

MARKET ANNOUNCEMENT

Continuous Disclosure

Sydney, January 9, 2014 – Integrated Research (“IR”) is in the early stages of preparing its financial statements for the half year ended 31 December 2013. Based on internal management accounts and subject to audit review, the Company anticipates profit after tax to be in the range of \$4.4 million to \$4.8 million compared to \$2.8 million for the equivalent prior period.

The Company benefitted from a lower Australian dollar together with higher Unified Communications and Payments revenues attributable in part to the strategic relationships with Avaya and ACI.

This statement is made for market guidance, but IR does not expect to make any further comment until the accounts have been finalised and approved for release to the ASX (anticipated announcement date: 20 February 2014).
