OzForex Group inclusion in ASX200

OzForex Group Limited (ASX:OFX) today welcomed S&P Dow Jones Indices' announcement noting the Group's upcoming inclusion in the S&P/ASX 200 index.

Official inclusion is effective after the close of trading on 21 March 2014, and comes as a result of the March quarterly review.

OzForex Chief Executive Officer Neil Helm said inclusion in the ASX200 reflected the significant level of investor support for the international payments service provider since its successful listing in October last year.

"We believe that the improved liquidity and profile that will arise from being included in the index will be beneficial to all our shareholders," Mr Helm said.
