ABOUT GREENCROSS

Greencross was established in 1994 and has grown to become Australia's leading veterinary services company through the acquisition and integration of 100 practices, laboratories and crematoria around Australia.

Greencross's strategy is to continue to consolidate the fragmented veterinary services industry in Australia and is focused on delivering exceptional veterinary medicine and levels of care to its patients. The company's vision is to be the practice of choice for employees, clients, patients and shareholders.
