to the termination events under the terms of the Note Loan or other funding arrangement and have regard to how those termination events would affect the Noteholder.

Unsecured Noteholders should note that the Trustee is in no way required to enquire into or make itself aware of the terms of the financing arrangements that may be entered into between prospective Unsecured Noteholders, the Issuer or any financier.

The Company does not receive any commission in connection with you entering into a Note Loan but, given the financier is a related body corporate, it receives the benefit of any interest and fees that you pay on the Note Loan.

If you want more information about the Note Loan, you should contact the Company's Business Ownership Scheme Team by email at BOS_Australia@flightcentre.com or by fax on (07) 3170 7239.

4. Disclosures Relating to ASIC Regulatory Guide 69

4.1 Disclosure benchmarks

On 8 February 2012 ASIC updated Regulatory Guide 69 entitled 'Debentures and notes: Improving disclosure for retail investors' (**Regulatory Guide**). The Regulatory Guide was

released to help investors understand the risks, assess the rewards being offered and decide whether a particular debenture investment is suitable for them.

In order to comply with the Regulatory Guide, the Issuer is required to report against certain benchmarks which are set out in the Regulatory Guide, in its Prospectus. Those benchmarks and the relevant disclosures in relation to the Issuer's business are set out in the table below.

Criteria Met	Further disclosures and if criteria not met, why not?
Benchmark 1: Equity Ratio	
Debenture issuers (other than property developers) should maintain a minimum equity ratio of 8%	
Yes	At 31 March 2013, the Issuer had an equity ratio of 51.6%*
Debenture issuers should disclose their comparative equity ratio from the prior year	
Yes	At 31 March 2012, the Issuer had an equity ratio of 48.4%*
Benchmark 2: Liquidity	
Debenture issuers should have cash flow estimates for the next 3 months and ensure that at all times they have on hand cash or cash equivalents sufficient to meet their projected cash needs over the next three months.	
Yes	The Issuer has funds available to meet the projected cash needs in relation to the Unsecured Notes over the next 3 months. The Issuer prepares regular cash flow forecasts, which provide for any foreseeable funding required to redeem the Unsecured Notes. The Issuer is an ASX listed entity with a market capitalisation as at 31 March 2013 of approximately \$3.37 billion, producing consolidated revenues of over \$1.019 billion in the half year ending 31 December 2012 and over \$2.028 billion in the financial year ending 30 June 2012. The Unsecured Notes are, as the names suggests, not secured and consequently the Moneys Owing to any Unsecured Noteholder at any given time will rank behind any secured liabilities (and certain other categories of creditor) and equally with unsecured creditors.

* Calculated on the basis of the consolidated and unaudited balance sheet of the Company and those wholly-owned subsidiaries of the Company that are parties to deeds of cross guarantee pursuant to ASIC Class Order 98/1418 (as amended), as at the relevant balance date.

Criteria Met	Further disclosures and if criteria not met, why not?
--------------	---

Benchmark 3: Rollovers

Issuers should disclose their approach to rollovers, including what process is followed at the end of the investment term.

Yes	Each Unsecured Note is issued for a period of 10 years unless: - the relevant manager's employment is terminated for any reason; - an Unsecured Noteholder requests redemption or repayment of the Unsecured Note in writing; or - the Issuer notifies the Unsecured Noteholder that redemption or repayment of the Unsecured Note will occur on a certain date. If none of the above events occur within 10 years the Unsecured Note is redeemed.
-----	--

Issuers should disclose how they inform those rolling over or making further investments of any current prospectus and continuous disclosure announcements.

Yes	The Unsecured Notes do not rollover. However, if an Unsecured Note is redeemed for any reason, and a new Unsecured Note is applied for by the same previous Unsecured Noteholder, then the application for a new Unsecured Note is made under the current prospectus for the Unsecured Notes at the time of application and which incorporates, by reference, all of the Issuer's continuous disclosure announcements made to the ASX.
-----	--

Benchmark 4: Debt maturity

Issuers should disclose an analysis of the maturity profile of interest-bearing liabilities (including notes on issue) by term and value and the interest rates, or average interest rates, applicable to their debt.

Yes	Details of the Issuer's interest-bearing liabilities (including Unsecured Notes) are set out in section 4.2.
-----	--

Benchmark 5: Loan portfolio

The Issuer is not required to report against this criteria as it does not (either directly or through a related body corporate) on-lend money raised through the issue of Unsecured Notes.

Benchmark 6: Related party transactions

The Issuer is not required to report against this criteria as it does not (either directly or through a related body corporate) on-lend money to related parties raised through the issue of Unsecured Notes.

Criteria Met	Further disclosures and if criteria not met, why not?
--------------	---

Benchmark 7: Valuations

The Issuer is not required to report against this criteria as it does not loan money for property related activities.

Benchmark 8: Lending principles – loan to valuation ratios

The Issuer is not required to report against this criteria as it does not loan money for property related activities.

4.2 Debt maturity profile

A summary of the debt maturity profile of the Issuer and relevant wholly-owned subsidiaries* as at 31 March 2013 is set out in the table below.

Interest-bearing liability	Average interest rate	Time to maturity (years)					
		Up to 1	1 – 2	2 – 3	3 – 4	4 – 5	Over 5
		\$	\$	\$	\$	\$	\$
Unsecured Notes	Not Known [#]	11,365,758	9,466,800	13,994,350	1,681,721	3,249,213	38,364,803
Intra-group loans	Variable ^{##}	162,339,324	0	0	0	0	48,440,031
TOTAL	-	173,705,082	9,466,800	13,994,350	1,681,721	3,249,213	86,804,834

[#] The interest payable in respect of the Unsecured Notes is dependent on matters not only within the direct control of the Issuer, but within the control of the Unsecured Noteholder (i.e. the return on each Unsecured Note is dependent on the profit or improved loss position of the business unit to which the Unsecured Noteholder is allocated). As such, the Issuer believes that it has no reasonable basis on which to forecast the average interest rate applicable to the Unsecured Notes.

^{##} The intra-group loans identified above are those between members of the Flight Centre Group, where the borrower is a party to one or more deeds of cross guarantee pursuant to ASIC Class Order 98/1418 (as amended) which the Flight Centre Group has in place. Interest paid on those loans is at an arm's length rate, and, as at 31 March 2013 was set at a margin of 1.6% above 3 month LIBOR.

The table above does not include contingent liabilities, such as guarantees and letters of credit.

5. Trust Deed

The Unsecured Notes are issued pursuant to and subject to the terms and conditions of the Trust Deed including the general conditions found in Schedule 1 of the Trust Deed and the special conditions in Schedule 3 of the Trust Deed (in the latter case as set out in the Unsecured Note agreement which forms part of the application form). The key provisions of the Trust Deed are described below.

5.1 Covenants by the Issuer

The Issuer has covenanted to use its best endeavours to carry on and conduct its business in a proper and efficient manner, to make available accounting or other records of the

* Relevant wholly-owned subsidiaries are those wholly-owned subsidiaries of the Issuer that are parties to deeds of cross guarantee pursuant to ASIC Class Order 98/1418 (as amended).

Issuer to the Trustee, to give or cause to be given to the Trustee such information as the Trustee requires with respect to all matters relating to the accounting and other records of the Issuer, to duly comply with all applicable requirements of the Corporations Act applicable to it and to do certain other things which are usual in a Trust Deed of this nature.

5.2 Events of default

The principal and distributions from time to time payable on the Unsecured Notes will, at the option of the Trustee, become due and be payable in cash immediately upon the occurrence of certain events of default. The events of default include, but are not limited to, the following:

- the Issuer defaults in repayment or redemption of an Unsecured Note within 30 days after payment becomes due in accordance with the Special Conditions of Issue;
- the Issuer does not pay any other money owing which becomes due and payable by the Issuer pursuant to the Trust Deed within 30 days after it becomes due for payment;
- default is made by the Issuer in the performance or observance of any covenant, condition or provision under the Trust Deed and, where such default is capable of remedy, such default is not remedied within 30 days;
- an order is made, or a resolution is passed, for the winding up of the Issuer; and
- other events relating to insolvency, external administration, compromise with creditors and ceasing to carry on, or disposing of, the Issuer's business.

5.3 Trustee's powers

The Trustee may exercise certain powers in the interests of the Unsecured Noteholders. These powers may include, but are not limited to, the following:

- Waive any breach or non-compliance by the Issuer under the Trust Deed;
- Delegate its powers or discretions;
- Apply to the court for directions in relation to any questions arising either before or after the Unsecured Notes become repayable;
- Convene a meeting of Unsecured Noteholders; and
- Represent the Unsecured Noteholders generally in any investigation, negotiation, demand, action, transaction or proceeding and in so doing have an absolute discretion to act or to refrain from acting as it thinks fit.

Subject to the Corporations Act, the Trustee has absolute and uncontrolled discretion as to the exercise of all its powers, authorities and discretions and in the absence of fraud, wilful default or breach of trust, on the part of the Trustee, the Trustee will not be responsible for any loss, costs, damage or inconvenience that may result from the exercise or non-exercise of such powers, authorities or discretions.

5.4 Trustee may determine disputes

The Trustee may as between itself and the Unsecured Noteholders determine all questions and matters of doubt arising in relation to any of the covenants, provisions and obligations of the Trust Deed.

5.5 Alterations to Trust Deed

The Trustee and the Issuer may by deed make any alteration, modification or addition to the Trust Deed if (in the opinion of the Trustee) such alteration: is made to correct a manifest error or is of a formal or technical nature only; is necessary or expedient for the purpose of enabling the Issuer to continue to be listed for quotation with the ASX or to comply with the provisions of any statute; is required by or in consequence of any amendment to the Corporations Act and is not prejudicial to the interests of Unsecured Noteholders; is considered by the Trustee not to be or to be likely to become prejudicial to the interests of the Unsecured Noteholders; is approved or sanctioned by special resolution of the Unsecured Noteholders; is necessary or expedient to enable the Issuer to claim any deduction or rebate for income tax purposes in respect of the interest payable on any Unsecured Note; or is necessary or expedient for the purpose of facilitating the issue of Unsecured Notes and would not prejudice the rights of existing Unsecured Noteholders.

Otherwise the Trust Deed may be altered or modified with the approval of a special resolution of Unsecured Noteholders.

5.6 Redemption

The Issuer may terminate any particular Unsecured Noteholder's Unsecured Note Agreement and redeem the Unsecured Note related to that Unsecured Note Agreement at any time upon the provision of at least 14 days notice to the Unsecured Noteholders and the Trustee.

5.7 General conditions applying to Unsecured Notes

Schedule 1 of the Trust Deed sets out the general conditions applying to the Unsecured Notes including the following:

- where the Unsecured Noteholder holds the Unsecured Note Certificate, the surrender to the Issuer of the Unsecured Note certificate is a condition precedent to the right of an Unsecured Noteholder to receive payment of the principal. There is a mechanism provided for the re-issue of worn out, defaced, lost or destroyed certificates; and
- subject to the Special Conditions of Issue and the Corporations Act, Unsecured Noteholders are entitled to transfer the whole or part of any part of their Unsecured Notes by an instrument in writing in the usual common form or any form which the Issuer and the Trustee approve. No transfer of any Unsecured Notes will be registered in favour of a person who is, amongst other things, not otherwise a person who may make a loan to the Issuer under the Trust Deed. Every instrument of transfer duly stamped (if required) must be delivered to the Issuer for registration accompanied by the relevant Unsecured Note certificate and such other evidence as the Issuer requires to prove the title of the transferor.

5.8 Unsecured Note agreement

The special conditions of the Unsecured Notes (the Special Conditions of Issue) are contained in the Unsecured Note agreement (a specimen of which is set out in Schedule 3 to the Trust Deed) and have been discussed in section 3 of this Prospectus. The Unsecured Note agreement forms part of the application form.

5.9 Trustee indemnity

The Issuer has indemnified the Trustee against all costs and expenses of acting as trustee, and in particular of enforcing performance of the provisions of the Trust Deed.

Under clause 13 of the Trust Deed, the Trustee generally is only liable to Unsecured Noteholders for fraud, wilful default or breach of trust arising from the Trustee or its employees, servants or agents failing to show the degree of care and diligence required of it as Trustee or agent having regard to their powers, authorities and discretions. Clause 13 of the Trust Deed sets out other limitations on the Trustee's liability to Unsecured Noteholders.

5.10 Trustee's role

The Trustee's ultimate holding company is IOOF Holdings Limited, a company listed on the ASX. The Trustee has obligations and duties under the Trust Deed and the Corporations Act. The Trustee has agreed to undertake those obligations and perform those duties. Neither the Trustee nor any of its directors or officers guarantee performance by the Issuer of its obligations under the Trust Deed or the conditions of the Unsecured Notes.

The Trustee has not authorised or caused the issue of this Prospectus and takes no responsibility for any part of this Prospectus. The Trustee does not make any representations as to the truth or accuracy of the contents of this Prospectus other than the parts which refer directly to the Trustee. The Trustee does not make any representation regarding or accepting any responsibility for any statements or omissions in or from any other parts of this Prospectus.

The Trustee is not involved in the promotion of the issue of the Unsecured Notes and gives no express or implied recommendation or other statement in respect of the issue of the Unsecured Notes or as to whether or not the Unsecured Notes are a suitable investment for any person.

Australian Executor Trustees Limited acting as trustee under the Trust Deed is not to be read or construed as an endorsement of the Unsecured Notes or any investment represented by the Unsecured Notes. Each applicant for an Unsecured Note must:

- make their own assessment as to whether or not an investment in the Unsecured Notes is a suitable form of investment for them having regard to their personal, financial, taxation and other relevant circumstances and taking into account any other proposed terms and conditions of the Unsecured Note;
- seek their own financial, taxation and other relevant advice in determining whether or not to make an investment in the Unsecured Notes taking into account any other proposed terms and conditions of the Unsecured Note; and
- make their own decision whether or not to invest in Unsecured Notes taking into account any other proposed terms and conditions of the Unsecured Note and without

reliance on any recommendation, statement, opinion, forecast or other representation (whether positive or by omission) by or on behalf of the Trustee.

Without limiting the advice an applicant may seek, applicants should be aware that they may have to contribute further funds if requested by the Issuer and that they may not be able to recover some or all of those further funds that they invest.

Other than the parts of this Prospectus that refer directly to the Trustee or to the provisions of the Trust Deed, the Trustee has relied upon Flight Centre Limited for the accuracy of the content of this Prospectus. The Trustee does not make any representations as to the performance of the issue, the maintenance of capital or any particular rate of return.

6. Information with respect to the Issuer

6.1 Information incorporated by reference

The information contained in each of the documents referred to below is incorporated in, and forms part of, this Prospectus:

- The director's report and audited financial statements for the Flight Centre Group for the financial year ending 30 June 2012 (**2012 Annual Report**);
- The director's report and reviewed financial statements for the Flight Centre Group for the half year ended 31 December 2012; and
- the Trust Deed.

Copies of the above documents have been lodged with ASIC and are available for inspection during usual business hours at the Issuer's registered office at Level 2, 545 Queen Street, Brisbane.

The Issuer will provide, free of charge upon written request to the Company Secretary, a copy of any or all of the above documents.

6.2 Announcements to the ASX

The Issuer is required by the Corporations Act and the Listing Rules to inform the ASX of information concerning the Issuer that a reasonable person would expect to have a material effect on the price or value of the Issuer's securities.

Announcements made by the Issuer to the ASX are available from the ASX website (under the Issuer's code: FLT) at www.asx.com.au.

7. Key risks

7.1 Overview

This section identifies the major risks associated with an investment in Unsecured Notes.

The Issuer's business is subject to risk factors, both specific to its business activities and of a general nature. Such risks could affect the future operating performance of the Issuer and, in turn, the Issuer's ability to perform its obligations under the Unsecured Notes. Accordingly, an investment in Unsecured Notes should be considered in light of relevant risks, as set out below.

Before deciding to invest in Unsecured Notes, you should:

- read the entire Prospectus;
- consider risk factors that could affect the financial performance of the Issuer;
- review these factors in light of your personal circumstances; and
- seek professional advice from your accountant, financial adviser, lawyer or other professional adviser before deciding whether to invest.

The risks identified in this Prospectus are not an exhaustive list of the risks faced by the Issuer. These factors and others not addressed in this Prospectus may materially affect the financial performance of the Issuer and its ability to repay Unsecured Notes issued under this Prospectus.

7.2 General economic conditions

The Issuer's operating and financial performance is influenced by a variety of general economic and business conditions in Australia and overseas. A prolonged deterioration in general economic conditions, including a decrease in consumer and business demand, would likely have a material adverse effect on the Issuer's business or financial condition (or both).

7.3 Tourism industry

The Issuer's operating and financial performance is dependent on the health of the tourism industry generally. A decline in the domestic and international tourism industry, whether as a result of a particular event (such as a terrorist attack, outbreak of SARS or other disease or a natural disaster, such as earthquakes and volcanic ash clouds) or economic conditions (such as a decrease in consumer and business demand), would have a material adverse effect on the Issuer's operating and financial performance.

7.4 Decreased profits

Interest on the Unsecured Notes is calculated by reference to the relevant shop or business unit profits. Accordingly, an Unsecured Noteholder's return on the Unsecured Notes will be affected by anything which affects the profitability of the relevant shop or business unit. The Issuer does not promise or guarantee any particular return on the Unsecured Notes.

7.5 Supplier risk

The Issuer's business activities are reliant on suitable contractual arrangements being negotiated with major airlines and other suppliers of goods and services. A breakdown in the relationship between the Issuer and its suppliers, a failure to reach a suitable arrangement with a particular supplier or the failure of a supplier to pay or otherwise satisfy its contractual obligations (including as a result of insolvency) could disrupt the Issuer's business and have an adverse effect on the financial performance of the Issuer.

7.6 Loss of key staff and staff turnover

The Issuer is dependent upon the experience of its Directors, key senior management and staff generally. The loss of any of key personnel (i.e. by death, total or permanent disablement or resignation), as well as high staff turnover could cause disruption to the conduct of the Issuer's business in the short term and negatively affect the Issuer's operating and financial performance.

7.7 Growth strategy execution

The Issuer may not be able to execute effectively the strategies for its current and future acquired businesses. Planned growth through expansion of existing business could expose the Issuer to additional or unforeseen costs, which may strain financial or management resources.

7.8 Acquisition and investment risk

From time to time, the Issuer evaluates acquisition and divestment opportunities. Any past or future acquisitions or disposals would cause a change in the sources of the Issuer's earnings and result in variability of earnings over time. Integration of new businesses may be costly and occupy management's time. The financial performance of investments and the economic conditions they operate within may result in investment impairment should the recoverable amount of the investment fall below its carrying value.

7.9 Regulatory risk

Regulatory action against the Issuer under legislation and government policy may adversely affect the Issuer. For example, as a retailer of travel and travel-related products, the Issuer engages in extensive promotional and other advertising activities. Any regulatory action taken against the Issuer in relation to these activities may have adverse effects on the reputation of the Issuer or on the Issuer's operating and financial performance.

A variation in legislation and government policy may also affect the Issuer and the business environment in which it operates. Legislative changes could directly and indirectly alter consumer demand for and consumer attitudes towards international or domestic travel.

7.10 Financial risk

The Issuer's ability to continue its current operations and effectively implement future business plans may depend on its ability to raise additional funds. There is no guarantee that equity or debt funding will be available to the Issuer on favourable terms or at all or that, when an existing facility expires or is otherwise terminated (e.g. due to an event of default), the Issuer will be able to refinance that debt facility on reasonable terms.

An inability to raise additional funds or refinance existing facilities may have a material adverse effect on the Issuer's operating and financial performance and its ability to repay Unsecured Noteholders.

7.11 Taxation risks

A change to the current taxation regime in Australia or overseas, including changes in interpretation or application of the law by courts or taxation authorities, may affect the Issuer or the Unsecured Noteholders. Tax liabilities are the responsibility of each individual Unsecured Noteholder.

7.12 Currency risk

The Issuer operates internationally and is exposed to foreign exchange risk arising from currency exposures. The Issuer has measures in place to manage some of that exposure. However, notwithstanding those measures, the movement of foreign exchange rates could still have an adverse effect on the Issuer's operating and financial performance.

7.13 Investment risks

The Issuer invests funds it receives in the course of conducting its business.

The value of those investments or the return on them may rise or fall as a result of circumstances beyond the Issuer's control, including general economic conditions in Australia or overseas.

8. Meaning of profit and profit improvements for purposes of Unsecured Notes

Profit, or loss, for a period shall be determined as the management profit or loss for the relevant period, after accounting for the liabilities of or within the business unit for that period. The accounting policies used in determining the management profit or loss are determined by the Finance Director or the Chief Financial Officer of the Issuer, but are consistent with the policies used for all business units in the Flight Centre Group. The Issuer will notify the Unsecured Noteholder of any major change in its accounting policies.

Profit of each business unit is calculated as if that business unit was a "stand alone" operation. The expense components used in determining profit are partly influenced by the manager of that business unit and partly by the Issuer.

Areas where the Issuer has significant influence are:

- the Issuer from time to time negotiates various deals with airlines, wholesalers, insurance brokers, reservation system providers and other related travel product providers and all business units have access to these deals;
- the Issuer determines half-yearly internal fees which are charged out to its business units for the following:
 - accounting and legal services;
 - payroll and banking;
 - advertising;
 - computer support;
 - shop fit out;
 - management fees for "Country" and global support;
 - conferences; and
 - training; and
- salary related expenses:
 - the business unit is responsible for all statutory costs related to employment of persons in that business unit, including annual leave, long service leave, payroll tax and superannuation within the Issuer's general policy from time to time and legal requirements; and
 - the business unit is responsible for paying employees as per the Issuer's salary structure from time to time and legal requirements.

9. Additional Information

9.1 No costs and fees

Investors in Unsecured Notes pay no brokerage, stamp duty or other charges on lodgement of their investment. Any stamp duty on the application for or issue of the Unsecured Notes will be paid by the Issuer.

9.2 Interests of Directors

Other than as described below and in the 2012 Annual Report, no Director and no firm in which a Director of the Issuer is a partner has any interests in the promotion or formation of, or any property proposed to be acquired by, the Issuer, nor have any amounts in cash or shares or otherwise been paid or been agreed to be paid to any Director of the Issuer (or to any firm of which he is a partner), to induce him to become or to qualify him as, a Director, or otherwise for services rendered by him or by the firm in connection with the promotion or formation of the Issuer.
