DECEMBER 2013

Cromwell

PROPERTY GROUP

WELL PLACED

Cromwell Property Group is an Australian Real Estate Investment Trust (A-REIT) and Fund Manager with over \$3.5 billion in assets under management.

ABOUT US

Listed on the Australian Securities Exchange (ASX: CMW), Cromwell Property Group has over \$3.5 billion in assets under management and manages 32 commercial properties throughout Australia.

Cromwell actively manages its property assets with a focus on delivering long term property and investment performance.

Cromwell delivered operating earnings of over \$73 million in the first half of the 2014 financial year from the Group's property portfolio and funds management business.

Cromwell is well placed to continue to deliver the strong property income returns historically achieved, whilst being able to take advantage of current market conditions to continue to buy quality property at attractive prices.

In-house property management

INTEGRATED PROPERTY MANAGEMENT MODEL

Cromwell's philosophy is to actively manage all property assets in-house.

This internalised property management model is one of the Group's key competitive advantages. The property team oversees the strategic management of the assets, ensuring that tenants are happy, space is leased, buildings are operating efficiently and projects are delivered on time and on budget.

By keeping these functions in-house, Cromwell ensures that assets are managed in accordance with the interests of investors and to the expectations of tenants.

Cromwell's experience and approach to commercial asset management puts Cromwell at the forefront of the industry and the internalised model creates a seamless link between investors, the assets and their tenants.

Cromwell's approach is to constantly improve tenant satisfaction, property income returns and capital value.

PORTFOLIO OVERVIEW

ENVIRONMENTAL SUSTAINABILITY

As a long term property owner, environmental sustainability is an important pillar of Cromwell's business.

Cromwell has applied the National Australian Built Environment Rating System (NABERS) to measure the operational impacts of its properties* on the environment. By reducing our reliance on natural resources we can also achieve operating efficiencies for the benefit of all stakeholders.

PORTFOLIO NABERS RATING*

* NABERS assessments are not undertaken for some assets where the tenant has full operational control and manages the total resource consumption.

Cromwell's income is underpinned by quality income producing Australian assets with strong tenant covenants.
