

1-PAGE SIGNS MORE GLOBAL CLIENTS

Highlights

- 1-Page signs two new global clients:
 - **TellApart**, the world's fastest growing data analytics platform for online retailers.
 - **Issuu**, a global leader in digital publishing and one of Australia's leading digital media companies.

InterMet Resources Limited (ASX:ITT) ("InterMet") wishes to provide shareholders with an update on the option to buy 100% of the issued capital in the 1-Page Company Inc. ("1-Page")

New contract signing - The Fastest growing Data Analytics Platform for online retailers contracts 1-Page for their hiring needs.

TellApart, a Silicon Valley-based company and leader in the Customer Data analytics signs a contract to use 1-Page to identify and hire the top players for their fast-growing record-breaking organization.

While you might not know who TellApart is, you definitely have come across their technology if you spend time shopping online. They are the company behind those tailored ads. The company works with some of the largest retailers like Neiman Marcus, Sur La table, Brookstone, Overtock.com, etc. and recently hit \$100 Million in revenue.

TellApart is expanding its 200 employees company rapidly across every department over doubling in size and is looking to 1-Page to help filter through the mass amount of applications, engaging candidates to showcase their value, providing the company with value way beyond the resume. 1-Page is excited to be working with such a fast growing company heavily focused on large scale hiring.

New contract signing - Global leader in digital publishing and one of Australia leading digital media companies contracts 1-Page for its hiring needs.

Issuu, the world's fastest growing digital publisher and one of the top digital media companies in Australia signs a contract with 1-Page for their hiring and global expansion. These magazines include GQ, Men's Health, Fisher & Paykel Australia Product Catalogue and DJ Mag Australia.

Named by TIME Magazine as one of the 50 Best Websites, Issuu hosts over 15 million publications and serves over 5.5 billion pageviews to over 80 million active readers each month. Clients include Nike, Google, RedBull, Levis, NASA, The New York Times and thousands more.

With Issuu's most recent move of its headquarters to Silicon Valley from Denmark, it is planning on rapidly growing its team and presence in the US. Currently the team has around 100 full time employees and is planning to over double in size and is leveraging 1-Page to hire the best team. 1-Page looks forward to working with Issuu as it is a strong influencer in the tech community and is a great brand to be working with.
