About Continental Coal Limited

Continental Coal Limited (ASX:CCC/AIM: COOL) is a South African thermal coal producer with a portfolio of projects located in South Africa's major coal fields including two operating mines, the Vlakvarkfontein and Penumbra Coal Mines, producing approx. 2Mtpa of thermal coal for the export and domestic markets. A Feasibility Study was also completed on a proposed third mine, the De Wittekrans Coal Project.

Forward Looking Statement

This communication includes certain statements that may be deemed "forward-looking statements" and information. All statements in this communication, other than statements of historical facts, that address future production, reserve potential, exploration drilling, exploitation activities and events or developments that the Company expects to take place in the future are forward-looking statements and information. Although the Company believes the expectations expressed in such forward-looking statements and information are based on reasonable assumptions, such statements are not guarantees of future performance and actual results or developments may differ materially from those in the forward-looking statements and information. Factors that could cause actual results to differ materially from those in forward-looking statements include market prices, exploitation and exploration successes, drilling and development results, production rates and operating costs, continued availability of capital and financing and general economic, market or business conditions. Investors are cautioned that any such statements are not guarantees of future performance and actual results or developments may differ materially from those stated.
