RIDLEY BACKGROUND

Ridley Corporation Limited (ASX: RIC) is Australia's leading producer of premium quality, high performance animal nutrition solutions. Ridley's operations service both ends of the food production value chain. Ridley is a leading supplier of animal nutrition products to producers in the dairy, poultry, pig, sheep, beef and aquaculture industries, laboratory animals and equine and canine animals in the recreational sector. Through its rendering operations, Ridley is also one of Australia's largest processors of animal by-products, supplying a range of products to service Australian and export markets. Ridley has a diversified production base across eastern and southern Australia and a portfolio of well recognised brands servicing customers across Australia.
