In accordance with section 250R(4) of the Act, a vote must not be cast (in any capacity) on Resolution 1 by or on behalf of a member of the Company's key management personnel, whose remuneration details are included in the Remuneration Report (KMP), or a KMP's closely related party. A "closely related party" includes a spouse, dependant and certain other close family members of a KMP, as well as any companies controlled by a KMP.

However, a vote may be cast on Resolution 1 by a KMP as a proxy, or a KMP's closely related party as a proxy, if the vote is not cast on behalf of a KMP or a closely related party and:

- a) the proxy appointment is in writing and specifies how the proxy is to vote on Resolution 1; or
- b) the proxy is the chair of the meeting, and:
  - (i) the appointment does not specify the way the proxy is to vote on the resolution; and
  - (ii) the appointment expressly authorises the chair to exercise the proxy even if the resolution is connected directly or indirectly with the remuneration of the Company's KMPs.

If you appoint the Chairman of the Meeting as your proxy, and you do not direct your proxy how to vote on Resolution 1 on the Proxy Form, you will be expressly authorising the Chairman of the Meeting to exercise your proxy even if Resolution 1 is connected directly or indirectly with the remuneration of a member of the KMP, which includes the Chairman of the Meeting.

The Chairman of the Meeting intends to vote undirected proxies in favour of Resolution 1.

### **Voting exclusion statement – Resolution 2**

In accordance with the ASX Listing Rules, the Company will disregard any votes cast on Resolution 2 if they are cast by the Chief Executive Officer of the Company and any of his or her associates.

- a) they are acting as a proxy for a person who is entitled to vote, in accordance with the directions on a Proxy Form; or
- b) they are chairing the meeting as proxy for a person who is entitled to vote, in accordance with the directions on a Proxy Form to vote as the proxy decides.

### **Proxies**

## Explanatory Notes

The following notes explain the items of business to be considered at the meeting and form part of, and should be read in conjunction with, the notice of meeting.

### Financial report and directors' and audit reports

As required by the Corporations Act, the financial statements of the Company and the reports of the directors and auditor for the most recent financial year will be laid before the meeting.

This item does not require voting by shareholders. It is intended to provide an opportunity for shareholders as a whole to raise questions on the reports themselves and on the performance and management of the Company.

The auditors of the Company will be present at the meeting and will be available to answer any questions.

### Resolution 1: Approval of remuneration report

In accordance with section 250R of the Corporations Act, the Company must put to the vote a resolution that the remuneration report be adopted. The full remuneration report is contained in the Company's 2013 Annual Report.

The vote on the resolution is advisory only and does not bind the Company or the directors except in the circumstances described in Division 9 of Part 2G.2 of the Corporations Act. However, the directors will take into future consideration the shareholders' vote on this matter in determining future remuneration policy for Directors and executives.

If 25% or more of votes that are cast are voted against the adoption of the remuneration report at two consecutive AGMs, shareholders will be required to vote at the second of those AGMs on a resolution (a "spill resolution") that another meeting be held within 90 days at which all of the Company's directors (other than the CEO) must go up for re-election.

The chairman will allow shareholders a reasonable opportunity, as a whole, to ask questions about the remuneration report, following which the advisory resolution will be put to members.

The chairman, other directors and key management personnel, their proxies and closely related parties may not vote on this resolution, except as directed by a proxy vote. Any undirected proxies held by the chairman, other directors or key management personnel will be used to vote in favour of this resolution.

Directors consider that the Company's remuneration levels, including the grants of short and long-term incentive arrangements, are competitively set to attract and retain appropriately qualified and experienced directors and senior executives and are consistent with other successful mid size listed companies in the technology sector in Australia, and the interests of directors and senior executives for the short, medium and long term are aligned with the interests of shareholders.

**Recommendation:** The Directors recommend that you vote in favour of Resolution 1.

### Resolution 2: Issue of Securities to Mr Darc Rasmussen.

As announced by the Company on 27 August 2013, Mr Darc Rasmussen was appointed by the Company to the position of the Chief Executive Officer with effect from 8 October 2013, to replace Mr Mark Brayan who resigned from the Company on 11 September 2013.

Resolution 2 asks Shareholders to approve the grant of certain Performance Rights under the Integrated Research Performance Rights and Option Plan (IRPR&OP) to the Company's new Chief Executive Officer, Mr Darc Rasmussen (CEO) as part of his remuneration package.

The IRPR&OP is a key component of the Company's compensation arrangement for the CEO. The Board considers that the value of Mr Rasmussen's remuneration package, including the grant of Performance Rights, is within market range for a successful CEO of a mid-size listed company in the technology sector in Australia. By having the Performance Rights subject to the Company achieving the agreed profit hurdles, the IRPR&OP allows the Company to:

- ensure that the CEO's medium and long-term interests are aligned with the interests of shareholders of the Company;
- match rewards under the CEO remuneration with long-term performance of the Company; and
- attract and retain suitable candidates for the CEO position.

The Company's Chief Executive Officer is the only director entitled to participate in the IRPR&OP.

### Summary of the IRPR&OP terms

The key commercial terms of the Performance Rights to be granted to Mr Rasmussen under the IRPR&OP are set out in the table below.
