About Virtus Health Limited

Virtus Health Limited (ASX: VRT) brings together Australia's leading fertility specialists, scientists, researchers and support staff to provide the very best in fertility care and related services. Virtus provides patients with a model of healthcare that integrates high quality patient care with an extensive range of Assisted Reproductive Services, specialised diagnostics and day hospital services.

We have developed one of the most successful medical collaborations in the world. With more than 80 of the world's leading fertility specialists supported by over 800 professional staff, we are the largest network and provider of fertility services in Australia. Our combined expertise creates a unique and powerful body of knowledge which when combined with the collegial team approach of our specialists, scientists and support staff, means we are able to find new and advanced solutions for achieving success for our patients.

Virtus is responsible for approximately 4,000 couples and single women each year achieving their dream of conceiving and having a baby.

Virtus achieved ASX listing in June 2013, following one of the most successful initial public offerings of recent times in Australia, the first fertility organisation to do so internationally and has recently been admitted to the S&P/ASX 200 index.
