Dividend Reinvestment Plan

Plan Highlights, your questions answered & Terms and Conditions

PLAN HIGHLIGHTS

Dividend Reinvestment Plan

Under the E&A Limited (EAL) Dividend Reinvestment Plan (DRP), you may elect to have the dividends paid on some or all of your EAL Shares automatically reinvested in additional EAL Shares.

Full details of the DRP's operations are contained in the accompanying Terms and Conditions.

Right to Participate

All shareholders with an Australian or New Zealand registered address are eligible to participate in the DRP. Participation in the DRP is entirely optional.

How to Participate

If you wish to participate in the DRP, you must complete a Dividend Reinvestment Plan Application or Variation Form (DRP Form) and return it to the EAL Share Registry. Additional DRP Forms may be obtained from the EAL Share Registry.

You may participate in the DRP at any time. Your participation will commence with the first dividend paid after receipt of a valid DRP Form. However, the DRP Form must be received before 5:00pm (Sydney time) on the first business day after the Record Date to participate in that dividend.

Full or Partial Participation

Shareholders may elect to participate as follows:

- a. full participation in the DRP; or
- b. partial participation in the DRP.

If you elect to participate fully in the DRP, then all Shares held by you at the relevant Record Date for all dividends will be treated as participating in the DRP.

If you choose partial participation, only the specific number of Shares nominated will participate in the DRP. Dividends will be paid in the normal way for Shares not participating in the DRP.

Rights Attaching to Shares Allotted or Transferred Under the DRP

Shares allotted or transferred under the DRP rank equally in all respects with existing Shares from the date of allotment or transfer.

Issue Price

The Issue Price of Shares will vary with each dividend. Shares will be issued or transferred by reference to a volume weighted average price of all EAL Shares traded on the ASX (Market Price) during a particular period as determined by the Board from time to time (Price Determination Period). The Directors may apply a discount to the Market Price in determining the Issue Price. EAL will advise shareholders with each dividend (through an announcement to the ASX) whether a discount to the market price will apply to determine the Issue Price and provide details of the Price Determination Period.

Number of Shares to be Allotted or Transferred

The number of new Shares to be allotted or transferred to each Participant depends on the value of the dividend declared. The exact number of new Shares will be the value of the dividend entitlement divided by the Issue Price, rounded up to the nearest whole number of Shares.

Costs of Participation

No brokerage or other transaction/administration costs are payable by Shareholders on Shares allotted under the DRP at this time. You will be responsible for costs associated with seeking independent advice concerning your participation in the DRP.

Variation of Level of Participation or Withdrawal

You may vary your level of participation or withdraw from the DRP at any time by completing a DRP Application or Variation Form and forwarding it to the EAL Share Registry.

Subject to the DRP Application or Variation Form being received before 5:00pm (Sydney time) on the first business day after the Record Date for that dividend, the DRP Application or Variation Form will be effective from the next dividend payment date.

DRP Statements

EAL will send participants a statement for each dividend payment providing full details of allotment or transfer under the DRP.

Modification of the DRP

The DRP may be modified, suspended or terminated by the Directors at any time by giving participants notice in writing.

Sale of Shares

Shareholders participating in the DRP may sell any of their Shares at any time (subject of course to any relevant legislative "insider trading" provisions).

Taxation

For tax purposes, dividends reinvested under the DRP are usually assessable for income tax in the same way as cash dividends in both New Zealand and Australia.

EAL takes no responsibility for any taxation liability of participants. Shareholders should seek their own tax advice in relation to the DRP.

Will these Shares be the same as my existing Shares?

Yes, Shares allotted or transferred under the DRP rank equally in all respects with existing Shares from the date of allotment.

What will the Issue Price be?

The Issue Price of Shares will vary with each dividend. This is because the Issue Price will be determined by reference to a volume weighted average price of all EAL Shares traded on the ASX (Market Price) during a particular period as determined by the Board from time to time (Price Determination Period). The Directors may apply a discount to the Market Price in determining the Issue Price. EAL will advise shareholders with each dividend (through an announcement to the ASX) whether a discount to the market price will apply to determine the Issue Price and provide details of the Price Determination Period.

Will I have to pay anything to participate in the DRP?

No brokerage or other transaction/administration costs are payable by shareholders on Shares allotted under the DRP at this time.

You may vary your level of participation or withdraw from the DRP at any time by completing a DRP Form and forwarding it to the EAL Share Registry.

How will I know how many Shares I have been allotted or transferred?

EAL will send participants a statement for each dividend payment providing full details of allotment or transfer under the DRP.

Can I sell my Shares?

Shareholders participating in the DRP may sell any of their Shares at any time (subject of course to any relevant legislative "insider trading" provisions).

Are my Shares taxed?

For tax purposes, dividends reinvested under the DRP are usually assessable for income tax in the same way as cash dividends in both New Zealand and Australia.

EAL takes no responsibility for any taxation liability of participants. Shareholders should seek their own tax advice in relation to the DRP.

8. STATEMENTS

After each allotment of Shares under the DRP, EAL must send to each Participant a statement setting out full details of the allotment.

9. CHANGES TO PARTICIPATION

A Participant may at any time, by notice in writing to EAL in a form prescribed by the Directors, terminate the Participant's participation in the DRP, or (subject to these Terms) increase or decrease the number of the Participating Shares. A notice given under this clause which is received after 5:00pm (Sydney time) on the first business day after the Record Date for a dividend is not effective for that dividend, but takes effect in respect of the next dividend.

10. SHARE TRANSFERS AND OTHER CHANGES IN SHAREHOLDING

The number of a Participant's Participating Shares will be the number determined in accordance with clause 5, irrespective of changes which have occurred or may occur in the total number of a Participant's Shares.

- a. giving the notice to ASX for release to the market (in which case the notice is taken to be given on the date of which it is first given to ASX); or
 - b. sending the notice to the registered addresses of the Shareholders (in which case the notice is taken to be given on the date determined in accordance with the Constitution); or
 - c. both methods (in which case the notice is taken to be given on the date of which it is first given to ASX).
- 11.6 The accidental omission to give a notice of variation, suspension or termination, or the non-receipt of any notice by any Shareholder, does not invalidate the variation, suspension or termination (as the case may be).

12. ASX LISTING

Pursuant to the Listing Rules, EAL will apply for quotation on the ASX of all Shares allotted under the DRP.

13. MODIFICATION, SUSPENSION AND TERMINATION

- 13.1 The Directors may, at any time, modify the Terms, or terminate or suspend the DRP, by giving notice to Participants of the modification, suspension or termination.

A Participant may not participate in the DRP where, in accordance with the Constitution or any law, the Directors are entitled to retain all or part of a dividend payable in respect of that Participant's Participating Shares or EAL is entitled to a charge over such Participating Shares or over any dividend payable in respect of such Participating Shares, unless the Directors otherwise determine in their absolute discretion.

18. INFORMATION

At the time the price of the Shares is set, EAL will ensure that it has no information that is not publicly available that would, or would be likely to, have a material adverse effect on the realisable price of the Shares if the information were publicly available.

19. DEATH OF PARTICIPANT

If a Participant dies, participation by that Participant will be terminated by EAL upon receipt by it of a notice of death in a form acceptable to EAL. The death of one of two or more joint Participants will not automatically terminate participation.

20. WAIVER

EAL reserves the right to waive strict compliance with any of these Terms.
