Issue of Shares and Cancellation of Options (Appendix 3B Form)

Issue of New Ordinary Shares - Placement

World Reach Limited previously advised that it issued on 24 February 2014 new ordinary shares as follows:-

- Issued 2,920,000 ordinary shares to Ample Skill Limited, a Hong Kong based private investment fund, which subscribed for a placement of ordinary shares at an issue price of \$0.15 per share. The issue raised \$438,000 for working capital purposes.

Variation to Conversion Price of Convertible Notes

Following the placement of shares on 24 February 2014, there is a change to the number of shares that may be issued on full conversion of all existing convertible notes:-

- Under the terms of the Convertible Note Trust Deed the conversion price has changed as a consequence of the placement being at a lower conversion price than that which previously applied to convertible notes. Under the terms of the Convertible Note Trust Deed the conversion price becomes 80% of the new capital raising. See the Appendix 3B for full details.

Expiry of Options

Since the filing of the previous Appendix 3B certain options have expired and been cancelled as follows:-

- Cancelled 80,500 options previously issued to employees under the Employee Option Plan, the exercise period having expired pursuant to the terms and conditions of the options issue.

The attached Appendix 3B provides a summary of all securities currently issued by the Company.

Yours faithfully,

A handwritten signature in black ink, appearing to read "Dennis Payne".
