Shareholders can at anytime easily and efficiently manage their holdings via Boardroom's user-friendly and secure *InvestorServe* portal www.investorserve.com.au. This portal provides among other things an online interface to update and manage shareholder details, view balances and transaction history.

How do I register online in order to manage my ALS holding?

If you are already an *InvestorServe* user, a temporary password will not appear at the top of this letter. Please login using the username and password you have previously established.

Otherwise, for all new *InvestorServe* users, simply follow the six steps below to register:

Please note, for a few shareholders their SRN has changed. If you have been affected a separate notification advising of the change was sent by letter on or around the 7 th of April 2014.
