A member who is entitled to cast two or more votes may appoint one or two proxies and may specify the proportion or number of votes that each proxy is appointed to exercise. If a member appoints two proxies and the appointment does not specify the proportion, or number, of the member's votes, each proxy may exercise half of the member's votes.

Directed and Undirected Proxies

If you choose to appoint a proxy, the Company encourages you to direct your proxy how to vote on each resolution by marking either "For", "Against" or "Abstain" for this item of business on the proxy form.

If you sign the enclosed proxy form and do not specify an individual or body corporate as your proxy, you will have appointed the chairperson of the meeting as your proxy on Resolution 2 (*Remuneration Report*) if you expressly authorise him or her to do so by marking the second box under Step 1.

The chairperson of the meeting (if required, where authorised to do so) will vote undirected proxies on, and in favour of, all of the proposed resolutions.

If you appoint as your proxy any other director of the Company, any other of the Company's key management personnel or any of their closely related parties, they will vote undirected proxies in favour of all of the proposed resolutions except Resolution 2 (*Remuneration Report*). They will not cast any votes in respect of Resolution 2 (*Remuneration Report*) that arise from undirected proxies they hold.

"Key management personnel" of the Company for the financial year ended 30 June 2013 are identified in the Remuneration Report, which forms part of the Company's 2013 Annual Report. The "closely related parties" of the Company's key management personnel are defined in the *Corporations Act 2001* (Cth), and include certain of the family members, dependants and companies they control.

EXPLANATORY MEMORANDUM

Financial Statements

As required by section 317 of the Corporations Act, the Directors' Report, Financial Statements, Directors' Declaration and Independent Audit Report for the financial year ended 30 June 2013 are to be laid before the meeting.

Following consideration of the Directors' Report, Financial Statements, Directors' Declaration and Independent Audit Report for the financial year ended 30 June 2013, the chairman will give shareholders a reasonable opportunity to ask questions about or to make comments upon those documents.

Resolution 2 – Directors' Remuneration Report

Section 300A of the Corporations Act requires the directors to include in their Directors' Report a section dealing with the remuneration of directors and other key management personnel (*Remuneration Report*) and section 250R(2) of the Corporations Act requires that the Remuneration Report be put to the vote of shareholders for adoption. The Remuneration Report can be found in the Directors' Report section on page 22 of the Company's 2013 Annual Report.

Section 250R(3) of the Corporations Act provides that the vote on the resolution is advisory. However, if more than 25% of the votes are cast against two consecutive annual section 250R(2) resolutions, the Corporations Act requires a shareholder vote on whether to convene a special meeting at which all directors (other than a managing director) who were in office when the second section 250R(2) resolution was passed must stand for re-election.

Following consideration of the Remuneration Report, the chairman will give shareholders a reasonable opportunity to ask questions about or to make comments upon the Remuneration Report.

Mr Zhong has a Masters Degree in Economics and has extensive experience in executive positions in China and Hong Kong. During his career, Mr Zhong has been in charge of capital management and mining investments in China, Mexico and Australia.

Under clause 5.2(a)(ii) of the Company's Constitution any director appointed to fill a casual vacancy or as an addition to the existing directors holds office until the next annual general meeting of the Company and is then eligible for re-election.

Accordingly Mr Karpin, being eligible and having consented to act, presents himself for re-election.

Resolution 7 – Approval to Ratify Previous Issue of Convertible Securities

Resolution 7 seeks Shareholder ratification of the issue of 75,000,000 Convertible Securities pursuant to a Convertible Loan Facility Agreement (“**the Agreement**”) that the Company executed with Smart East Global Limited (“**SEGL**”). The Agreement provides for SEGL to lend up to \$3,000,000 to the Company, and grants SEGL an option to convert the loan sums (together with any accrued interest) into ordinary shares in the Company. The first tranche of funds, amounting to \$1,500,000, was drawn down on 26 June 2013. The Company has not yet agreed with SEGL on the period during which the Company will have the right to draw on the second tranche of funds, consisting of a further \$1,500,000.

The loans under the Agreement bear interest at a rate per annum of 12%. Interest is payable by the Company quarterly in arrears, with the first interest payment date occurring on 1 October 2013. SEGL may waive the interest on any part of the loans, however, by written notice to the Company.

SEGL has the right to convert all or any part of the principal amount of the loans, together with any accrued interest, into ordinary shares in the Company at any time on or after 26 June 2014 and before 26 June 2016. Any such conversion will be at a conversion price of 4 cents per ordinary share.

Subject to certain exceptions, ASX Listing Rule 7.1 restricts a company from issuing or agreeing to issue equity securities in any 12 month period which amount to more than 15% of the Company’s ordinary securities on issue at the commencement of that period without Shareholder approval.

ASX Listing Rule 7.4 permits the ratification of previous issues of securities made without prior Shareholder approval, provided the issue did not breach the 15% threshold in ASX Listing Rule 7.1. If subsequent approval to the issue of options is provided by Shareholders, it will “refresh” the Company’s ability to issue securities up to the 15% limit without the need for Shareholder approval.

The Company seeks Shareholder ratification of the issue of Convertible Securities under the Agreement so that the Company will have the flexibility to issue further securities should the need or opportunity arise.

In accordance with the requirements of ASX Listing Rule 7.5, the following information is provided to Shareholder to allow them to assess Resolution 7:

- A total number of 75,000,000 Convertible Securities were issued.
- The Convertible Securities were issued with a conversion price of \$0.04 per ordinary share.
- The issue of Convertible Securities was made to SEGL. SEGL may convert the Convertible Securities into shares in the Company at a conversion price of \$0.04 per share at any time on or after 26 June 2014 and before 26 June 2016.
- A voting exclusion statement has been included for the purpose of Resolution 7.

The Directors recommend that Shareholders vote in favour of ratification of the previous issue of Convertible Securities.

Resolution 8 – Approval to Issue Shares to Related Parties – Mr Scott Bennison

General

Resolution 8 seeks approval from Shareholders for the Company to issue Shares to Mr Scott Bennison, Non-Executive Director of the Company.

The Company has agreed, subject to obtaining Shareholder approval, to issue 111,111 Shares to Mr Scott Bennison, Non-Executive Director of the Company, on the terms and conditions set out below. These Shares are not proposed to be offered under a plan.

The purpose of the issue of the Shares is to reduce the Company’s exposure to cash flow liability by replacing half of Mr Bennison’s directors’ fees with Shares.

Chapter 2E of the Corporations Act

For a public company, or an entity that a public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company’s members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The proposed grant of the Shares constitutes giving a financial benefit and Mr Bennison is a related party of the Company. The Directors (other than Mr Bennison who has a material personal interest in Resolution) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the proposed grant of Shares, because the grant of Shares is considered reasonable remuneration in the circumstances and on an arm's length basis.

ASX Listing Rule 10.11

ASX Listing Rule 10.11 also requires shareholder approval to be obtained where an entity issues, or agrees to issue, securities (or rights to securities) to a related party, or a person whose relationship with the entity or a related party is, in ASX's opinion, such that approval should be obtained unless an exception in ASX Listing Rules 10.12 applies.

As the grant of the Shares involves the issue of a right to securities to a related party of the Company, Shareholder approval pursuant to ASX Listing Rule 10.11 is required unless an exception applies. It is the view of the Directors that the exceptions set out in ASX Listing Rule 10.12 do not apply in the current circumstances.

Technical information required by ASX Listing Rule 10.13

It is proposed that Mr Bennison will be issued fully paid ordinary shares for nil cash consideration, in lieu of half his directors' fees. Mr Bennison will be granted Shares subject to and immediately following shareholder approval at the AGM.

Pursuant to and in accordance with ASX Listing Rule 10.13, the following information is provided in respect of Resolution 8:

- (a) the Shares will be allotted and issued to Mr Bennison (or his nominee) as follows:

Director	Shares
Mr Scott Bennison (Non-Executive Director)	1,111,111
Total	1,111,111

- (b) the maximum number of Shares to be issued is 1,111,111 Shares;
- (c) the issue price for the Shares will be \$0.018 per Share, being the 15-day VWAP for Shares in the Company immediately preceding the date of this notice;
- (d) the Shares will be granted no later than 1 month after the date of the Annual General Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules);
- (e) the Shares issued will be fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares; and
- (f) the Shares will be issued for nil cash consideration, and accordingly, no funds will be raised.

Approval pursuant to ASX Listing Rule 7.1 is not required for the grant of the Shares as approval is being obtained under ASX Listing Rule 10.11. Accordingly, the grant of the Shares to Mr Bennison will not be included in the use of the Company's 15% annual placement capacity permitted under ASX Listing Rule 7.1.

Resolution 8 – Approval to Issue Shares to Related Parties – Mr David Karpin

General

Resolution 9 seeks approval from Shareholders for the Company to issue Shares to Mr David Karpin, Chairman and Non-Executive Director of the Company.

The Company has agreed, subject to obtaining Shareholder approval, to issue 1,111,111 Shares to Mr David Karpin, Chairman and Non-Executive Director of the Company, on the terms and conditions set out below. These Shares are not proposed to be offered under a plan.

The purpose of the issue of the Shares is to reduce the Company's exposure to cash flow liability by replacing half of Mr Karpin's directors' fees with Shares.

Chapter 2E of the Corporations Act

For a public company, or an entity that a public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (c) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (d) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The proposed grant of the Shares constitutes giving a financial benefit and Mr Karpin is a related party of the Company. The Directors (other than Mr Karpin who has a material personal interest in Resolution) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the proposed grant of Shares, because the grant of Shares is considered reasonable remuneration in the circumstances and on an arm's length basis.

ASX Listing Rule 10.11

ASX Listing Rule 10.11 also requires shareholder approval to be obtained where an entity issues, or agrees to issue, securities (or rights to securities) to a related party, or a person whose relationship with the entity or a related party is, in ASX's opinion, such that approval should be obtained unless an exception in ASX Listing Rules 10.12 applies.

As the grant of the Shares involves the issue of a right to securities to a related party of the Company, Shareholder approval pursuant to ASX Listing Rule 10.11 is required unless an exception applies. It is the view of the Directors that the exceptions set out in ASX Listing Rule 10.12 do not apply in the current circumstances.

Technical information required by ASX Listing Rule 10.13

It is proposed that Mr Karpin will be issued fully paid ordinary shares for nil cash consideration, in lieu of half his directors' fees. Mr Karpin will be granted Shares subject to and immediately following shareholder approval at the AGM.

Pursuant to and in accordance with ASX Listing Rule 10.13, the following information is provided in respect of Resolution 9:

- (g) the Shares will be allotted and issued to Mr Karpin (or his nominee) as follows:

Director	Shares
Mr David Karpin (Chairman & Non-Executive Director)	1,111,111
Total	1,111,111

- (h) the maximum number of Shares to be issued is 1,111,111 Shares;
- (i) the issue price for the Shares will be \$0.018 per Share, being the 15-day VWAP for Shares in the Company immediately preceding the date of this notice;
- (j) the Shares will be granted no later than 1 month after the date of the Annual General Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules);
- (k) the Shares issued will be fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares; and
- (l) the Shares will be issued for nil cash consideration, and accordingly, no funds will be raised.

Approval pursuant to ASX Listing Rule 7.1 is not required for the grant of the Shares as approval is being obtained under ASX Listing Rule 10.11. Accordingly, the grant of the Shares to Mr Karpin will not be included in the use of the Company's 15% annual placement capacity permitted under ASX Listing Rule 7.1.
