## **Explanatory Memorandum**

The Directors of the Company recommend shareholders read this explanatory memorandum in full before making any decision in relation to the resolutions. The following information should be noted in respect of the various matters contained in the accompanying Notice.

### **Background**

At the 2012 Annual General Meeting (AGM) more than 25% of votes cast were against the adoption of the Remuneration Report for the 2013 financial year. If at the 2013 AGM (due to be held) 25% or more of votes cast are against the adoption of the 2013 Remuneration Report for, shareholders will be required to vote on a resolution (spill resolution) on whether an extraordinary general meeting of the Company should be held (spill meeting) at which all of the Company's Directors (other than the Managing Director (who may continue to hold office without re-election under the ASX Listing Rules) must stand for re-election, should they wish to continue as Directors. These requirements are as prescribed in section 250V of the Corporations Act.

### **Spill Meeting (if required)**

In the event that at least 25% of the votes are cast against the 2013 Remuneration Report, the following spill resolution is to be considered at the Company's 2013 AGM:

*Subject to at least 25% of the votes cast being against the adoption of the 2013 Remuneration Report, to consider, and, if thought fit, pass the following as an ordinary resolution:*

*"That pursuant to and in accordance with section 250V of the Corporations Act:*

- (i) an Extraordinary General Meeting of the Company (Spill Meeting) be held within 90 days of the Company's 2013 Annual General Meeting (AGM); and*
- (ii) all the Company's Directors (other than the Managing Director of the Company) who were Directors of the Company when the resolution to adopt the 2013 Remuneration Report was voted on at the 2013 AGM, and who remain in office at the time of the Spill Meeting, cease to hold office immediately before the end of the Spill Meeting; and*
- (iii) resolutions to appoint persons to offices that will be vacated immediately before the end of the Spill Meeting be put to the vote at the Spill Meeting."*

If the spill resolution (which is an ordinary resolution) is passed at the 2013 AGM the Company section 250V of the Corporations Act requires the Company to hold the spill meeting within 90 days after the spill resolution was passed. The Company intends to hold any such spill meeting immediately following the closing of the 2013 AGM, and this Notice is intended to serve as notice of any such spill meeting. If the spill resolution is not required to be voted on, or is not passed at the 2013 AGM, this EGM, or spill meeting will **not** proceed.

### **Resolution 1 – Re-election of Mr Peter Wallace as a Director of the Company (if required)**

Mr Wallace being a Director of the Company who will cease to hold office immediately before the end of the spill meeting and, being eligible, offers himself for re-election as a Director of the Company.

### **Resolution 2 – Re-election of Mr Tom Amos as a Director of the Company (if required)**

Mr Amos being a Director of the Company who will cease to hold office immediately before the end of the spill meeting and, being eligible, offers himself for re-election as a Director of the Company.

### **Resolution 3 – Re-election of Mr Ed Goodwin as a Director of the Company (if required)**

Mr Goodwin being a Director of the Company who will cease to hold office immediately before the end of the spill meeting and, being eligible, offers himself for re-election as a Director of the Company.

### **Resolution 4 – Re-election of Mr David Swift as a Director of the Company (if required)**

Mr Swift being a Director of the Company who will cease to hold office immediately before the end of the spill meeting and, being eligible, offers himself for re-election as a Director of the Company.

#### **Directors' Recommendation**

The Directors note that the Government's stated intention of the "two strikes rule" was to empower shareholders to constrain remuneration arrangements that were clearly excessive. The Directors do not consider this to be the case for the Company. As described in the Remuneration Report for the 2013 financial year, members of the Company's executive team have received minimal increases to their fixed remuneration over the past three years, whilst short and long term incentive payments have not fully met their trigger points due to the Company's recent financial performance (and as such, limited incentive payments have been made). The non-executive directors' remuneration has not changed since 1 January 2010.

Each of the above resolutions are ordinary resolutions, and will be passed if 50% of the votes cast by shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate shareholder, by a corporate representative) are cast in favour of each Resolution.

A vote against the re-election of your Directors will result in costs and distraction that the Company can ill afford, and will risk destabilising the Company and its management at a time when all efforts are required to complete the strategic process necessary to improving future performance.

Accordingly:

- (a) the Directors (with Mr Wallace abstaining) recommend that shareholders vote in favour of Resolution 1.
- (b) the Directors (with Mr Amos abstaining) recommend that shareholders vote in favour of Resolution 2.
- (c) the Directors (with Mr Goodwin abstaining) recommend that shareholders vote in favour of the re-election of Resolution 3.
- (d) the Directors (with Mr Swift abstaining) recommend that shareholders vote in favour of Resolution 4.

The Chairman of the meeting intends to vote all undirected proxies in favour of Resolutions 1, 2, 3 and 4.
