Monadelphous Group Limited is a leading Australian engineering group providing services to the resources, energy and infrastructure industry sectors. The company has a solid track record in the safe and effective delivery of complex and large-scale engineering construction projects and maintenance and industrial services for industry throughout Australia. Monadelphous' capabilities encompass civil, mechanical, structural and electrical disciplines. Although the mining sector has been the major focus of Monadelphous' work, the company is becoming increasingly diversified with growing involvement in the energy and infrastructure sectors.
