

1-Page Signs Licence Agreement with UST Global®

InterMet Resources Limited (ASX:ITT) ("**InterMet**") is pleased to announce that emerging US based technology company, 1-Page Company Inc ("**1-Page**"), in which ITT has executed an exclusive option agreement to acquire 100% of its' issued capital, has signed UST Global® ("**UST**") to receive 1-Page's solution and services on a monthly subscription basis and also the right to use the licence to remotely access the 1-Page Talent and Idea Management Solution.

UST is a leading provider of end-to-end IT Services and Solutions for Global 1000 companies. Established in 1998 and headquartered in Aliso Viejo, California.

UST has operations in USA, India, Mexico, Spain, UK, Malaysia, Philippines, and Singapore.

UST is a technology leader with profound domain expertise across the following industries: Healthcare & Insurance, Retail, Financial Services, Transportation & Logistics, Manufacturing & Automotive, Telecommunication and Media & Entertainment. By focusing on the business model of 'fewer CLIENTS, more ATTENTION', UST strives for excellence in providing their clients with the best service and commitment to long-term client success. With 14,000 employees, UST's growth and clientele have been impressive.

UST is planning the expansion of its facility in Bangalore. It has invested in increasing the capacity and infrastructure of the centre to bolster service delivery to its global customers as well as the customers in India, including captive centres of large multi-national companies. UST Global has plans to nearly double its headcount in Bangalore to 2500 by 2015.

UST is also planning to hire 10,000 engineers in the next five years, while more than doubling its headcount in Mexico to 1,000, by end of 2014. UST will be investing \$ 500 million over the next 5 years to support growth in the region and would also be increasing its footprint in other parts of Latin America through recent forays into Costa Rica, Panama and Brazil.

UST Global has launched a national program called Step IT Up America, which provides a vital formula to train and employ inner-city minority women. It equips them with the technological skills to launch successful IT careers. The vision is to create 5,000 new Jobs for Inner City Women and Girls to enter Tech Careers by 2020

As a result of this partnership, UST Global's Managing Director of Global Operations, Mr Saurabh Ranjan has accepted an invitation to join the Advisory Board of 1-Page.

Joanna Riley Weidenmiller, CEO of 1-Page believes that Saurabh's ideas, knowledge and experience will be a great contribution to 1-Page, as it scales and grows technologically.
